The Fisheries Question.
We have read carefully over the terms of the treaty on the Fishery question and have also read the opinions of some of the most prominent gentlemen of the Maritime Provinces, and have arrived at the conclusion that the best has been done that could, and it is a satisfaction that this vexed question has been settled for a term of years.

Dunning Made Easy.
In regard to the franking privilege, the usual complaints are made. There are always complaints of this at the beginning of the session, everybody being desirous of making the most of free postage.

THE HOME.—William Booth, a young man from Scarborough, died at the Home on the 15th ult., of inflammation. He was affected with idiosyncy but was not dangerous.

THE HUB.—Newmarket papers of last week speak familiarly of the electric light, a hundred dollar dog, water works, two big saw-logs and a Board of Trade. Great town, Newmarket!

A FRAUD.—Messrs. Fullerton, Cook & Wallace, Barristers, Toronto, who are prosecuting the seed-grain dealer Hope for "conspiracy to defraud," desire all farmers who had dealings with him to communicate with them.

THE LADIES OF R. H. should call at the Concrete House and see the new Ribbons, in plain, Ottoman, satin, pique, and watered more, they are very neat.

A. O. U. W.—A meeting of the Grand Medical Examiners of the A. O. U. W. will be held in Louisville, Ky., in June next, the Examiners from each district being sent by their respective Grand Lodges.

TWEEDS, Tweeds, English, Scotch, Irish and Canadian, over one hundred and fifty patterns to choose from at the Concrete House, the very best stock ever shown by us. Give us a call gentlemen.

ACCIDENT.—Mrs. W. Macbell, of Aurora, while driving from Richmond Hill on Wednesday, met with an accident, the horse running away and smashing the rig badly. Fortunately, there was no serious personal damage done.—Borealis.

WE ARE prepared to receive subscriptions for the Daily and Weekly Empire; the Daily at the rate of \$5 per year, and the Weekly at \$1 per year in advance. HERALD OFFICE.

SERENADE.—The Village Band gave Mr. Oscar Brown and his bride a welcome home on Wednesday evening. After playing several selections on the street they, on invitation, repaired to the parlor of Mr. Brown's residence, where they were very hospitably entertained by the newly wedded pair. A collation was served to the visitors, and music by the band and several well executed piano instrumental by Mrs. Brown passed an hour away pleasantly. The serenaders played the National Anthem, took leave of the serenaded, and dispersed, highly pleased with their reception.

A CURIOUS LOVE EPISTLE.
In an old book, dated 1820, there is the following very curious love epistle. It affords an admirable play upon words:—Madame,—Most worth of admiration! After long consideration and much meditation on the great reputation you possess in the nation I have a strong inclination to become your relation. On your approbation of this declaration I shall make preparation to remove my situation to a more convenient station to profess my admiration; and if such obligation is worthy of observation, and can obtain commiseration, it will be an agrandisement beyond all calculation of the joy and exultation of yours. San Disimulation." The following is the still more curious answer:—Sir,—I perused your oration with much deliberation, at the great infatuation of your imagination, to show such veneration on so slight a foundation. But after examination and much serious contemplation, I supposed your admiration was the fruit of recreation, or had sprung from ostentation to display your education by an old enunciation, or rather multiplication, of words of the same termination, though of great variation in each respective signification. Now, without distribution, your laborious application in so tedious an occupation deserves commendation, and thinking imitation a sufficient gratification, I am without hesitation yours, Mary Moderation.

TO OUR Grit friends who are fond of boasting that every "Liberal" is privileged to have an opinion of his own, and who affect to be delighted at the war which is being waged between the free trade and tariff-for-convenience sections of the party, we would gently remark that the "split" in the Conservative party in Manitoba is not a thing over which they can consistently gloat. Nevertheless, they have our permission to go right on gloating.

MR. CLARKE being only a trunk-maker, has met with the sneers of some of the writers of the great Reform press, for daring to criticise the financial statement of the treasurer of the province. It is only such men as G. B. Smith, Esq., the gentleman who purchased his way to a seat in the Assembly by the way he packed the convention that gave him the nomination, that are entitled to know anything about finances. G. B. S. is able to pay for the puffs he gets.

MR. WALLACE, M. P., will move that a select committee be appointed to examine into certain combinations said to exist with reference to the purchase and sale in Canada of any foreign or Canadian products, with power to send for persons, papers, and records, and to examine persons under oath. It is understood that the combinations hinted at are those known as sugar rings, coal, oatmeal rings, &c.

A VICTORIA, B. C., despatch says that Mr. Higgins has given notice in the Legislature of a series of resolutions in reference to the fisheries treaty, protesting against the overlooking of the Behring's Sea question in the Commission which means a practical surrender of the rights of British subjects on the Pacific coast.

THE Auditor General's report of the expenses connected with the Dominion elections has just been received. We notice the returning officers for East, West and North York made claim for more than was allowed them respectively as follows:—\$1069.17, allowed \$810.62; \$844.42, allowed 794.27; \$824.27, allowed \$698.46.

