GOLD! GOLD! GOLD! GOLD!
Bright and yellow, hard and cold;
Molten, Graven, Hammer'd and Roll'd;
Heavy to get and light to hold.
Hoarded, bartered, bought and sold;
Stolen borrowed, squandered and doled;
Spurned by the young and hugged by the old,
To the verge of the Church yard mould;
Price of many a crime untold.

If you want to have gold you must
Spend your money to the very best
Advantage—do business with cash men;
And where only one price is asked and taken.
Our prices are always right—
But just now we are offering special
Inducements—our winter suits
And coats are marked down to
Such a price they sell at sight.

KENDALL'S SPAVIN CURE.

The most successful remedy ever discovered as it is certain in its effects, and does not blister. Read Proof below.
Kendall's Spavin Cure.
New Hamburg, Ont., Dec. 28th, 1881.
Mr. F. H. McCallum, Dear Sir:—The bottle of Dr. Kendall's Spavin cure, bought of you last summer, gave me the utmost satisfaction and performed a wonderful cure upon a mare 19 yrs. old belonging to me, which was badly spavined for ten years. She was so lame that I could hardly get her to move. The lameness is entirely gone after using half a bottle of the cure, and she is like a young horse again.
Yours truly, J. F. ROTH.
FROM THE ONEONTA PRESS, N.Y.
Oneonta, New York, Jan. 6th, 1881.
Early last summer Messrs. B. J. Kendall & Co., of Enosburgh Falls, Vt., made a contract with the publishers of the Press for a half column advertisement for one year setting forth the merits of Kendall's Spavin Cure. At the same time we received from them a quantity of books, entitled Dr. Kendall's treatise on the Horse and its Diseases, which we are giving to advance paying subscribers to the Press, as a premium.
About the time the advertisement first appeared in this paper, Mr. P. G. Schermerhorn, who resides near Collier, had a spavined horse. He read the advertisement, and concluded to test the efficacy of the remedy, although his friends laughed at his credulity. He bought a bottle of Kendall's Spavin Cure and commenced using it on the horse according with the directions and he informed us this week that it effected such a complete cure that an expert horseman, who examined the animal recently could find no trace of the spavin on the place where it had been located. Mr. Schermerhorn has since secured a copy of Kendall's Treatise on the Horse and its Diseases which he prizes very highly and would be loth to part with at any price provided he could not obtain another copy. So much for advertising reliable articles.

Kendall's Spavin Cure.
ON HUMAN FLESH.
Thousands of trials on Human Flesh has proved beyond a doubt that Kendall's Spavin Cure has sufficient strength to penetrate the virtue to cure the worst cases of Rheumatism, corns, bunions, frost bites or any bruise, cut or lameness which are not affected in the least by ordinary liniment. It does not blister but on the contrary removes all soreness.
Kendall's Spavin Cure.
St. Johns, P. Q., Oct. 27th, 1881.
Dr. J. B. Kendall & Co., Gents:—I have used your Spavin cure with great success on spavins, curbs and splints. I know it to be a good remedy for ringbones, bone spavins, cuts, galls and all kinds of lameness and many other difficulties about the horse. One of my men spavined his uncle very badly. I applied Kendall's Spavin Cure and I never saw anything work like it, it was better in a few days. I know it to be good for man as well as beast. I procured one of your Treatises on the Horse, by mail, for 25 cents and I think it was the means of saving me one hundred dollars on one horse that I treated according to the direction given in your book for displaced fl.

Yours truly, WILLIAM J. PEARSON

POST MORTEM EXAMINATIONS have in some instances, led to the discovery of the scars of completely healed abscesses of sores upon the lung. This of itself shows that the lung tissue when diseased is susceptible of restoration to a sound and healthy condition. Persons afflicted with lung disease may reasonably hope to recover health by the use of wellknown remedies. Foremost among these is Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda, a thoroughly tested and highly accredited specific for coughs, colds, asthma, bronchitis, spitting of blood and other affections of the throat, chest and lungs. Pulmonary irritation is promptly arrested by the Cod Liver Oil, and the hypophosphites, which are among the finest renovants used by physicians, revive the flagging energies of the debilitated system.
