

A Princess' Domestic Life.

Princess Louise started in married life, says the London *Truth*, with the determination to be thieral, on their own ground, of plutocrats' wives. There was to be comfort as well as elegance in her establishment, it no ostentation. At Rideau Hall, her Canadian official abode, she affects more state. Once a week, when the legislature is in session, she gives a formal banquet. A day or two after there is an informal dinner, which Canadians term the "scrap feast." To be asked to it is thought a marked favor. A piper dressed in Campbell plaid is in attendance, and performs at dessert on his noisy instrument. On Sundays English visitors to Ottawa are asked in quite an unceremonious way to partake of a family dinner, which is snug and well served, and enlivened by the cheery humor and rattle of Lady Sophia McNamara, who is more reserved when Canadians are present. The Marquis sticks to the kirk. It was a disadvantage to him to arrive at Ottawa immediately after Lord Dufferin had gone away. His predecessor was geniality itself. The Marquis is highly cultivated, but the product of a poor soil. He is at once too much and too little of the prince consort.

An Age of Suspicion.

Truly, this is an age of suspicion. Nevertheless, Capt. F. M. Howes of the steamer William Crane, Merchants' & Miners' Transportation Line between Boston and Baltimore, who suffered severely from rheumatism, caused by the exposure incident to his profession, was cured by St. Jacobs Oil. This is no suspicion.—*Boston Globe*.

Prof. E. D. Archibald advocates the use of kites for meteorological observation. They can, as he shows, be not mere toys but philosophical instruments—capable of ascending to great heights, remaining steady in currents of varying velocity, and being manipulated by the observer with ease and rapidity.

SCROFULOUS HUMORS.—The VEGETINE has cured many cases of Scrofula of five, ten, and twenty years' standing, where the patient has had many physicians, tried many of the known remedies; and, after trying the VEGETINE, the common remark is, "It acts differently, works differently, from any medicine I have ever taken." VEGETINE will cleanse scrofula from the system. Try it.

Though not much of a conversationalist, a mute might get along very nicely in a spoke factory.

The Source of Much Ill Temper.

When your husband comes home in bad humor, jerks off his boots, and appears to be generally miserable, do not attribute it to business cares or hard times, but to its real cause—those terrible corns which are constantly annoying him. Avoid to the wise will be sufficient—buy a bottle of PUTNAM'S PAINLESS CORN EXTRACTOR. His corns will be quickly and painlessly removed, and his gratitude will be unbounded. Putnam's Painless Corn Extractor sold everywhere.

The earliest money struck in Ireland was in the latter part of the tenth century, in the reign of the Hiberno-Danish Sitric III., King of Dublin, a contemporary of Æthelred, sole monarch of Saxon England, whose coins were imitated by the Dublin King.

No poisonous drugs enter into the composition of Carboline, a deodorized extract of petroleum, the natural hair restorer and dressing as now improved and perfected. It is the perfection of the chemist's art, and will, beyond a peradventure restore the hair on bald heads.

Flour is selling at Calgary at \$17.50 per 100 pounds.

Notice.

Each bottle of BRIGGS' ELECTRIC OIL will hereafter be accompanied by a corkscrew, as it is important that the cork should be preserved and the bottle well corked when not in use to retain the strength of the medicine. It cures Rheumatism, Neuralgia, Liver and Kidney complaints of the Urinary Organs; cures complaints arising from colds, such as Sore Throat, Bronchitis, Diphtheria, Cough, Asthma, and Difficult Breathing.

The owl has become an ornament to society, and the vulture may bid his time.

Keep it in your family. The best remedy for a cident and emergencies, for Burns, Scalds, Bruises, Soreness, Sore Throat, Croup, Rheumatism, Chills, and Pain or Soreness of all kinds, is that marvellous healing remedy, Haggard's Yellow Oil. 19.

A cable dispatch that "a mine was discovered in a street in Moscow, Russia," was headed by an innocent journalist head-writer as "A bonanza in Moscow."

A Cure for Croup. There is no better remedy for Croup than Haggard's Yellow Oil taken internally and applied according to the special directions, this is the great household panacea for Rheumatism, Stiff Joints, Pain Inflammation &c. 23.

"You see, my child, this turtle—one of the wonders of creation—he furnishes the best combs that are made, and yet he cannot use one, as he hasn't a single hair to comb."

