NEW ADVERTISEMENTS. House and Lot Wanted-Chas Wing

The Hon. A. S. Hardy has introduced and all varieties of aches, pains and in the Legislative Assembly a re-distriliable. bution bill whereby the ills of the present state under which the people suffer Woodbridge Council. according to-no doubt-the notion of The Council met at the Mechanics' Inthe mover will be remedied. Of course, stinte Hall according to adjournment Present, John Abell, Beeve, Councillois the introduction of the bill is not meane Wallace, Mounsey, Farr, and McKenzie. Minutes of last meeting tead and adopted The Clerk land before the Council a circular from the Provincial board of Health, the Treasurer's report for 1884. the Auditors', Clerk's and Wim. D Chafor's the Minutes of a body of men, and through them on all whom they influence, can never be compensated for by the gain of any number of dollars. What is the to serve any political object (?) the same as the bill under which Sir John added to his majority (?) in Ontario. The ministry of Mr Mowat is altogether far above doing anything that could in any accounts. Moved by T. F. Wallace, seconded by way be considered wrong. Political time serving or doing anything to serve politic. D McKerzie, that the tressurer be instructed serving or doing anything to serve politic-al ends never could for one moment be imagined as finding a place within the breasts of any one of the members of the gentlemen who rule the destinies of this Province. The idea is set forth that within the past few years popula-that the tweet to the matter that within the past few years popula-that the tweet to the matter that within the past few years popula-that the tweet to the matter that within the past few years popula-that the tweet to the matter that within the past few years popula-that the tweet to the matter that the secount of Win D. Chafer that the tweet to the matter that the secount of Win D. Chafer that the tweet to the matter that the secount of Win D.
