Advertising a necessity.
Advertising is becoming more of a necessity to the merchant and man of business. People can make more money, spend more, and are busier now than 25 years ago, there is twice as much competition now as there was then. People have less time to look for what they want, and look to the papers to inform them, and accept it as a settled rule that the man who advertises what he has to dispose of means business, and he is the best man to deal with.

From "The Times".

Editor of the Times:— Seeing an article in your paper last week from Arnold Parker, I was impressed with the earnestness with which he appeals to you to continue to enlighten the world in regard to the means by which he was so miraculously cured of rheumatism and hip-joint lameness, by using Kendall's Spavin Cure. The article to which he alludes by Dr. Bates, impressed me so favorably with the real merits of this remedy that I tried it also for several blemishes on my horse and found it the most perfect cure I ever tried for spavins and other blemishes as it removed the enlargement in every every instance by continuing to use it for several days after the lameness had subsided. The perfect success I have always had with Kendall's Spavin Cure led me to use it on my own person, and for all the family with the very best results as a family liniment. While several of the cures made with it have been almost miraculous, none have been more satisfactory than several cures which I made with it of foot-rot and also sore teats as well as warts on teats of cows. I consider a sure cure for sore teats or foot-rot on either cows or sheep. With the satisfaction this remedy has always given in every instance, I cannot refrain asking with my friend Parker that you continue to make known to the world this, the grandest discovery of the nineteenth century. Yours truly,

JAS. A. CAMPBELL.
Herkimer, N. Y., Sept. 10, '81.

The above letter with one published last week, encourages us in our effort to make our paper one of the most valuable journals in the country and to all our patrons, and we now ask others of our readers who have been alike benefited by the letter published one year ago, from Dr. Bates, that they send us for publication, statements that they may wish to make for the benefit of others.—[Editor.]

ADDRESS
"THE LIBERAL,"
Richmond Hill Ont.

ange County lodge was held at Nobleton, on the 4th inst. There were many representatives from the various lodges of the North Riding of York.—The following gentlemen were appointed to the various offices:

- J. Hollingshead, Nobleton, County Master.
- L. Paisley, Vicar, Dep. Co. Master
- J. Sloan, Loyd town, Chaplain.
- G. A. Robinson, Nobleton, Secretary.
- Jno. Gould, Treasurer.
- J. Phillips, " Dir. of ceremony
- J. Sheardown, " Lecturer.
- W. Cooper, " Ass't "

After the transaction of other important business the meeting was brought to a close. The next meeting to be held at Springhill, on the first Tuesday in February, 1883.

A friendly shooting match took place in this village, on the 11 inst, which resulted in a great deal of noise and the waste of many pounds of excellent ammunition. We understand that a challenge has been issued from Kleinburg against Nobleton. The particulars of which will be supplied if Nobleton wins, which, of course, many think is a foregone conclusion.

Mr Wm Beasley of this place and Miss V A White assistant teacher of Nobleton School entered into solemn partnership a few days ago. We wish the happy couple all success, happiness, &c. Mr Thomas Cairns and Miss Atkinson of the 19th of King were married the same day. Dame Rumor says several other marriages are speedily to follow, evidently there is a "boom" in that industry.

The Bowman property on the 9th of King was sold a few days ago to Mr Andrew McClure for the sum of \$12,000. This farm (20) acres) was bought a few years ago for \$7,500, but owing to improvements and increase value of land, Mr Bowman was able to realize what is considered to be a very fair figure. We believe it is Mr Bowman's intention to follow Horace Greeley's advice.

Weston.
(From our own Correspondent.)

The council of the municipality met on the 10th inst., and passed a number of By-Laws, amongst others, to prohibit cattle, pigs, dogs, and fowl from running at large; also pound keepers, High Constable, and fence viewers, and for a sur-

vey and map of the village, the offer of P S Gibson P L S, of Willowdale, was accepted. The majority of the villagers are greatly dissatisfied at the action of the council in appointing Mr. Brown of Eglington, assessor. Having acted in the same capacity for the Township a number of years, his record for favoritism and partisanship are too well known to be palatable to many of his own political friends.

LECTURE.—The Rev Dr Wild delivered his very interesting Lecture entitled "The Prophet Jeremiah's visit to old Ireland" on the evening of the 10th, in the Presbyterian Church, with much acceptance, to a very large audience. The Lecture was delivered under the auspices of the I O G T. William Watson, Esq., occupied the chair. At the close of the Lecture the Dr. was tendered a hearty vote of thanks.

WESTWARD HO! A number of our most enterprising young men leave with the excursion on the 1st of next month for Manitoba, to shape their fortunes in the land of the setting sun. Amongst others are W J, son of Mr Cruickshank, Carriage builder; John Brown, of the firm of Brown Bros, carriage makers; Jas Conroy, Butcher; Robert Wood, Tinmith; Charles Royal, driver; H Nason, Esq, B A, Barrister, &c. Notwithstanding we regret the loss of so many of our active business young men, we wish them success in their new home.

On Friday evening, the 17th inst, the West Toronto Comedy Company gave an entertainment in the Eagle Hall, in aid of the funds of the Brocton and Weston Roman Catholic presbytery, Rev Father Conway Pastor. The large hall was literally packed to the door, many of the late comers being compelled to stand throughout the performance. The vocal and instrumental part of the program was all that could be desired, but the acting, with the exception of the Dumb Bell exhibition, by Mr Fletcher Toronto, was below the average. At the close of the performance, the Rev. Father thanked the audience in a very happy manner, assuring them that neither he nor his people would ever forget their kindness.
