McCaw, Custom House, Toronto writes:** "My wife was troubled with Dyspepsia and Rheumatism for a long time; she tried many different medicines, but did not get any relief until she used Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. She has taken two bottles of it, and now finds herself in better health than she has been for years.

Through the months of March and April be careful not to use Purgatives containing Calomel or other injurious substances. The proper and safe Purgative is the Great Vegetable Preparation Dr. Carson's Stomach and Constipation Bitters, the purest and best Blood Purifier known. R. E. Law, Agent.

**Generosity Multiplied.**  
Last week we referred to the donation of \$100 to the Methodist Church Building Fund by Mr. W. C. Patterson, on the eve of his departure for Winnipeg. We were not then aware of the fact that on the same day he presented one of the Trustees of the Presbyterian Church with a similar sum. The churches here have reason to gratefully remember W. C. Patterson, Esq.

Mr. Peter Vermett, Hochelaga, P. Q., writes: "Dr. Thomas' Electric Oil cured me of Rheumatism after I had tried many medicines to no purpose. It is a good medicine." Just think of it—you can relieve the twinges of rheumatism, or the most painful attack of neuralgia—you can check a cough, and heal bruised or broken skin, with a bottle of Dr. Thomas' Electric Oil, costing only 25 cents.

**Conservative Meeting.**  
A private Conservative meeting was held in the Masonic Hall, on Friday last. There were a number of speakers present from Toronto. The object of the meeting was to organize a Young Men's Conservative Club. A number of Reformers went, thinking it was a public meeting, but when they got there they were told it was by invitation, so they had to take the walking ticket.

Mr. W. A. Wing, Westport, writes: "I wish to inform you of the wonderful results which followed the use of Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda. A cough of six months' standing had reduced me to such an extent that I was unable to work. I tried many remedies but without effect; at last I used this Emulsion, and before three bottles were used I am glad to say I was restored to perfect health.

**Splendid Volumes.**  
The books sent out from Mrs. Harrison's New Tea Store, are volumes from one dollar to one dollar and fifty cents. Among those which have been received by purchasers of each 3 lbs. of tea are the following: "The Animal World," "Golden Childhood," "Notable Shipwrecks," "Lily Tales," "Old Jonathan's Daisy's Tales," "Gulliver's Travels," "A Miscellany of useful Tales," "Children of the Abbey," "Stepping Heavenward," and Webster's Dictionaries.

**Band Concert.**  
The Band intend holding a Concert in the Masonic Hall, on the evening of Tuesday, 14th inst. A good program has been prepared and the best of talent has been secured for the occasion. The proceeds are to be applied towards buying some new instruments and music which is very badly needed. We should like to see a good turnout to this concert, and we may safely say that those who take this opportunity of hearing a grand treat will not regret it.

**Rev. Mr. Crosby's Lecture.**  
The Rev. Mr. Crosby will lecture at Patterson next Tuesday evening, the 11th of April, at 8 p. m. Mr. Crosby is one of the most successful Missionaries that ever laboured among the Indians. The object of the lecture is to raise funds for the sustenance of an Industrial Home which Mrs. Crosby has opened at Fort Simpson and which up to the present has been sustained by the contributions of a few friends. The work of the Home is to care for orphan Indian girls, clothe, feed and educate them in industry and love of the truth and thus save them from a life of vice more to be dreaded than a life of slavery. Those who heard Mr. Crosby when he was at Patterson before, will be glad to hear him again and help in the good work; and we urge any one who has not heard him not to miss this, perhaps their last opportunity. There will be a small entrance fee of 20 cts for adults, and 10 cts for children.

**Ho or to whom honor is due.**  
The Literary and Scientific Society in connection with the University College, Toronto, has decided to offer a prize annually for the best essay on any subject, competition opened to all graduates. The essays are handed in to a committee, who report at the annual elections, which were held on Friday night of last week. The subject is optional, and there were a large number of competitors. When the announcement was made on Friday night that Mr. Wm. McBride, M. A., our popular High School Head Master, was the successful candidate, the hearty applause that followed showed the entire satisfaction of the members of the society. The subject which Mr. McBride selected was "Vergil" on which he wrote over seventy pages. Among the many congratulations which are tendered Mr. McBride on his success, and the honor of having not only obtained the first prize for the Essay, but the first the Society has offered, we would offer those of THE LIBERAL.

