KENDALL'S SPAVIN CURE.

The most successful remedy ever discovered as it is certain in its effects, and does not blister. Read Proof below. Kendall's Spavin Cure. New Hamburg, Ont., Dec. 28th, 1881. Mr. F. H. McCallum, Dear Sir:—The bottle of Dr. Kendall's Spavin Cure, bought of you last summer, gave me the utmost satisfaction and performed a wonderful cure upon a mare 19 yrs. old belonging to me, which was badly spavined for ten years. She was so lame that I could hardly get her to move. The lameness is entirely gone after using half a bottle of the cure, and she is like a young horse again.

Yours truly, J. F. ROTH FROM THE ONEONTA PRESS, N.Y.

Early last summer Messrs. B. J. Kendall & Co., of Enniskillen Falls, N.Y., made a contract with the publishers of the Press for a half column advertisement for one year setting forth the merits of Kendall's Spavin Cure. At the same time we secured from the firm a quantity of books, entitled Dr. Kendall's Treatise on the Horse and its Diseases, which we are giving to advance paying subscribers to the Press, as a premium.

About the time the advertisement first appeared in this paper, Mr. P. G. Schermerhorn, who resides near Collier, had a spavined horse. He read the advertisement, and concluded to test the efficacy of the remedy, although his friends laughed at his credulity. He bought a bottle of Kendall's Spavin Cure and commenced using it on the horse according with the directions and he informed us in his weekly paper that he had cured the horse. He also stated that an expert horseman, who examined the animal recently could find no trace of the spavin or the place where it had been located. Mr. Schermerhorn has since secured a copy of Kendall's Treatise on the Horse and its Diseases which he prizes very highly and would be both to part with at any price provided he could not obtain another copy. So much for advertising rubbish on titles.

Kendall's Spavin Cure. ON HUMAN FLESH.

Thousands of trials on Human Flesh has proved beyond a doubt that Kendall's Spavin Cure has sufficient strength to penetrate the vertebrae in the worst cases of Rheumatism, corns, bunions, frost bites or any bruise cut or lameness which are not affected in the least by ordinary liniment. It does not blister but on the contrary removes all soreness.

Kendall's Spavin Cure.

St. Johns, P. Q., Oct. 7th, 1881. Dr. J. B. Kendall & Co., Gentles:—I have used your Spavin Cure with great success on spavins, corns and bunions. I know it to be a good remedy for the bones, bone spavins, cuts, galls and all kinds of lameness and many other difficulties about the horse. One of my men sprained his ankle very badly. I applied Kendall's Spavin Cure and I never saw anything work like it, it was better in a few days. I know it to be good for man as well as beast. I procured one of your Treatises on the Horse, by mail, for 25 cents and I find it was the means of saving me one hundred dollars on one horse that I treated according to the direction given in your book for displaced hooves.

Yours truly, WILLIAM J. PEARSON

Kendall's Spavin Cure. Send address for illustrated circular which we think gives positive proof of its virtues.
