**HI! Deceptionists.**  
"Never despair" is a good motto for  
all. Afflicted with any lingering disease,  
remember "while there is life there is  
hope." Never despair of relief until you  
have tried Burdock Blood Bitters. It cures  
diseases of the stomach, liver and blood  
when all other medicines fail.

The social, moral, religious and in-  
tellectual advancement of a people may  
be readily gauged by the number of  
papers they read. Show us a post office  
where a large mail is weekly distributed,  
and around there is an intelligent,  
orderly people. On the other hand, the  
reverse will be the rule. Moral, read  
the paper. He is a poor man who says,  
"I have no time to read." That is the  
kind of fellow to make a first-class  
loafer.

**A Matter Of Economy.**  
As a matter of economy B. B. B. is the  
cheapest medicine in use for it takes less  
to cure chronic diseases of the stomach,  
liver, and kidneys and blood, than of any  
other known remedy. B. B. B. is only One  
Dollar a bottle.

scalp with Prof. Low's Magic Sulphur  
Soap. A delightful medicated soap for the  
toilet.

Our Washington Letter.

(From our own Correspondent.)

WASHINGTON, Nov. 26, 1887.

Among the Members of Congress in the  
city the subject of the organization of the  
House of Representatives is a topic of  
interest. Up to the present no candidate  
has yet avowed himself in opposition to the  
incumbents of the offices of clerk, sergeant-  
at-arms and postmaster, there are rumors  
of opposition to all the offices below the  
Speaker, except to Mr. Dalton for post-  
master. It seems to be generally conceded  
that he will be re-nominated unanimously.  
It is still said that Mr. Raines, of New  
York, will be a candidate for clerk, though  
no declaration from that gentleman himself  
or from any one authorized to speak for  
him has yet been made public. Some of  
the New York Democratic members, it is  
understood, maintain that their state is en-  
titled to one of the official positions, and  
there is talk of a combination of New  
York, New Jersey, Connecticut, Pennsylv-  
ania and some of those from the West  
looking to a redistribution of the offices.  
There is no doubt that efforts are being  
made to work up such a combination, but  
how far they will succeed it is impossible  
yet to tell. Each of the incumbents is  
fortified by the pledged support of their  
friends among the members, and if there  
was unity of effort among them all in sup-  
port of the "old slate," it would be very  
difficult to break it. But while each of the  
four is striving for re-election, and while  
the interests of them all seem to run in  
harmony, they are not so united in their  
support. The Speakership is scarcely men-  
tioned, as there is no doubt that Mr. Carlisle  
will be the unanimous choice of his party for  
re-election. He will have the cordial  
support of those of his Democratic associ-  
ates who do not agree with him on the  
tariff question.

It has been said that Mr. Randall would  
put Mr. Carlisle in nomination for Speaker  
in the caucus, but as it is customary for  
the candidates to be put forward by their  
own state delegations, that course will, in  
all probability, be pursued; but the nomi-  
nation will be seconded from among the pro-  
tectionists, perhaps by Mr. Randall and Mr.  
McAdoo, as a mark of evidence, it is said,  
of the harmony existing in the party.

Through the President's conference  
with members of his party, it is pretty well  
known what his recommendations to Con-  
gress will be as to the surplus of the  
Treasury. There will be a definite recom-  
mendation for a reduction of the  
revenue to the extent of about \$100,000-  
000, to be secured by adding to the free  
list of imports and reductions of duties upon  
necessaries of life in such a manner as not  
to increase the revenues, and by the repeal  
of the tax on raw tobacco. The tax on  
cigars will not be disturbed, as it would  
interfere with a very important industry.  
The plan upon which the Democrats  
won in New York this fall recommended  
a reduction of \$100,000,000 in the revenue,  
and the leaders of the party are prepared  
to make the issue direct.

Besides the recommendation, which will  
be explicit, there will be an administration  
bill, built on these recommendations, which  
will be informally presented to the Demo-  
cratic members, and it is expected to go,  
perhaps with some changes, to the Ways  
and Means Committee, practically, with the  
sanction of the party.

The seating of fifteen new senators in the  
50th Congress, nearly one-fourth of the  
whole body, will effect material changes in  
the working capacities of the various com-  
mittees. The control of the organization  
being in the hands of the Republican sena-  
tors, no change will be made in the com-  
mittees affecting the policy of either party  
on the leading subjects of legislation.  
There are more changes than usual to be  
made in chairmanships, but under the rules  
governing the senatorial caucus, old and  
trained legislators will succeed to these  
places.

It would be a wise thing if Congress were  
to pass the bill of Mr. Hoar, which provides  
that copies of all public documents should  
be sent to a public library, or other place,  
in every Congressional district. A source  
of public information would thus be placed  
at the disposal of the people, which other-  
wise would never reach them. Each year  
Congress appropriates large sums of money  
to print public documents which are in-  
tended for general circulation, but the real  
beneficiaries of the law are the second-hand  
book-stores of Washington, which, in many  
instances, keep the more valuable publications  
for a few years, and then sell them at  
fabulous prices.

**A Postmaster's Opinion.**  
I have great pleasure in certifying to the  
usefulness of Hays' Yellow Oil in writing  
D. Kavanah, postmaster, of Unfreville,  
Ont., "having used it for soreness of the  
throat, burns, colds, etc., I find nothing to  
equal it."

**A Claim Verified.**  
B. B. B. claims to cure all curable dis-  
eases of the stomach, bowels, liver, kidneys  
and blood. That it actually performs all  
it claims, is proven by testimonials of re-  
markable cures.

**HOLLOWAY'S OINTMENT AND PILLS.**—A  
frequent cause of skin and rheumatism is  
the inflammatory state of the blood, attenu-  
ated with bad digestion and general debility.  
A few doses of the Pills taken in time  
an effective preventive against such an  
attack. Anyone who has no attack  
of either should use Holloway's Ointment  
also, the powerful action of which combined  
with the operation of the Pills, most in-  
fallibly effect a cure. These Pills act im-  
mediately on the blood, which they purify and  
improve. Having once subdued the acrid-  
ity of these diseases, perseverance with  
the Ointment, after treating the affected  
joints with warm brine, will speedily relax  
all stiffness and prevent any permanent  
constriction.

**A Hint to Housekeepers.**  
Mrs. Robert Williamson, of Glenora,  
Perry Street, Ont. says "I could not keep  
house without Hays' Yellow Oil at  
hand. I have used it in my family for  
croup, sore throat, and a cut foot and can  
highly recommend it to everybody."

**A Crying Evil.**—Children are often  
suffered and ill when worms are the cause.  
Dr. Low's Worm Syrup safely expels all  
Worms.

**NATIONAL PILLS** are the favorite purga-  
tive and anti-bilious medicine; they are  
mild and thorough.

**ROYAL BAKING POWDER**

This powder never varies. A marvel of purity,  
strength and wholesomeness. More economical  
than the ordinary kind, and cannot be sold in

weight alum or phosphate powders. Sold only  
in cans. **ROYAL BAKING POWDER CO., 106 Wall
