Some people imagine that the Intering priviliges be withdrawn. This is an error. In the first place we have practically two roads all the way to the Maritime Provinces, with the exception of a short distance between Quebeo and Riviere Du Loup, where there is only a single line and a single track. From Riviere Du Loup, the 'I emiscuata road is about finished, and it makes the way to St. John some two hundred miles nearer than the present roundabout road of the Intercolonial. This Temiscouata line runs entirely through Canadian territory.

Another Outrage.

The Halton election was fought out. Wednesday of last week, and on Friday, two days later, the Board of License Commissioners for the county met. The gentlemen of whom we wrote two weeks ago, who openly violated the law under the advice and sanction of a License Commissioner, was granted a license. Four others were accorded the same privilege The total list of licenses thus issued, close on the heels of the election in which the Liberal candidate won, is as follows;

Murray H. Williams, Oakville. Robert Bennett, Georgetown. S. N. Brown, Glenwilliams, J. H. Gould, Burlington, David Dewar, Milton.

In the cases of at least four out of unfavorably on the application, but the Board of Commissioners ignored the report which the law provided should be made for their guidance, and granted licenses to men who had no right to them. Surely the Ontario Government will not long tolerate such flagrant outrages as these .- Canada Citizen.
