**NEW ADVERTISEMENTS.**  
 (Change and Locals—Wm Atkinson)

**CATARRH,**  
**CATARRHAL DEAFNESS—HAY FEVER**  
 A NEW HOME TREATMENT.  
 Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result of this discovery is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made at home by the patient once in two weeks.  
 N.B.—This treatment is not a snuff or an ointment; both have been discarded by reputable physicians as injurious. A pamphlet explaining this new treatment is sent on receipt of ten cents by A. H. Dixon & Son, 803 West King Street, Toronto, Canada.—Toronto Globe.  
 Sufferers from Catarrhal troubles should carefully read the above.

**Local and General.**  
**PROBABILITIES.**

 For pure spices go to the Concrete House.  
**WASH** embroidery silks and other kinds for sale at the HERALD store.  
**FAREWELL.**—Capt. and Lieut. Harper, of the Salvation Army, held their farewell meeting on Monday evening. They left this morning for Toronto.

**WELCOME.**—We are glad to see the milk boy's genial face again. Josh, got the La Grippe and our citizens had to eat their porridge without milk for once.  
**"THE man who laughs"** is the title of a book. The writer must know how the Concrete's customers act over his bargains.  
**LA GRIPPE.**—A large number of our citizens are confined to their residences by La Grippe. Only seven men are working at Trench's Carriage Works this week on account of sickness.  
**STAMPING** of all designs on cloth, plush, or any other material done at the HERALD Office, cheap. Leave your orders.  
**NEW PROBABILITIES.**—As the Concrete has studied the requirements of its many customers, it is probable in 1890 that its proprietor will break the record of bargain makers. At all events he will try. For further probabilities read Wm. Atkinson's change of adv.  
**BIBLE SOCIETY.**—Remember the annual meeting of the Richmond Hill Branch of the Upper Canada Bible Society, which will be held on Thursday evening, Jan. 30th, in the Lecture Room of the Methodist Church. Rev. J. Burton, M.A., B.D., Hon. Sec'y, will deliver an address.  
**FURNITURE**—a full stock—and picture frames made to order; all at less than Toronto prices. P. Savage.  
**MISSION SERVICES.**—The annual Mission services will be held next Sunday morning in Trinity Church, Thornhill, at 11 o'clock, and St. Mary's Church here at 3 p.m. Rev. Mr. Fiddler, of Whitby, will preach. All are cordially invited. Collections will be taken up in aid of the Mission Fund.  
**The Concrete** promises to protect the interests of customers for 1890 by providing the best goods, the newest goods, the cheapest goods to all persons alike, regardless of age, sex or condition, and expects on your part your continued patronage just so long as you find that Atkinson gives you more and treats you better than any other dealer.  
**ANNIVERSARY DINNER.**—The oyster supper in connection with the anniversary of Court Richmond No. 7046. A. O. F., will be held on Friday evening, Jan. 31st, at the Grand Central Hotel in this village. The High Court Officers in Toronto will, it is expected, be present and address the brethren. All the members of the Court are expected to attend.  
**If wishes** were horses everybody would ride to the Concrete.  
**EDUCATIONAL.**—The National Educational Association will hold its meeting for 1890 at St. Paul, Minn., July 4 to 11. Half railway rates from all points to be who attend. Special Excursions are being provided to the Local Lake Region, Yellowstone Park and other North Pacific Points. For particulars and free copy of Bulletin containing program, address S. SHERIN, Secretary, Local Executive Committee, St. Paul, Minn.  
**A GOOD REPORT.**—The annual meeting of the Charles St. Presbyterian Sunday School took place Monday evening. The teachers turned out in full force. The missionary reports from the children were very gratifying indeed, about \$350 being raised which is considerably in excess of last year. The general state of the school is most encouraging. Officers for the present year—W. B. Wiley, Supt., re-elected; J. Davidson, Ass.-Supt.; F. N. W. Brown, Sec., and Treasr.; H. Ferguson, Librarian. The school is to be congratulated on securing such able and enthusiastic officers.

**To OUR SUBSCRIBERS—**The SPECIAL ANNOUNCEMENT which appeared in our columns sometime since, announcing a special arrangement with Dr. B. J. KENDALL Co., of Enosburgh Falls, Vt., publishers of "A Treatise on the Horse and his Diseases," whereby our subscribers were enabled to obtain a copy of that valuable work FREE by sending their address to B. J. KENDALL Co., (and enclosing a two-cent stamp for mailing same) is renewed for a limited period. We trust all will avail themselves of the opportunity of obtaining this valuable work. To every lover of the Horse it is indispensable, as it treats in a simple manner all the diseases which afflict this noble animal. Its phenomenal sale throughout the United States and Canada, make it standard authority. Mention this paper when sending for "Treatise." No. 23

**STEELE BROS. Co.**—New oats, new wheats, new potatoes, new plants and bulbs, are offered in the 1890 Catalogue of The Steele Bros. Co., Toronto. No need to send to the U. S. for seeds when such a work is issued here, for it beats them all. It is the largest, the handsomest, the most modern, and fullest in matter and illustrations of any we have yet seen. Canadians should be proud of a firm of such enterprise, energy and high standing. They offer the Banner oats that yielded 90 bush. per acre in York County; nine new varieties of potatoes; new clovers for the North West, &c., &c. The catalogue is priced at 20c., which may be deducted from first order sent in, or they will send 1 lb. of Banner oats by mail prepaid, or 5 packets of vegetable or flower seeds and catalogue included for a remittance of 25c. It will pay every amateur, gardener, florist and farmer to send for it.