County Chippings.
Gospel Temperance meetings are being held at Lemoville and Whitevale. Newmarket stores, as usual, will close at 6 o'clock commencing with the spring. Markham Farmers' Club seed show will be held at Milliken on Tuesday, 6th March. Elder Chidley, of Kettleby, will be presented with a fine dog-skin overcoat by his congregation.

The Inspector is making things interesting for hotel-keepers in North York. Several have been fined. Doz poisoners are at work in Aurora, and several cases have taken the strychnine route to the happy hunting grounds.

MR. Peter Wideman, of Markham, has sold his valuable thoroughbred Erin Chief mare to Mr. John Button, of Ringwood.

MR. Newbury Button, of Ringwood, contemplates removing to Aurora if he can get a license. The Council seem inclined to grant his request.

MISS F. Bant, of Woodbridge, has been presented with a gold watch in recognition of her services as organist of the Methodist Church for sixteen years.

The Newmarket Council have had a poor quality of hose pushed on them, and there is trouble in consequence. They will probably keep the hose, the manufacturers replacing defective lengths and giving a guarantee.

The Woodbridge News last week published an obituary notice of John Hardwick, who died from the effects of a stroke of paralysis received about three weeks ago. He is spoken of as being highly respected by all who knew him.

On Monday of last week the Quarterly Board of the Methodist Church divided the Markham circuit. Markham, Peaches' and Box Grove will form one circuit, and the Ninth, Locust Hill and Whitevale will be the other. Only two voted against the division.

By a consent order made by Mr. Justice Street at Osgoode Hall, on Saturday last, Mr. Edwards, one of the Councilors-elect for St. Vincent's Ward, Parkdale, was unseated. The ground taken was one of property qualification. The relator and respondent agreed that the seat should be vacated without costs rather than go to the expense of a contest over what was regarded as a doubtful matter.

The death of Mr. Philip Macklem, of Stouffville, ex-Reeve of Whitechurch Tp., on Sunday last is announced. Mr. Macklem for many years held the position of Reeve of Whitechurch and was highly respected by all who knew him. He was a warm personal friend of the late Joseph Hartman, and used to accompany him in his visits through the riding. Deceased was a man of considerable executive ability and up to the time of his removal to Stouffville took an active part in the affairs of the township. Some years ago he retired from business, leaving his farm to his son, and went to Stouffville, where he resided until his death. He was a member of the Christian Church, and an active and useful citizen in many ways. We extend our sympathy to the bereaved relatives.—Reformer.

THE HIGH SCHOOL GIRL.
(By George H. Chandler.)
As a judge of ten cent fiction, written in a slip shod dialect—
An author quite anonymous, she really was
But with French and Latin grammar they tried
In vain to "crack" her.
For she always called the "preterite" the past
"pluperfect" tense.
She could curl hair in fashion, could with warmth
and even passion
Dash off waitees, reels, mazurkas, and some
mystic thing of Sophy!
But despite their strenuous endeavor, I have heard
them say that never
Could they get that hair-brained maiden to
"perform without her" score.
She could chatter for an hour with her fellow
"bent a flow'r"
And could dance the "Jersey ripple" in a way
that sent me mad;
But her painful lack of knowing in the matter
of plain sewing
Was to put it very mildly, "quite confoundedly
too bad."
She was quite "an fait" at tennis, but had never
read "Pendennis."
And she had a fine degree of croquet than she
did of Edgar Poe;
And though she'd often charm you, far more
than she'd allow
By exclaiming, "Ain't it scrumptious? just
too utter, don't you know!"

CONCERT.—We regret to state it is feared that the concert for the English Church, which was announced would be held on Easter Monday, is not likely to come off, owing to the lack of talent in the congregation to carry to a successful issue a concert worthy to be called one.
VOTING on the repeal of the Scott Act takes place in Halton to-day. The result will give either a great impetus or a temporary check to the prohibition movement. The W. C. T. U. of this place contributed \$10 towards the campaign fund.

