-a party, too, that has been in power for being read, objection was at once raised eight years in the face of the criticism of by Mr Duncan that the said minutes Mail for the North, via. Railway, an active and unserupulous Opposition. contained no reference to the estimates leaves once a day, in the morning, as Such a result does not herald the success of what was required to run the schools of the Liberals in the general election for the present year. Reference was soon now to take place, nor presage the also made to the sum of \$500 being defeat of the Conservatives. It shows asked for over and above the necessary that the mass of the people see the true amount to carry the schools through until nature of the men who are seeking to the end of the year. Considerable disdelude them; that the seed of discord cussion ensued. A motion was made that has been so plentifully sown has then withdrawn. Mr Naughton and fallen by the way-side and will perish others contended that the proper way under the heat of the sun of intelligence. was to pass the minutes as they were The Conservatives can look forward to read, as they were correct. Mr Switzer, the events of the next few weeks without the Secretary, in the meantime having

> broken. All that is needed is confidence for the past four years the same custom and hard work and a proper organization, had been carried out, and if the minutes which they did not have in the present were illegal now they were illegal before. instance, and before the year closes Mr Trench suggested that the amount another political success can have been estimated to run the public schools as added to those already achieved since read at the last meeting be added to Confederation. But to this end they the minutes, which was done, and the must be active, as their opponents have minutes, after an half hour discussion, shown themselves in the contest just were passed. closed.

Departmental Examinations.

The storm which has arisen over the hold of them in the meeting and passed departmental examinations, shows no them as follows :----5 52 sign of abating. Some portion of the denunciation is, no doubt, due to per- Education Office, 12 school sonal animus, as the criticisms themselves make clear. Another and a larger portion is due to the disappointment of candidates who came up badly prepared. This is substantially the assertion made by Prof. Young, in a published and quasi-official letter. Dealing with the algebra paper set by Mr. J. C. Glashan for second-class teachers, he admits that he saw it before it was published, and that he approved of it as being not too difficule " for second class teachers prepared as they ought to be." He intimates that he is still of that opinion, though he is forced to confess that " the THURSDAY, AUGUST 5, 1886. candidates coming up for examination" were, in the great majority of cases, unequal to the task of grappling with it. This is a mild way of telling the High School teachers that their pupils were We do not hold ourselves responsible for the sent up insufficiently prepared, and this opinions of our Correspondents. most of the High School masters would be quite ready to admit. A SAD ACCIDENT .--- We regret to learn that a painful and serious accident happened to our much esteemed citizen, Henry Sanderson, Esq., on Monday morning early, while in the act of feeding his horses in the stable. He went up into the loft for the purpose of putting some hay down to the horses, and whilst in the act of doing so accidentally stepped or fell into one of the spouts

that convey the hay into the mangers, in such a way that he displaced the cap of his left knee, and totally dislocated the knee joint. He fell in a position that he could not help himself, and whilst

lying in this state his moans attracted the inmates of the house who were yet in bed, and some time elapsed before as

sistance could be procured to extract him from the spout, After carrying him into the house, medical attendance was at once obtained. Dr. Wilson being sent enneer doctor's treatment, when she concluded to try Burdock Blood Bitters, for Immediately, did all that lay in his power to relieve the sufferer by setting the limb, &c. We are glad to learn from ternally and externally, a few bottles of which entirely cured her.

the latest reports Mr. Sanderson is progressing as favorably as can be expected.

You can buy the cheapest Crockery in the county at the Concrete. \$3 50