**CARING FOR MEN'S SHOES.**—I have only one hobby, and that is shoes, or rather a peculiar fashion I have of wearing them. I used to think that a man got the best service out of a shoe by putting on the best pair a shoemaker could make him and wearing them constantly until the leather gave way somewhere, but I now think that is the most extravagant way of dressing the feet. I am never without two or three pair of shoes in good wearable condition. I never wear the same pair two days in succession, and at least once in a month I go over each pair with a brush dipped in vaseline. Thus, with three pairs of shoes I give each pair one day of work and two days of rest, and the leather has time to gain its elasticity and stretch out the wrinkles the foot has made. These wrinkles become breaks in the leather when the shoe is continuously worn. The vaseline is better than any oil for leather. I used to wear out four pairs of \$8 shoes a year, one at a time. The same number now lasts me two years.—A St. Louis man.

**R. H. & Y. ST. AGRICULTURAL SOCIETY.**—The following officers of the Richmond Hill and Yonge St. Agricultural Society were appointed yesterday at a meeting of the Society:—President, W. Trench; 1st Vice-President, T. Lloyd; 2nd Vice-President, A. Russell; Sec'y and Treasr., H. A. Nicholls. Directors—Richmond Hill—Messrs. Pugsley, Redditt, Sanderson, Palmer, Killinger, Rupert, Trevelhan, Moodie, Keffer, Atkinson, Elliott, McMahon and Savage. Vaughan—Holmes, Bassingthwaite, Playter, Clabine, Boyle, Dr. Orr, Markham—P. Boynton, T. Boynton, Clark, Russell, Lindsay, R. Elliott, King—T. Johnston, W. Grice, J. Rogers. Whitechurch—J. Cherry, Q. St. George, J. Legge. York—J. Morgan, S. T. Humberstone, O. Bales, G. Wood. It was resolved that the gentlemen representing the different municipalities be requested to obtain all assistance possible towards the objects of the Society. A Concert Committee was appointed at the meeting to take steps to have a concert in the Agricultural Hall on the Queen's Birthday for the benefit of the Society, members' tickets admitting to the concert without extra pay.

**NEW COURT OF FORESTERS.**—On Monday evening a new Court of Foresters was organized at Thornhill under the name of "Court Union, No. 7772." The District Chief Ranger, Bro. A. J. Rupert, and the officers of Court Richmond from this village, opened the new Court and initiated fifteen gentlemen into the mysteries of Forestry. There were several more names on the list of application for membership but many were unable to attend on account of La Grippe. High Court Chief Ranger, Bro. Chas. Lang, of Toronto, was present and assisted in the work. After the election of officers the brethren adjourned to the dining room of Skardon's Hotel where hot fowl, meats, vegetables, &c., were prepared for them. After doing justice to the excellent meal prepared by the host and hostess, D. C. R. Rupert proposed the toast of the Executive High Council which was responded to by Bro. Lang, who made an excellent address to the members of Court Union, describing the object of the order, and the immense amount of work done among its members at the time of sickness. His speech was full of advice and encouragement to all. Then the toast of the officers of Courts Union, Laurel, and Richmond followed, which were responded to by all the officers of each Court in short spicy speeches.

**WIDE AWAKE.**—The February Wide Awake opens with a good Persian ballad, "Abu Said" by Mary E. Bradley, followed by a stirring episode of Western Military life by Lieutenant Fremont, entitled "Snow Shoe Thompson." There is an inspiring story of Greek boy life, by Mrs. Knight, "A Boyhood in Athens," showing the effect of keeping a good ideal before a young lad's eyes. G. Hamlen tells a bright instance of a young girl's presence of mind in her story of "The Frogsleigh Nikado," and Mrs. Fremont will interest all readers with her account of "Kit Carson," in the second of her "Will and Way Stories." Grant Allen concludes his serial, "Wednesday the Tenth," in triumph. Mr. Stoddard in his serial of "A Rough Boy" is proving that Old Granger is no slouch." The Norse serial by Boyesen comes to a close with the escape

of the "Vikings' Sons" from the grip of a real bear. Miss McLeod's second Acadian story is finished. One of the very best of John Brownjohn's stories is given in the school series, "The Wicked Waterbury Clock." Mrs. White gives artistic girls a good business hint in her article on Dressmaking in the "Business Openings" series. Mrs. Clafflin's Margaret-Patty letter is full of subtle social wisdom. Alexander Black's "confessions of an Amateur Photographer" is piquant reading. "Men and Things" abounds with good original anecdotes and curious lore. Wide Awake is \$2 40 a year. D. Lothrop Company, publishers, Boston.