CREDITOR'S NOTICE.—Mr. Robert Marsh, Executor of the last will and testament of Harriet Kirby, deceased, late of Vaughan, gives notice to creditors in another column to send in their claims, with full description, on or before 28th day of May next.
THREE STRAIGHT.—Mr. J. Palmer's b.g. Deadwood, at Owen Sound on 22nd ult., won the open trot in three straight heats. Time: 2:33, 2:32½, and 2:29½. At Collingwood on Tuesday last, Deadwood captured first money in the 2:34 trot, his positions being 1-1-2-1.
A BLANK.—The lacrosse meeting on Friday evening was poorly attended and no business was done. However, the discussion around the cold-stove was full of hope for the future, and no doubt Richmond Hill will be able to place a good team in the field next season to compete for intermediate honors.
AUDIT.—The Village auditors have completed their labors and have circulated a statement showing the receipts and expenditures of the municipality for the year ending 31st Dec'r, 1887. I. O. G. T.—The Eglington correspondent of the York Tribune says:—The young people of the Union Star Lodge enjoyed their annual drive to Richmond Hill last Wednesday night. They were welcomed by the friends at the Hill with all the heartiness of former occasions, and spent a happy evening. A good report is given of the hospitality received for their hosts.
CHARIVARI.—Three small boys, who were loaded with two tin pans and a horn, attempted a "shiveree" on Monday evening. The weather was bitterly cold, and in about fifteen minutes the boys obtained about all the shiver they could carry and hastily departed for warmer quarters, encouraging each other in the retreat by saying "Ho's a'comin'!" On Wednesday evening they returned with reinforcements of boys and noise and traded their racket for a box of candy.
SPECIAL MEETING.—A special meeting of the Village Council was held on the 21st ult. The following accounts were ordered to be paid:—Jas. Brownlee, sundries, \$1.68; John Jordan, work on streets, \$2.25; Thos. Martin, shoveling snow, \$2.30. A communication was read from Mr. Wm. Trench in which he offered to pump, free of charge, all the water the village may require for fire purposes on condition of the Council assisting him in procuring a supply. The matter was referred to a committee of the whole Council and will probably be further considered at their meeting on Monday evening next.
A SAD CASE.—Frank T. Daville, of Aurora, manufacturer of buff leather, was conveyed to the asylum on Friday last. He was in a storm-bound C. P. R. train returning from Montreal at the time of the snow blockade, and the same which collided with the G. T. R. suburban at West Toronto Junction. He was ill on his arrival home, and his mind grew weaker until it was found necessary to remove him. He was doing an excellent business, and has a wife with several small children. The afflicted family have the sympathy of a wide circle of acquaintances.
RUNNING FINANCIAL RISKS.—The Berlio News has the following appropriate remarks:—One by one the private banks in Ontario droop and die. They pull down in their ruin foolish depositors who were lured by promises of high interest to entrust their savings to these institutions. Financial gain cannot result from usurers who offer higher interest for money than profits in honest business justify. People advancing money on insufficient security to private bankers who are disguised loan agents will not admit that risks and high rates go together. They are learning this truth from the failures that are bringing disaster to those who sacrificed deposits for two per cent. more on their deposits.

Millionaire Landowners.
The Duke of Sutherland owns 1,208,666 acres, and Lord Middleton owns 1,005,741 acres of the soil of Great Britain. Thus between them they own one-thirty-sixth of the whole land of Great Britain and Ireland.
Books vs. Experience.
Books are useful to add to our knowledge, but practical experience teaches us that the best remedy for all diseases of the Stomach, Liver and Blood is easily to be had and is called B. B.
Well Spoken Of.
"I can recommend Hagyard's Yellow Oil very highly, it cured me of rheumatism in my fingers when I could not bend them." Ida Plank, Strathroy, Ont. A medicine for external and internal use in all painful complaints.
Well Thought Trying.
A medicine which has stood the test of time for many years and always given the best satisfaction as has Hagyard's Pectoral Balsam is certainly well worth trying for Coughs, Colds, Hoarseness and All Throat troubles for which it is so highly recommended.
Stop It.
Continual hawking and spitting caused by Catarrh is permanently cured by Nasal Balm.
Holloway's PILLS.—Weak Stomach.—The wisest cannot enumerate one quarter of the distressing symptoms arising from imperfect or disordered digestion, all of which can be relieved by these admirable Pills. They remove cawkery taste from the mouth, flatulency and constipation. Holloway's Pills rouse the stomach, liver and every other organ, thereby bringing digestion to that healthy tone which fully enables it to convert all we eat and drink to the nourishment of our bodies. Hence these Pills are the surest strengtheners and the safest restoratives nervousness, wasting, and chronic debility. 42 YEARS.
Steadfastly for forty-two years the WEEKLY REFORMER has held to principles which have stood the tests of time, ridicule and of opposition, fair and unfair, and the wisest to-day speak to us as they spoke in 1846. Its growth has been both rapid and steady. Its publishers, desirous of still further increasing its circulation, have this year gone to large expense to secure a reproduction of the LATEST MASTERPIECE of Davidson, Knowles (who was selected by Queen Victoria to paint the scene at Princess Beatrice's wedding), entitled
Suffer the Little Children to Come Unto Me.
It depicts the memorable scene with startling realism, reproducing in oils all the richness of ORIENTAL COLORING. The picture, executed by the greatest art firm in England, would bring \$1,000 if sold, but is reserved EXCLUSIVELY FOR SUBSCRIBERS to the WEEKLY REFORMER. The price of the WEEKLY REFORMER and picture is \$1.00, the paper alone, \$1.00. In 1880 the DAILY REFORMER was launched, and like the WEEKLY, to advocate the same principles regarding our country. The picture, "Suffer the Little Children to Come Unto Me," and the DAILY REFORMER, \$2.25 a year; the paper alone, \$2.00.
The NORTHERN MERCHANTS still continues to be the favorite in the home circle and Sabbath School, and commencing with January first with new type, finer paper and other improvements, will be more attractive than ever. Prices of Books are given to friends who canvass for it. Annual subscription, 30c., with reduction to clubs.
Sample copies of the different publications mailed on application. Agents wanted in every town and village.
JOHN DODGALL & SON, Publishers, Montreal.
