NOTICE TO SUBSCRIBERS.

The date printed on each paper denotes the time when the subscription expires.

The Franchise Bill.

Great objection has been taken to the appointment of revising barristers under the Dominion Franchise Bill.

A few Sundays ago Rev. D. Potts, of Montreal, without alluding to the main question, referred to the conduct of some papers in the manner in which they were acting.

It is very easy to catch cold, but not so easy to cure it unless you use Haggard's Pectoral Ointment.

TESTON.

Mr Carley, our school teacher, has been on the sick list lately, but we are glad to see him around again.

Mr W K Armour has settled here and opened out a carpenter shop.

As yet the Salvation Army has not put in an appearance here, but rumour says shortly. A gun is to be fired.

The full wheat in this section could not look better. The farmers have all commenced their spring work.

"Medicine Hat," an old resident, will, in future, pay this town a weekly visit.

In regard to the North-West troubles the Mail takes the lead of all papers in this town.

Since the great Grit conspiracy case came off, Globe stock has dropped 20 per cent around here.

A great many travelling horses have been registered at the Ontario House, among others "Medicine Hat."

We are favored every Saturday evening with music from the Cornet Band of this place.

A Public Danger.

The following was given very great prominence in the editorial columns of the Grit organ:—

"At a school examination in the County of Bruce at the Easter holidays just passed, a 'visiting' teacher was putting a geography class through drill.

"The 'visiting teacher' may have been the Minister of Education. The question put, or alleged to have been put, was an inexcusable impertinence.

Prepare the body for health and vigor by taking Dr. Chase's Liver Cure.

MAPLE.

Your correspondent has not had time to send you any comment for some weeks past, but will endeavor to do better in the future.

"Spring has been lingering in the lap of winter" rather longer than usual this season.

Our village is making considerable headway in new buildings, etc.

Mr. Wm. Palmer, general host of the Maple Leaf Hotel, is making much needed improvement on his premises.

One of our enterprising citizens is about starting a Coal & Wood Yard.

He, having purchased a piece of wooded property, had the timber cut and piled ready to fill all orders on the shortest notice.

We have at the north end of our village a lock-up to accommodate all tramps, and in this respect at least, we are ahead of Richmond Hill.

The first occupant was a citizen from Cranberry Marshville.

It would be better in the future to ship all their tramps back as soon as they strike our village, when they find we have such good accommodation they will be sure to strike for here every time.

Our saw mill is doing a rushing trade, sawing about 1000 ft lumber per day.

They are holding on to their stock in anticipation of a war with Russia when timber will go up.

MIDDLETON. Maple, May 6th, 1885.

Woodbridge Council.

The Council met at the Mechanics' Institute Hall, according to adjournment, on Monday last.

Present Messrs Wallace, Mounsey, McKenzie and Parr.

Moved by T F Wallace, seconded by D McKenzie, that the Committee on Roads and Bridges meet at Smith's bridge on Wednesday at 7 p m, to inspect it and decide on the action to be taken by the Council.—Carried.

Moved by T F Wallace, seconded by T F Wallace that this Council meet in the Mechanics' Institute Hall on the 1st Monday in June at 7.30 p m, as a Court of Revision.—Carried.

Moved by T F Wallace, seconded by D McKenzie that we do now adjourn.—Carried.

JOHN McCLURE, CLERK.

Easily Caught.

Woodbridge Jottings.

(From Our Own Correspondent.)

Quite a party assembled at one of our M. D.'s on Thursday evening, 30th April, to discuss the coming of a season.

The present consisted of a silver pitcher and service, costing about \$75. It must have been so get him to leave, as he left a few days after. What this present was for is a mystery, as he has never done anything much for the improvement of the village, nor the Township, and as for a medical man, no boast can be made of him.

The Pine Grove pugilist has removed to Woodbridge, and on the 28th ult, he and a farmer in our vicinity, were in company during the day, and took pretty freely of the Woodbridge whiskey and beer.

On May 6th, 1885.

A Throat Cure.

A cure for Croup. There is no better remedy for Croup than Haggard's Yellow Oil taken internally and applied according to special directions.

That Presentation.

Mr. Editor,—Allow me a space in the columns of your paper for a short letter in reference to a presentation to our retiring M. D. It is a graceful act on the part of the friends of any citizen to present him with a token of their respect on his leaving the locality, but when this bears on the face of it a wrong impression, it is time to protest.

The inscription on the handsome piece of silverware reads:—Presented to Dr. as a token of respect by his fellow townsmen on his departure from Woodbridge." The objection made, is, that it is palmed off as a token from his fellow townsmen—meaning the citizens generally, which is not the case.

When the facts are, a paper was passed around in the manner of a charitable subscription list, and with coaxing and holding up the good he did towards his church, induced a few people to contribute, and the balance was made up as a special send-off by outsiders, mostly as a reward probably for his activity in the Reform cause.