**RE-OPENING SERVICES.**—As was announced the re-opening services of the Methodist Church, in this village, were held last Sabbath. The Rev. J. C. Speer, of Mono Road, occupied the pulpit both morning and evening, preaching two splendid sermons, full of deep thought. Mr. Speer has excellent eloquently powers and preaches with feeling, impressing his line of thought upon the hearer's mind by grand illustrations. In the morning he spoke upon the life of Paul, taking for his text the words "He thanked God and took courage." At the evening service he preached about three classes of people who err "because they know not the scriptures nor the power of God," but as a synopsis of both sermons may be found on the editorial page we will not make further comment. Mr. Speer is a young man, having entered the work of the ministry only ten years ago. His first field was on the Manitoulin islands; from there he went to Muskoka spending one year. He then was called to the Hanover Circuit, in the county of Bruce. After preaching in that part for some time, he went to McGill University and Wesleyan College in Montreal. After leaving college he was ordained in Toronto and again volunteered to go to the Manitoulin Islands, spending two years at Little Current, from which place he moved to the Campbell's Cross Circuit. He was then invited to the Mono Road Circuit, where he has entered upon the third year of work, which has been full of earnest labor accompanied by the blessing of an Almighty God. On the Monday evening following a grand dinner of fowl, meats, and pastry was served by the ladies of the congregation. The tables were laden with an abundance of everything that constitutes a good dinner. At eight o'clock a platform meeting was held in the church, Rev. J. M. Simpson occupying the chair. The Programme was as follows:—chorus by the choir "Lift up your heads;" recitation by Rev. Mr. Lee, of Carville, entitled "The Clown's Baby;" Song by Miss Ida Simpson; chorus, "He's the Lilly of the Valley;" Address by the Rev. W. W. Percival; duet, "Love Divine;" by Miss Ida Simpson and Mr. Hume; chorus, "Save me Lord, save me;" address by Rev. J. C. Speer; Song, "I am far fra the gait," by Mr. Hume; recitation, "Friar Phillips" by Mr. Leo, which was heartily enclosed but not responded to; chorus, "My way is cloudy." A very enjoyable time was spent by all present, but, unfortunately, the crowd was not as large as was expected. Proceeds amounted to \$60.

**A Winter's Tale.**  
**L**AST winter my little girl caught a severe cold which lasted all season. I doctored with everything I could get but to no avail. Finally I got Gargard's Pectoral Balm and gave her two doses which improved her, and in a week she was entirely cured by its use. Mrs. C. Norman, Cornell, Ont.

**Village Council.**  
 The first meeting of the Village Council for 1890 was held on Monday, Jan. 20th, in the Clerk's Office. Pursuant to the Statute all the members elect were present and made and subscribed their respective Declarations of Qualification of Office, and took their seats.  
 The Reeve introduced a By-Law to appoint two Auditors for the ensuing year, viz., H. A. Nicholls and B. Redditt. The By-Law was read a first, second, and third time and passed. The Reeve stated to the Council that he had insured the Agricultural Hall for \$600, for three years, at a premium amounting to \$15, and that he had received the sum of \$230 in cash in part payment of the bonus offered by the Agricultural Society.  
 Moved by Mr. Atkinson, seconded by Mr. Savage, that the Treasurer is hereby authorized to pay to Benj. Lyon and Francis Cosgrove the sum of \$2 each for their services in making out estimate of lumber for Agricultural Hall.—Carried.  
 Moved by Mr. Atkinson, seconded by Mr. Savage, that the Reeve and Councillor Atkinson be a Committee to wait upon Messrs. Innes & Sons to settle all claims and that they be instructed to give an order on the Treasurer for the payment of the amount settled upon.  
 The Council adjourned to meet on Friday, the 24th inst., in the Clerk's Office at 3 p.m.

**To the Electors of West York.**  
 Your Vote and Influence is requested at the next election in West York for the Ontario Legislature on the following platform:—  
 1. Equal Rights for all classes and creeds. Stand for Canada before party in resisting French and clerical aggression.  
 2. Provincial Rights should be subordinate to the interests of the Dominion at large.  
 3. Abolish the Separate Schools and have the English language taught to all citizens.  
 4. Abolish School Book monopoly and make Schools more efficient.  
 5. Prohibition of the Liquor Traffic and the placing of Licenses, so long as they continue, and civil service appointments in the hands of a Non-Partizan Commission.  
 6. A Registration shortly before Elections to save the expense and complications attending present system and also a secret ballot.  
 7. The continuance of the National Policy, so long as the United States maintain present attitude.  
 8. The preservation and development of mineral and timber interests.  
 9. Make Elections come on a fixed day so that neither party could surprise the other by springing an election on the country.  
 10. Place the redistribution of constituencies in Ontario with the Judges of the Court of Appeal.  
 11. Before capital gets the hold upon our country that it has upon the United States, the position of those who labor should be made unassailable.  
 12. Honesty, economy and efficiency in all departments.  
 With the above amendments the strong holds of the bootlers, office-seekers and those who trade upon race and creed for place and power would be broken down, and many a home now destitute and desolated would be made comfortable and happy.  
 Yours, &c.,  
**D. W. Clendenan.**