**PERSONALS.**  
We regret to hear that Mr. Wm. Durham, formerly an employee of this office, is at home sick.

still doing a profitable business under the name of the Greenholm Mills. About twenty years ago the saw mill above mentioned was rebuilt and has since continued in running order. On a small stream which enters the Humber at lot 2, the 7th con. Vaughan. Mr. Jacob McKay built a saw mill in the year 1855, every vestige of which has now disappeared. The T. G. & B. Railway crosses the stream a little below the site of the mill. In 1841 Mr. James Brown erected a saw mill on the next lot above. This mill with the farm soon became the property of his son-in-law Mr. James Hardie. Some years later the mill was repaired, and was finally used as a stable. In 1825 Mr. John Brownson of Mr. James Brown built a saw mill near the present site of Wallace's flour mill, but there not being sufficient water power the mill was moved lower down. In 1848 this was abandoned and a new mill built still further down stream. This is in running order, and is now owned by Wallace Bro. of Woodbridge.

### Scarboro.

(From Our Own Correspondent.)

### Leslieville.

(From Our Own Correspondent.)  
An entertainment was given, on Monday evening, in the Methodist Church here, by the choir of Dundas St Methodist church, Toronto. The church was crowded so that only standing room was available. The programme consisted of singing, readings, and recitations, which were well rendered and highly applauded. The proceeds are to be applied towards defraying a small debt remaining on the church.

Mr. Callender has leased his hotel to Mr. Samuel Cruthers for a yearly rental of \$400.

### Parkdale.

Several blue birds appeared in the village on Saturday.

One of the ancient order of Foresters is being organized in Parkdale. A meeting in connection with the matter will be held next week.

At a magistrates' court, presided over by Mr. J. M. Wingfield, J. P., on Thursday Jane Smith was sent to gaol for ten days for vagrancy, and John Cacy also got ten days for being drunk and disorderly. On Saturday night a case of wages was heard, W. Wyley being the plaintiff and W. Wescott the defendant. Decision was given in favour of the former.

The lake is pretty high at present and the water comes up to the engine-house. If the site further east which was spoken of had been selected the engine-house would now be in the water.

### Carville.

(From our own Correspondent.)  
We had a Musical and Literary entertainment in the School house, on March the 23, which far surpassed anything of the kind ever held in our Neighborhood before. Considering the extremely muddy roads, it was a decided success. The proceeds to go to replenish the school Library.

The Ladies' Aid social, which was held at Mr. Thomas Cooks last Wednesday night, was well patronized. The Teston Brass Band came to enliven the evening with their excellent music. Considering that it was a rainy night, and the roads almost impassible, we had quite a nice turnout.

Quite a sensation was caused on Sunday night by the finding of the body of a man in Mr. Cooks bush. It is estimated that some young people were out for a walk and found the man's body in a pool of water. It was in an advanced decomposition. It is the prevailing opinion that he committed suicide. The water was only twenty two inches deep the body must have been there two or three months.

### Riverside.

Gibb, Deputy Reeve York Township, and other prominent gentlemen being present. Mr. G. W. Badgerow, M. P. P. was unavoidably absent, having to attend another meeting in the Riding. A strong sub-committee was struck for the purpose of canvassing the district in the interest of Hon. A. Mackenzie, and the feeling of the meeting was very confident that a large majority of the division would be assured in favour of the candidate. Mr. Peter Macdonald made a stirring speech in favour of the Liberal candidate, and denounced the attitude of the Dominion Government in regard to the Boundary Award.

A meeting of the members of Crystal Lodge A. O. U. W. was held last evening at the Masonic Hall. A large attendance was present and considerable business was transacted. The members of the lodge decided to hold a grand concert shortly, the proceeds to be devoted to a charitable object.

In our last correspondence we mentioned the prevalence of measles, unfortunately it has been followed by a malignant form of Diphtheria, already there have been two fatal cases in one house. Charles and Ethel, son and daughter of Mr. Charles Graham. A third child is low with the disease but the doctors express hopes of her recovery.
