DAY!

AT A recent session of the Dominion for first class grade C certificates will be examined at local points, of which there Parliament an important addition was made to "The Weights and Measures are 120. The examinations begin, July 10. There are 200 candidates on the list for this Act." which provides that, " Every barexamination. With regard to first class grade A and B. the department does not rel of salt packed in bulk, sold or offered for sale, shall contain two bundred and any longer exe-cise any control these being eighty pounds of salt, and every such graded after the candidates undergo a speci-fied course at the universities. The exbarrel of salt, sold or offered for sale shall have the correct gross and net collegiate institutes will begin on Wecnes-day and will last until Friday afternoon folweight thereof marked on it in a permanont manner." It also provides that the name of the packer is to be branded on every barrel of salt, and "for any contravention of the foregoing provisions al centres considered of convenience to of the act a penity of \$10 is to be impupils. It is estimated that 12,000 candipesed:" The second of July was the day for the
