WATCH THE SWINDLERS .- A very slick swindler is operating through sections of western Ontario. Upon entering a town he lays in a supply of small glasses at an expense of about 10 cents each. These he fills with earth, into which he places a couple of short stalks of milk-weed or any other plant, and then anoints the earth and plant with gent's foot-wear in alligator, kangaroo, ottar of roses. WOVEN RATTAN COFFINS .- A Philrants, bacon, &c., to the Lorne Store adelphia undertaker is just beginning to deal in something entirely new in the coffin line. It is rattan coffins. The caskets are designed to meet the desires of persons who object to the now prevailing mode of scaling bodies in airtight caskets. It is argued that the old method is not in accordance with the decrees of the Bible and prevents the body from returning whence it cameto the dust. With rattan caskets the earth has full sway. Besides the rattan casket can be produced very cheaply ings at the Fire Proof this, week. At a meeting of L. O. L. No. 216, Weston, County of York, Ontario, held on July 12th, the following resolution was moved by Bro. Welsh, seconded by Bro. Madgett,

SUITIBLE summer suits for this summering sunny weather at a discount at the Fire Proof. Will D. Atkinson.

FALL Wheat Crops.—The farmers in this vicinity are busy cutting their fall wheat this week. The amount of fall wheat sown was about equal to last year, but the yield will be much abead of 1888; the straw is good and lots of it, while the grain will average about 28 bushels to the aere and is of good quality. The rust has not done any damage, to speak of, around here,

LACROSSE.—The White Rose Lacrosse Club went to Newmarket yosterday to play the junior team of that town and succeeded in taking three straights, after a bard and well played game. On the same day Newmarket's seniors played Orillia but the home team did not play as good as usual and allowed Orillia to carry off 4 to 1, however the first and last games were very interesting.

A Plain Statement. A LL poisonous weste, and worn out tem through the secretions of the bowels, kidneys and skin. B.B.B. cleanses, opens and regulates these natural outlets for the removal of disease. HOLLOWAY'S CINTMENT AND PILLS .-

Outward infirmities.—Before the discovery of these remedies, many cases of sores, ulcers, &c., were pronounced to be hopelessly incurable, because the treatment pursued tended to destroy the strength it was incompotent to preserve, and to exasperate the symptoms it was inadequate to remove. Holloway's Pills exert the most wholesome powers over the unhealthy flesh or skin, without debarring the patient from fresh air and exercise, and thus the constitutional vigour is husbanded while the most malignant ulcers, abscesses, and skin diseases are in process of cure. Both Ointment and Pills make the blood richer and purer, instead of permitting it to fall into that poor and watery state so fatal to many labouring under chronic ulcerations.

The Highest Praise. USED a bottle of Burdock Blood Bit ters for my Dyspepsia and it proved a perfect cure, and I was blessed the day got it. I would not be without it now for good lot. It is worth its weight in gold Mrs. W. J. Smith, Haley Station, Out. SATCHEL LOST.
