At the Provincial Exhibition held at Kingston Patterson & Bro., of Patterson, took prizes for gang plow, straw cutter and for best collection of implements.  
North York Show.  
The North York and Whitechurch Agricultural Fair, held in Newmarket on Tuesday and Wednesday, was an unprecedented success, both as to exhibits and attendance.  
Woodbridge Fair.  
The above fair will be held on Tuesday and Wednesday, Oct. 24th and 25th. Over \$3,000 is offered in prizes. On the first day there will be a grand Lacrosse match and speeding in the ring.  
Teachers' Association.  
The regular half-yearly meeting of the North York Teachers' Association will be held in the Newmarket Model School, on Friday and Saturday, Oct. 13th and 14th, commencing at 10 a. m. on Friday.  
H. Gladden, West Shefford, P. Q., writes: For a number of years I have been afflicted with rheumatism. Two years ago I was attacked very severely. I suffered a great deal of pain, from which I was not free for a day, until last spring when I began to use Dr. Thomas' Electric Oil, and I rejoice to say it has cured me, for which I am thankful.

The word *hydra* may be used to represent any manifold evil. If you would battle successfully with this many-headed monster of disease you will find it expedient to keep Mrs. Pinkham's Vegetable Compound always on hand.—Dr. Banning

**M. I. Re-union.**  
The Re-union in connection with the Mechanics' Institute, which it was proposed to hold on Tuesday evening last, Oct. 3rd, has been postponed until Oct. 24th, when the committee expect to have a good programme prepared.

**The Comet.**  
A beautiful comet can now be seen in the south eastern sky from about 4:30 to 5:30 in the morning. The tail is nine degrees, or about eighteen diameters of the moon. It is said to be unusually near the sun. It fades away in the brightness of the rising sun.

Messrs. Mitchell & Platt, druggists, London Ont., write Dec., 1881: We have sold Dr. Thomas' Electric Oil since its first introduction, and we can safely say, no medicine on our shelves has had a larger sale or gives better satisfaction. We always feel safe in recommending it to our customers.

**Fruit Festival.**  
The members of No. 1000 Division, S. of F. Weston, will hold a Fruit Festival this evening. After the Festival a grand Entertainment consisting of speeches, songs and instrumental music will be given. Teston brass and string bands will be on hand. Doors open at 6 p. m. Tickets 20 cents, children 10 cents.

**Serenaded.**  
The band serenaded Dr. James Langstaff and his bride on Tuesday night, they having just returned from their wedding trip. The Dr. being a very bashful man, as every body knows, did not put in an appearance, but did the honorable thing by sending out a bran n-w \$3 bill, which was thankfully accepted by the band.

Consumption is a disease contracted by a neglected cold—how necessary then that we should at once get the best cure for Coughs, Colds, Laryngitis and all diseases of the Lungs and Throat—one of the most popular medicines for these complaints is Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda. Mr. F. J. Smith, Druggist, Dunnville, writes: "It gives general satisfaction and sells splendidly."

**Grand Excursion.**  
The Elia brass band will give a grand excursion to Barrie and return, by the Northern Railway, on Saturday, Oct. 7th. Return tickets will be issued from Parkdale and all stations north to King. Fare for the round trip \$1, children 50 cents. The excursion will arrive in Barrie at 11:10 a. m., and then proceed to a beautiful grove where games and amusements will be held. A Quadrille band will enliven the proceedings.

Miss Mary Campbell, Elm, writes: "After taking four bottles of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, I feel as if I were a new person. I had been troubled with Dyspepsia for a number of years, and tried many remedies but of no avail, until I used this celebrated Dyspeptic Cure." For all impurities of the Blood, Sick Headache, Liver and Kidney Complaints, Costiveness, &c., it is the best medicine known.

**Migratory Photographer.**  
One of the travelling fraternity of artists put in an appearance in Richmond Hill on Friday last, and took the photo of the high school building with the teachers and pupils arrayed in front. He also took some of the boys who paid him for the pictures, saying another man would be along to-morrow to finish the pictures. To-morrow has never come and probably never will. The man that was to finish the pictures, likewise. Moral: Always pay for a thing when you get it.

**Successful Anniversary.**  
The Anniversary services held last Sunday and Monday in connection with the Methodist Church were very successful. On Sunday Rev. Wm. Briggs discoursed two most eloquent and impressive sermons. On Monday tea was served in the lecture room of the church, the excellent qualities of which were best known to those who partook and reflect great credit on the ladies. A lecture on "The Marriage Question," was delivered in the church by Rev. Dr. Hunter, which was highly appreciated. The attendance throughout was large. Net proceeds \$98.

**A \$20.00 Bible Reward.**  
The publishers of *Rutledge's Monthly* offer ten valuable rewards in their *Monthly* for October, among which is the following: We will give \$20.00 in gold to the person telling us which verse in the Old Testament Scriptures contains the greatest number of words by October 10th, 1882. Should two or more correct answers be received, the reward will be divided. The money will be forwarded to the winner October 15th, 1882. Persons trying for the reward must send 20 cents in silver (no postage stamps taken) with their answer, for which they will receive the November *Monthly*, in which the name and address of the winner of the reward will be published. This may be worth \$20.00 to you; cut it out. Address Rutledge Publishing Company, Easton, Penna.

