A Reception. The late reception given to Sir Hector a serious illness and his recovery was rumors about a want of unity and good Mahon. - Carried. feeling between the two gentlemen so into them were not true. Sir Hector December. spoke in reply to the addresses presented to him in a happy vein and took occasion to touch upon the subject of Commercial Union he earnestly deprecated the folly of bringing forward such a subject to disturb the harmony of the Dominion of November: and maintained that we should encourage the policy of self-reliance, of loyalty to Great Britain, of protection to | home industries, of material development which promotes the growth and progress of the country. Mr Chapleau took occasion to give one of his most brilliant speeches, as usual he was full of keen satire, witty and eloquent. He contrasted the promises of the Quebec Government with the manner in which those promises were performed, of how differ-Effic Benson ent were professions when in opposition to the practice when in power. Of their good intentions to avoid deficits by Jennie Pelmer Mamie Temple reducing expenditure and the end of their promises by obtaining new loans and imposing new taxation. In fact he asserted without fear of contradiction that the present Government of Q sebec has adopted what they formerly stated as being bad in the Government that they supplanted. The resolutions of the Provincial conference were torn to pieces he pronounced them impracticable, Gideon Tennyson Minito Wright pieces he pronounced them impracticable, Gideon Tennyson SECOND CLASS. inconsistent and reactionary. The speeches will serve to show how the postulation and property of the property
