

COOL CLOTHING contributes comfort

Popular Prices Prove Persuading.

FACTS FOR FRUGAL FOLKS.

1. We exhibit a larger and finer assortment of Summer Clothing for Men, Boys and Children than can be found elsewhere in the city, our stock being fresh and new, and cut in latest style.
2. While guaranteeing at all times to give **BETTER VALUE FOR MONEY EXPENDED** than can be obtained at any other clothing house, we are just now offering special inducements in the way of **MARK-DOWN PRICES** in every Department--25 per cent. reduction from our already Low figures.

WHY THIS MARK DOWN?

Simply because we prefer to take advantage of the prevailing warm weather for disposing of all our summer goods. Some houses content themselves with sticking to regular rates all through the season, and carrying over whatever surplus they may have, to another year. They count that a twelve months hence this surplus will show up as new stock! No year-old, shelf-worn, or old style goods will be found with us.

The policy we have outlined and adopted calls for a general clearing out of goods as the seasons advance, irrespective of sacrifice or loss, so that succeeding seasons may find us exhibiting nothing but new fabrics and new designs. We are not seeking to-day to clear out broken lots or odds and ends of stock. We have none such. We had a few months ago, but they rapidly disappeared under the MARK-DOWN then applied. The goods we are now exhibiting are regular in sizes, full as to assortment, and complete in the matter of design and color of fabric.

Cotton Goods, Linen Goops, Pongees, Mohairs, and the Lightest fabrics in Cloth await your inspection. We do not keep them on ice, nor in refrigerators, yet they are cool to look at, and cooler still to wear.

KENDALL'S SPAVIN CURE
The most successful remedy ever discovered as it is certain in its effects, and does not blister. Read Proof below.

Kendall's Spavin Cure.
HAMILTON, Mo., June 14th, 1881.
R. J. Kendall & Co., Genl. - This is to certify that I have used Kendall's Spavin Cure and have found it to be all it is recommended to be and in fact more so; I have removed by using the above, Callous Bone Spavins, Kin-bones, Splints and can cheerfully testify and recommend it to be the best thing for any bony substance I have ever used and I have tried many as I have made that my study for years.

Respectfully yours, P. V. CRIT.
FROM THE ONEONTA PRESS, N. Y.
Oneonta, New York, Jan. 6th, 1881.
Early last summer Messrs. B. J. Kendall & Co., of Enosburgh Falls, N. Y., made a contract with the publishers of the Press for a half-column advertisement for one year setting forth the merits of Kendall's Spavin Cure. At the same time we secured from the firm a quantity of books, entitled Dr. Kendall's Treatise on the Horse and its Diseases, which were given to advance paying subscribers to the Press, as a premium.

About the time the advertisement first appeared in this paper, Mr. P. G. Schermerhorn, who resides near Collier, had a spavined horse. He read the advertisement, and concluded to test the efficacy of the remedy, although his friends laughed at his credulity. He bought a bottle of Kendall's Spavin Cure and commenced using it on the horse according with the directions and he informed us this week that it effected such a complete cure that an expert horseman, who examined the animal recently could find no trace of the spavin or the place where it had been located. Mr. Schermerhorn has since secured a copy of Kendall's Treatise on the Horse and its Diseases which he prizes very highly and would be loth to part with at any price provided he could not obtain another copy. So much for advertising reliable articles.

Kendall's Spavin Cure.
ON HUMAN FLESH.
Patten's Mills, N. Y., Feb. 21st, 1878.
B. J. Kendall & Co., Genl. - The particular case on which I used your Kendall's Spavin Cure was a malignant ankle sprain of sixteen months standing. I had tried many things but in vain. Your spavin cure put the foot to the ground, and for the first time since hurt in a natural position. For a family liniment it excels anything we ever used.

Yours truly,
REV. M. P. BELL,
Pastor of M. E. Church, Patten's Mills, N. Y.
Kendall's Spavin Cure.
Is sure in its effects, mild in actions as it does not blister, yet it is penetrating and powerful to reach every deep seated pain or to remove any bony growth or other enlargements, such as spavins, splints, curbs, ringbones, callous, swellings and any lameness and all enlargements of the joints or limbs, or for rheumatism in man or for any purpose for which a liniment for man ever used, acting mild and yet certain in its effects.

Send address for illustrated circular which we think gives positive proof of its virtues. No remedy has ever met with such unequalled success to our knowledge, for horse and man.

A PROFOUND SOURCE OF DISEASE.—A trifling indisposition in diet may lay the foundation of confirmed dyspepsia, and there is no fact in medical science more positively ascertained or more authoritatively asserted than that dyspepsia is the parent of a host of bodily ills, not the least of which is contamination of the blood and the maladies of which that is the direct consequence. Their original cause is, however, thoroughly eradicated from the system by NORTHROP & LYMAN'S VEGETABLE DISCOVERY AND DYSPEPTIC CURE, a medicine which only requires regularity and persistence in its use to cure dyspepsia and the many ills that arise from it. No deleterious mineral ingredient is contained in, and though its action is thorough in cases of costiveness, it never produces griping pains in the abdominal region, or weakens the bowels like a violent purgative. It invigorates the system through the medium of the increased digestive and assimilative activity which it promotes, and is also a most efficient remedy for kidney complaints, scrofulous and all diseases of the blood, female weakness, &c. &c. Price, \$1.00. Sample Bottle, 10 cents. Ask for NORTHROP & LYMAN'S Vegetable Discovery and Dyspeptic Cure. The wrapper bears a fac-simile of their signature. Sold by all medicine dealers.

EMACIATED, HAGGARD VICTIMS of a cough recover health, spirit and flesh, if they are but sensible enough to adopt a remedy which the popular voice backed by the professional opinion, pronounces reliable. Tranquility to inflamed and harassed lungs, vigor to depleted and emaciated frames, quietude and strength to unrestful and debilitated nervous system, are among the physical benefits conferred by that supreme pulmonary invigorant Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda, a chemical combination of the finest lung specific known to the pharmacopoeia with tonics and blood depurants of the first order. Phosphorus, lime and soda co-operate with and render the Cod Liver Oil of this preparation trebly effective. Sold by all druggists, prepared only by NORTHROP & LYMAN, Toronto.

Mr Wm Harrison, of South Newark, says: For sixteen years I suffered from Biliousness, never had any medicine to do any permanent good until recommended by our druggists, G. Wesley Fish & Co. (Ottaville), to try Dr Carson's Stomach and Constipation Bitters, which have done me more good than any medicine I have ever taken. I would, with the utmost confidence, recommend them to all suffering from Biliousness, &c. Sold by all Druggists at 50 cts. a bottle.
