KENDALL'S SPAVIN CURE.

The most successful remedy ever discovered as it is certain in its effects, and does not blister. Read Proof below. Kendall's Spavin Cure. New Hamburg, Ont., Dec. 28th, 1881. Mr. F. H. McCallum, Dear Sir: The bottle of Dr. Kendall's Spavin Cure, bought of you last summer, gave me the utmost satisfaction and performed a wonderful cure upon a mare 10 yrs. old belonging to me, which was badly spavined for ten years. She was so lame that I could hardly get her to move. The lameness is entirely gone after using half a bottle of the cure, and she is like a young horse again. Yours truly, J. E. ROTH FROM THE ONEONTA PRESS, N.Y.

Early last summer Messrs. B. J. Kendall & Co., of Enosburgh Falls, Vt., made a contract with the publishers of the Press for a half column advertisement for one year setting forth the merits of Kendall's Spavin Cure. At the same time we secured from the firm a quantity of books, entitled Dr. Kendall's Treatise on the Horse and its Diseases, which were giving to advance paying subscribers to the Press, as a premium. About the time the first advertisement first appeared in this paper, Mr. P. G. Schormerhorn, who resides near Collier, had a spavined horse. He read the advertisement, and concluded to test the efficacy of the remedy, although his friends laughed at his credulity. He bought a bottle of Kendall's Spavin Cure and commenced using it on the horse according with the directions and he informed us this week that it effected such a complete cure that an expert horseman, who examined the animal recently could find no trace of the spavin or the place where it had been located. Mr. Schormerhorn has since secured a copy of Kendall's Treatise on the Horse and its Diseases which he prizes very highly and would be loath to part with at any price provided he could not obtain another copy. So much for advertising reliable articles.

Kendall's Spavin Cure. ON HUMAN FLESH. Thousands of trials on Human Flesh has proved beyond a doubt that Kendall's Spavin Cure has sufficient strength to penetrate to the virtue to cure the worst cases of rheumatism, corns, bunions, frost bites or any bruise cut or lameness which are not affected in the least by ordinary liniment. It does not blister but on the contrary removes all soreness.

Kendall's Spavin Cure. St. Johns, P. Q., Oct 27th, 1881. Dr. J. B. Kendall & Co., Gentles: I have used your Spavin cure with great success on spavins, curbs and splints. I know it to be a good remedy for ringbones, bone spavins, cuts, galls and all kinds of lameness, and many other difficulties about the horse. One of my men sprained his ankle very badly. I applied Kendall's Spavin Cure and I never saw anything work like it, it was better in a few days. I know it to be good for man as well as beast. I procured one of your Treatises on the Horse, by mail, for 25 cents and I think it was the means of saving me one hundred dollars on one horse that I treated according to the direction given in your book for displaced ho.

Yours truly, WILLIAM J. PEARSON Kendall's Spavin Cure. Send address for illustrated circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast and man. Price \$1. per bottle, or 6 bottles for \$5. All druggists have it or can get it for you, or it will be sent to any address receipt of price by the proprietors, Dr. H. J. KENDALL & CO. Enosburgh Falls, Vt. SOLD BY ALL DRUGGISTS.
