KENDALL'S SPAVIN CURE

The most successful remedy ever discovered as it is certain in its effects, and does not blister. Read Proof below.

Kendall's Spavin Cure.

HAMILTON, Mo., June 14th, 1891.
B. J. Kendall & Co., Gents.—This is to certify that I have used Kendall's Spavin Cure and have found it to be all it is recommended to be and in fact more so; I have removed by using the above, Callous, Bone Spavins, Ring-bones, Splints and can cheerfully testify and recommend it to be the best thing for any bone substance I have ever used and I have tried many as I have made that my study for years.

Respectfully yours, P. V. CHIEF.

FROM THE ONEONTA PRESS, N. Y.

Oneonta, New York, Jan. 6th, 1891.
Early last summer Messrs. B. J. Kendall & Co., of Enosburgh Falls, Vt., made a contract with the publishers of the Press for a half column advertisement for one year setting forth the merits of Kendall's Spavin Cure. At the same time we secured from the firm a quantity of books, entitled Dr. Kendall's treatise on the Horse and its Diseases, which we are giving to advance paying subscribers to the Press, as a premium.

About the time the advertisement first appeared in this paper, Mr. P. G. Schermerhorn, who resides near Collier, had a spavined horse. He read the advertisement, and concluded to test the efficacy of the remedy, although his friends laughed at his credulity. He bought a bottle of Kendall's spavin Cure and commenced using it on the horse according with the directions and he informed us this week that it effected such a complete cure that an expert horseman, who examined the animal recently could find no trace of the spavin or the place where it had been located. Mr. Schermerhorn has since secured a copy of Kendall's Treatise on the Horse and its Diseases which he prizes very highly and would be loath to part with at any price provided he could not obtain another copy. So much for advertising reliable articles.

Kendall's Spavin Cure.

ON HUMAN FLESH.

Patten's Mills, N. Y., Feb. 21st, 1878.
B. J. Kendall & Co., Gents.—The particular case on which I used your Kendall's Spavin Cure was a malignant ankle sprain of six or eight months standing. I had tried many things but in vain. Your spavin cure put the foot to the ground, and for the first time since hurt in a natural position. For a family liniment it excels anything we ever used.

Yours truly,
Rev. M. P. BELL,

Pastor of M. E. Church, Patten's Mills, N. Y.

Kendall's Spavin Cure.

Is sure in its effects, mild in actions as it does not blister, yet it is penetrating and powerful to reach every deep seated pain or to remove any bony growth or other enlargements, such as spavins, splints, curbs, ringbones, callous, swellings and any lameness and all blemishes of the joints or limbs, or for rheumatism in man or for any purpose for which a liniment for man ever used, acting mild and yet certain in its effects.

Send address for illustrated circular which we think gives positive proof of its value. No remedy has ever met with such unqualified success to our knowledge, for beast and man.

YELLOW AS A GUINEA.—The complexion in a case of unchecked liver complaint, culminating in jaundice, is literally "as yellow as a guinea." It has this appearance because the bile, which enables the bowels to act, is directed from its proper course into the blood. In connection with this symptom there is nausea, coating of the tongue, sick headache, impurity of the breath, pains through the right side and shoulder blade, dyspepsia and constipation. These and other concomitants of liver complaint are completely removed by the use of **NORTHROP & LYMAN'S VEGETABLE DISCOVERY AND DYSPEPTIC CURE**, which is also an eradicator of scrofula, erysipelas, salt rheum, ulcers, cancers, humours, female weakness, jaundice, and lumbago. It tones stomach, rouses the liver, and after relieving them, causes the bowels thereafter to become regular. High professional sanction has been accorded to it; and its claims to public confidence are justified by ample evidence. Price, \$1.00. Sample Bottle, 10 cents. Ask for **NORTHROP & LYMAN'S Vegetable Discovery and Dyspeptic Cure**. The wrapper bears a *fac-simile* of their signature. Sold by all medicine dealers.

Mr. Wm. Ransom, of South Norwick, says: For sixteen years I suffered from Biliousness, never had any medicine to do any permanent good until recommended by our druggists, (J. Wesley Fish & Co., Otterville,) to try Dr. Carson's Stomach and Constipation Bitters, which have done me more good than any medicine I have ever taken. I would, with the utmost confidence, recommend them to all suffering from Biliousness, &c. Sold by all Druggists at 50 cts. a bottle.

THE PROGRESS OF A COUGH.—The following may be indicated as the progress of a cough in the absence of an efficient check of the lung-destroying malady: First, a cold is contracted, the throat becomes inflamed and the irritation causes a spasmodic contraction and dilation of the lungs, accompanied with a dull or rattling sound in the throat. This daily increases in violence, and as it does, aggravates the bronchial irritation until the lungs become seriously affected. Then abscesses or incipient sores form upon their tissue, which rapidly develop into the fatal tubercles of consumption which eat into and destroy the lungs. Who would knowingly incur such peril as this? The surest means of averting it is **Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda** a pulmonary which at the same time the progress of throat and lung irritation, and gives strength to those debilitated by a cough. Sold by all druggists.