**Richmond Hill Council.**  
The above council met on the 26th Sept. pursuant to adjournment. The Reeve in the chair. Councillors present, Messrs. Pugsley and Sanderson.  
The minutes of the 20th, 23rd and 25th Sept., read and approved.  
Mr. Pugsley introduced By-Law No. 91 to authorize the levying and collecting of Assessments for County Village, High School, Public School, &c., for the current year, which was read a first and second time.  
The Council went into a committee of the whole thereon, Mr. Sanderson in the chair.  
The committee rose and reported the By-Law with the blanks filled.  
The Reeve in the chair. The report received and the By-Law was read a third time and passed.  
The committee appointed on the 20th Sept., to inspect certain premises, reported that they duly inspected the premises referred to and found nothing objectionable thereon.  
The Council adjourned to meet in the Council Chambers on Tuesday evening, 31st Oct.  
M. TEEFY, Clerk.

### PERSONALS.

Drs. Wilson and Goulter were in town this week.  
H. Quetton St. George was in town on Wednesday.  
Rev. J. E. Howell, M. A., of Aurora, returned from Europe last week.  
Mr. Alf. Proctor, who has spent the summer in the North-West, is in town now. He likes the prairie province very well.

**ALTAR.**  
BRAITHWAITE—DEVILIN—At Hamilton, on Sept. 27th, by the Rev. A. Lansford, Methodist minister, George J. Braithwaite, of Unionville, to Mary, third daughter of Hugh Devlin, Esq., of Grimsby.

### COUNTY LOCALS.

—Gibney's foundry in Stouffville was burned last week.  
—Chicken thieves are at work in the neighborhood of Yorkville.  
—Mr. Wm. Mulock, M. P., contributed \$25 toward the Aurora Show.  
—The new Baptist Church in Aurora will be dedicated Sunday next.  
—Charles Winters of Yorkville was fined \$1 and cost for pulling a friend's nose.  
—Aurora Methodist Church is to have a Harvest Home and Bazaar on the 11th inst.  
—The new Town Hall for York Township, now being built at Eglinton, will cost \$4 500.  
—A Cinnamon bear has been presented to the Zoo by His Honor Judge Jones, of Brantford.  
—The Annual Convention of the North York Sunday School Association will be held in Aurora on the 19 and 20 inst.  
—A young man named Brown had his leg sawed off at the thigh in Mutton & Co's., saw mill at Todmorden on Saturday.  
—Mr. E. Holden, near Stouffville, shot a white crow a few weeks ago. It will be stuffed and on exhibition at Markham Fair. He has refused a high figure for it.

**Not Drowned.**  
—It has been reported that the wife and four children of Mr. James Morley of Whitchurch, were drowned in the "Asia," while on their way to Winnipeg to join their husband and father, who went to Manitoba last spring. Mrs. Morley and her children were not on the "Asia," owing to the boat not touching at the point where they were to embark. Mrs. Morley's parents reside on Lot No. 3, 4th Con. Whitchurch. Mr. Morley's brother Benjamin was a victim of the disaster.

**Norway.**  
(From Our Own Correspondent)  
—A few evenings ago a lad, about 16 years of age, named Beatty, threw an egg at a young man named Stiles, who was standing near him, and struck him on the shoulder. Stiles thereupon undertook to chastise Beatty, when the latter immediately drew a knife from his pocket and raised it to strike Stiles, but was fortunately prevented from doing so by another party who took the knife from him. Nothing further was done in the matter, but it will be well for Beatty, who is a very bad boy, to be more cautious in future.

**Nobleton.**  
(From our own Correspondent.)  
—A child of Mr. S. Wellar died on Saturday last from the effects of some fly poison drunk a day or two previous. Dr. Stevenson was called in, but was too late, as the child was past recovery. Mothers should be careful and place such things out of the reach of children.  
—An effort is being made to secure an extension of the telegraph line from Kleinburg to this village. A subscription list has been placed before the people. The sum required (\$100) is being rapidly subscribed. We hope soon to see it an accomplished fact.  
—One of our butchers met more than his match this week in the shape of a fat beast. Evidently it was not accustomed to village life and positively refused to "move on." The result was that it had to be killed on the street and the body carted to the slaughter house.  
—Mr. Nelson Wellar showed us some very large potatoes a few days ago, one of them weighing thirty one ounces. Rather hard to beat.—Next?

**A Big Fraud.**  
—Some agricultural societies try to make a big spread by publishing an enormous sum as being the correct amount of prizes offered. North York Exhibition posters announce over \$1,500 in prizes, and the actual amount, which may be seen by adding up the prize list, is \$1,565. King Township Society, which holds its show at Schouberg this year, advertises the same amount of prizes while the Prize List only shows \$643.25. The Bradford Society, which make no pretensions in this direction, offer nearly \$150 more than King Society, their List showing \$791.75. The Agricultural Society which holds its show at Beeton, Cardwell Co., advertises \$2,600 in prizes and we have every reason to believe that there is not \$1,000 actually offered. The Markham Society advertises \$4,500 in prizes, but on running up their Prize List we find that the sum total of premiums to be given is \$2,786.30, or not quite two thirds of the amount advertised on large posters. We have just received the Prize List of South Simcoe and Essa branch Ag. Societies, and to our astonishment we find no lesser amount than \$3,000 standing boldly out on the cover of said pamphlet to be donated in prizes, but on adding it up we find that it falls short over one half—there only being \$1,269.50. There must be a screw loose somewhere.—Newmarket Era.
