The school is doing very well. It may
indeed be regarded as one of our best
schools taking into account the highest

matic, Classics etc. will be a credit to
any school. The tone of the school is ex-
cellent.

Yonge Street S. S. Teachers As- sociation.

A meeting of the Yonge Street Sunday
School Teacher's Association was held in
the Lecture Room of the Methodist
Church, on Monday evening. The at-
tendance, considering the very short no-
tice, was very good. Mr. Thos. Carscad-
den, M. A., President of the association,
occupied the chair.

Rev. J. E. Howell, M. A., of Aurora,
delivered a masterly and eloquent ad-
dress, on "How to study the Bible."

The address was full of interest, instruc-
tion and profit not only to Sabbath School
workers, but to all interested in the
study of the word of God. The Chair-
man, after making some pointed remarks,
invited the expression of opinion or any
suggestions on this important subject.

In response the Revs. Messrs. Dyer, of
West Virginia, Curtis, of Aurora, Man-
ning, of Eglington, and Messrs. Rupert
and Congor briefly addressed the meet-
ing.

At the close of the discussion, on mo-
tion of Mr. J. P. Rupert, seconded by
Mr. A. P. Congor, it was decided to hold
the next meeting of the Association at
Maple. On motion of Mr. Harrison,
seconded by Mr. Congor, the thanks of
the Meeting were unanimously tendered
to Rev. Mr. Howell, for his able address,
and to the other ministers and gentlemen
who, by their assistance, contributed to
the success of the meeting. Appropriate
music was rendered at intervals, Mr. J.
H. Sanderson presiding at the organ.

The meeting was pronounced one of the
most successful and profitable ever held
by the Association.

Mechanics Institute.

The directors of the Institute met in
the Masonic Hall on Tuesday evening.

Members present Messrs. Trench, Boy-
le, Crosby, Sanderson, Fairbairn, Law,
McCougahy and Stewart.

In the absence of the president, the
1st Vice-President, J. H. Sanderson, oc-
cupied the chair.

The minutes of previous meeting read,
and approved.

The reunion committee reported that
they intended commencing a series of en-
tertainment about October.

The secretary read a communication
from Dr. May concerning Government
Grant.

On motion of W. Trench seconded by
F. McCougahy,
It was decided to expend \$25 in books
in order that we may draw Government
Grant.

Moved by Mr. Crosby, seconded by
Mr. Boyle.

That Messrs. Sanderson Stewart and
Trench be a committee to arrange for
paying for the rent of the Masonic Hall.
Carried.

Moved by Mr. Fairbairne, seconded by
Mr. Trench.

That the Board learn with regret the
intended departure of our president Mr.
T. Carscadden. While there has not been
such interest manifested during the last
few years in the institute by the public
as is necessary for its success and ad-
vancement we anticipate, under the new
president an agreeable and satisfactory
change. During the short time Mr.
Carscadden has filled the office he has en-
deavored to promote the interests of the
institute; and while feeling that the vil-
lage will sustain a great loss by his re-
moval, we wish him every success in his
new home, where we believe he will
prove a decided acquisition.

The meeting adjourned to meet as call
of president.

the following members of the Yorkville

In the hot months of July and August the
Flood should be kept pure and cool, with
an occasional dose of Dr. Carson's Stomach
and Constipation Bitters, a worthy family
medicine. In large 8 ounce bottles, 50
cents, at R. E. Lusk's drug store.

The Twelfth.

The one hundred and ninety first an-
niversary of the Battle of the Boyne pas-
sed off very quietly here, most of the
King Williamites having wended their
way to Toronto, when there was a mon-
ster demonstration on the grounds of
the Industrial Exhibition. The Dem-
onstration was a grand success, and con-
sidering the immense crowd, things pas-
sed off very harmoniously. The day was
all that could be desired, the shower in
the morning tending to make it more
favorable.

We Draw a line somewhere.

"The comic organ should beg the dismal
organ to cease its ostentatious presenta-
tions of the same old bouquet. It's all
very well for an employee of the droop to
occupy a front and throw a bunch of flow-
ers on the stage at a performer on the
first night, but when the thing is done
more than once it looks too much like a
put-up job. But the organ is wise in it's
generation. It thinks a free advertise-
ment will purchase for its party Grip's
everlasting gratitude and its continued
support.

This highly facetious paragraph appear-
ed in last Saturday's Mail. The same is-
sue contained a self written puff of "the
leading journal" extending over three
mortal pages. Grip confesses to a certain
gratification over bouquets from whatever
source (though their purchasing power is
small), but there is one thing he would
hesitate to do and that is to descend to the
nigger minstrel act of throwing a bunch
of flowers over his own shoulder to him-
self.

M. Sheehan, of Osoda, Mich., writes:—
"I have used Dr. Thomas' Electric Oil on
horses for different diseases and found it to
be just as you recommended. It has done
justice to me every time, and is the best oil
for horse I ever used.