At the presentation the Dr was surprised at the number of friends that met to see him off. He thought before, that his friends had deserted him, but the amount of "tally" given him made him feel sorry he was leaving, and it is said, he was inclined to remain to see if the these were true friends or not. One who subscribed five.

Woodbridge, May 4th, 1885.

A Wide Spread Evil.

The great source of consumption and of ugly sores is scrofula in the blood.

Burdock Blood Bitters purify the entire system and cure scrofula, as well as the more common blood humors.

ANOTHER BATTLE.

WINNEPEG, May 5.—A despatch from Saskatchewan Landing, via Swift Current, reports that another battle fought with Indians on Sunday, May 4.

A party of 1000 men, under Col. Otter, attacked the Indians, who were 600 strong, at 5 o'clock in the morning. The fight lasted till noon.

The enemy lost 50 killed and wounded. Col. Otter's force lost 10 killed and wounded. 70 miles fought in the morning.

The men behaved magnificently. The list of casualties is as follows:—

Killed: Lieutenant Police—Corporal Laurie, Corporal Seibert, Bugler Jutko; Ottawa Sharpshooters: G. G. G. Private George Prout; Private Rogers; C. Infantry (Toronto)—Private Dobbs. Enquiry at the new fort says the nearest news to this on the 4th is: Dave, a young man from Cobourg, Bugler Faulkner—Enquiry at the fort says this is probably Bugler Faulkner, from the Queen's Own and joined the Infantry School last July.

Next: Sergeant Mounted Police—Sergeant McLeod; B Battery—Lieut Pelletier, Lieut Gaffney, Corporal Norton, Gunner Reynolds; C. Infantry—Sergeant-Major Jackson.

Toronto's Prima Donna.

PARMA, Italy, May 3.—Ada Arturi (Miss Arturs of Toronto) appeared in the theatre of the Farnese palace here last evening before an immense audience, who cheered her to the echo.

As at Milan, where she made her debut and secured her first great success, the part she took was Marguerite in Faust. The critics are astonishingly enthusiastic.

After each scene she was recalled. Miss Arturs is pronounced the triumph of the season.

A Colder Opinion.

Mrs Wm Allan, of Acton, declares that Haggard's Yellow Oil is the best household remedy in the world for colds, croup, sore throat, burns, scalds and other painful complaints.

Her opinion is well founded.

HOLLOWAY'S PILLS.—Important for the delicate.

It is difficult to determine which is the more trying to the human constitution, the damp, cold days of autumn and winter, or the keen, dry, easterly winds of spring.

Throughout the season good health may be maintained by occasional doses of Holloway's Pills, which purify the blood and act as wholesome stimulants to the skin, stomach, liver, bowels, and kidneys.

This celebrated medicine needs but a fair trial to convince the ailing and depending that it will restore and cheer them without danger, pain, or inconvenience. No family should be without a supply of Holloway's Pills and Ointment, as by a timely recourse to them the first erring function may be reclaimed, suffering may be spared, and life saved.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain or cutting teeth? If so, send at once and get a bottle of MRS. GREEN'S CHILDREN'S TEething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhoea, regulates the stomach and bowels, cures wind colic, soothes the inflamed membrane, and gives tone and energy to the whole system. It is the best medicine for the teething child. It is pleasant to the taste, and is the prescription of one of the oldest and best family physicians in the world. It is sold in all States, and is for sale by all druggists throughout the world. Price 25 cents a bottle.

LOCAL ITEMS.

TICKETS.—Secure your tickets early for the Methodist Concert on the 25th, Queen's Birthday. Over 100 sold in one day; grand total! Tickets 25 and 35 cents.

TO A CORRESPONDENT.—We beg to say that no young lady correspondent wrote the letter which appeared in the FERALD a short time ago over the signature of "Spoondyck."

BELLEVOUE INTELLIGENCE.—Mrs Caldwell is the finest singer that has ever appeared in our city, and was alone worth going miles to hear. She will sing at the Presbyterian Concert here on the evening of the 25th May.

CATTLE FAIR.—Owing to the very unfavorable weather and had state of the roads, the monthly Cattle Fair held here on Wednesday last was not very largely attended, and the show of stock small. A few animals changed hands.

CONDUCTOR.—Mr. Warrington has been in this village before and proved himself an able and brilliant artist, and no one should fail to hear him. He is Conductor of the Concert in the Methodist Church, 25th May, Queen's Birthday.

GENERAL Groceries at lowest prices at The Fire Proof.

OWEN SOUND ADVERTISER.—Mr. Kelly is one of our most popular favorites, and his popularity increases with every visit. He was in splendid voice and his "Alone in the Desert," was a superb piece of singing.

THE NEW YORK MUSIC & DRAMA.—Of the three young debutantes at the Philharmonic Concert in Toronto, the other evening, Miss Berryman has the finest natural voice and if she continues her studies as she has begun, bids fair to become one of Toronto's "Stars."

CHANGE OF TIME.—From the 19th of last January the stores in this village have been supposed to close at 7.30 p m. Few of those who signed the agreement have broken it, although several could be pointed out, and now as the days are longer and the summer rapidly advancing, a change in the time has been made from 7.30 to 8 p m., which commenced on Monday evening last. May it continue.

FIRST-CLASS Potatoes at The Cheap Cash House, only 30c. per bag.

FIXING UP THE PARK.—The Committee have let the tender of digging post holes and setting posts around the Public Park to Mr. H. Blanchard, and have also let two sections of erecting a close board fence six feet high, (to be done in sections) to Mr. Robt Goodyear.

The work is to be done in strict accordance with the specifications, etc., and we think the Committee have left the work, so far, in excellent hands. The remainder of the work is not, as yet, let out.

CHAUNTAQUA HERALD.—The Chauntauqua stage has been graced by the best soloists that have visited this section of country. In this galaxy of songsters, Mrs Caldwell must be ranked among the first in compass, correctness of intonation, and variety of expression.

TEMPERANCE MEETING.—On Monday evening last a large number met at the Presbyterian Church, to listen to a lecture on the Scott Act from Mr. Spence but who was unavoidably absent. His place was supplied by a gentleman by the name of Munns, who gave a highly interesting and practical address which was listened to with marked attention by all present.

NEW SUITINGS and Trowersings, in nobby patterns, at The Cheap Cash House.

GETTING BETTER.—Truth, of May 2nd, contains some very fresh and valuable reading. John N. Lake, Esq., of Toronto, writes of Clarke's Crossing and the seat of the late battle, from his own personal observation.

ARBOR DAY.—Whereas the Government has set apart the 8th day of May as a Public School Holiday for the purpose of planting and decorating school grounds, and in compliance with a petition from W. J. Wilson, M. D. and seventeen other ratepayers, the Reeve, W. H. Pugsley, Esq., has issued bills announcing that Friday next, 8th inst., will be observed as Arbor Day for this village.

IF YOU want a good Tapestry Carpet for 40c. per yard, go to the Fire Proof.

HAMILTON SPECTATOR.—Mr. Kelly, basso, of Colingwood, appeared twice during the evening, singing "Within this Sacred Dwelling," and "The Palms." Mr. Kelly has a powerful and musical basso voice, which he manages with ease and grace.

It is of extensive compass, and equally pure in the upper and lower range. His rendering of "Within this Sacred Dwelling" was such as to call for an enthusiastic encore, to which he responded by singing the solo "Ashamed of Jesus." Remember that Mr. Kelly sings at the Presbyterian Concert in this village, on the evening of the 25th May.

FIRE BRIGADE MEETING.—After a good practice, a well attended meeting was held in the Council Chamber on Friday evening last. The most important business done was a number of changes in the new By-Laws, and after all changes necessary had been made the Secretary was instructed to have twenty-five copies printed; two to be framed and hung up in Fire Hall and the rest to be placed on paste-board.

VERDICT.—The jury on the shooting of young Arnold at Thornhill, brought in a verdict on Wednesday last, of acquittal for Wesley and found Stewart guilty of manslaughter. Sentence was reserved.

EXHIBITION.—The Annual Spring Exhibition of the Richmond Hill and Yonge Street Agricultural Society will be held in this village on the Queen's Birthday, Monday, May 25th. Further particulars next week.

BRANTFORD TELEGRAPH.—Mr. Warrington made such a good impression at Zion Church Concert fully maintained his reputation and formed many new friends, being warmly cheered after each song. Go and hear him at the Methodist Church Concert, Richmond Hill, on the evening of May 25th.

ROCHESTER DEMOCRAT.—Mr. Fried never appeared to better advantage before a Rochester audience, and his solo was so persistently encored that he sang it through again and even better than the first time. He has an excellent voice and acquitted himself with infinite credit.

SHIRTINGS from 10c up, at the Fire Proof, best value ever shown in Richmond Hill.

THE LAST.—The last and surest sign that spring is at hand is the presence of the corner loafer. When ever these specimens of humanity forsake the bar-room stove, billiard parlor, etc., for the street corner, and also line the sidewalks in front of the different Churches when they are coming out on Sunday evenings, then we know that the much-longed-for "ethereal mildness" is in the immediate vicinity.

CHICAGO TIMES.—Mrs. Caldwell, who appeared Saturday evening with the Remenyi Concert Company, was a welcome surprise to a Chicago audience, making her debut without any special announcement, but proving to be one of the most accomplished vocalists introduced here for many years.