Mother Shipton's prophecy is supposed to be about four hundred years old, and every prophecy has been fulfilled except the last—the end of the world in 1881. Buy your Carboline, a deodorized extract of petroleum, the great natural hair restorer, before the world comes to an end.

Said a miserable little Cincinnati boy who had just received a scolding from his father: "Ma, I wish I'd never been born." "Why, Charley?" "Well, I think I'd been a better boy."

Daughters, Wives, Mothers, look to your health! The many painful and weakening diseases from which you suffer, despairing of a cure, can be remedied by that unfailing regulator and purifying tonic, Burdock Blood Bitters. Ask your druggist for proof. 20.

A boy lately attempted to tie a knot in a boy's tail. He was a good boy, but he has gone to meet his grandmother.

A Sure Thing.

In the treatment of Chronic disease with that great system renovator and restorative, Burdock Blood Bitters, there is no uncertainty as to its action, its curative powers are speedily manifest by its marked effect upon the Liver, the Bowels and the Kidneys. Every dose performing its work in a perceptible manner. 24.

If bilious, or suffering from impurity of blood, or weak lungs and fear consumption (scrofulous disease of the lungs), take Dr. Pierce's "Golden Medical Discovery" and it will cure you. By Druggists.

It is a wise bank cashier who takes no vacation.

Favoritism

is a bad thing, but Dr. Pierce's "Favorite Prescription" deserves its name. It is a certain cure for those painful maladies and weaknesses which embitter the lives of so many women. Of druggists.

When a Russian is too lazy to scratch for a living he has himself arrested for a Nihilist.

Being entirely vegetable, no particular care is required while using Dr. Pierce's "Pleasant Purgative Pellets." They operate without disturbance to the constitution, diet, or occupation. For sick headache, constipation, impure blood, dizziness, sour eructations from the stomach, bad taste in mouth, bilious attacks, pain in region of kidney, internal fever, bloated feeling about stomach, rush of blood to head, take Dr. Pierce's "pellets." By druggists.

Mince-pie season is here, and those who can afford it will row dream of elephants with four trunks and mules with illuminated heads.

Robert A. Wilson, Dispensing Chemist, Brockville, says, under date of June 5th, '82, "I have not the slightest hesitation in saying that Dr. Fowler's Extract of Wild Strawberry has given my customers more satisfaction than any medicine in my store for the cure of Summer Complaints, Diarrhoea, Dysentery, Pain in the Stomach Sea Sickness, Piles, etc. You can use my name, etc."

The Captain-General of the Philippines reports that, after a severe hurricane, the cholera, which was of a bad type, nearly disappeared from Manila.

A Wise Maxim.

"A stitch in time saves nine," not only in making garments, but also in mending health. If Haggard's Pectoral Balsam were used in the earlier stages of Colds and Coughs, many a "stitch in the side" and many a case of torn lungs might be avoided, that neglected, rapidly develops into irreparable consumption. 21.

If your hair is coming out, do not murmur over a misfortune you can so easily avert. Ayer's Hair Vigor will remove the cause of your grief by restoring your hair to its natural color, and therewith your good looks and good nature.

"Why did you hide, Johnny?" said one boy to another. "I hid to save my hide," replied the other, as he hid away to a secure spot.

W. T. Bray, Pharmacist, Wingham, Ont., writes that the sale of Burdock Blood Bitters has very largely increased in that locality, and adds that he hears very favorable opinions expressed regarding it, and, if time permitted, could send many names of benefited parties. 22.

Among the recent arrivals in Philadelphia is a gorilla preserved in alcohol. Although dead, the animal is in excellent spirits.

A Word of Caution.

Beware of Opiates and powerful astringent drugs in the treatment of Bowel Complaints, they may lull the pain and check Diarrhoea, etc., but are liable to produce inflammation, Dr. Fowler's Extract of Wild Strawberry is guaranteed safe and reliable, even for Infants, and is a specific for Cholera Morbus, Dysentery, Colic, Acute or Chronic Diarrhoea and Summer Complaints generally.

Vegetine

Purifies the Blood, Renovates and Invigorates the whole system.

ITS MEDICINAL PROPERTIES ARE

Alterative, Tonic, Solvent & Diuretic.

Vegetine is made exclusively from the juices of carefully selected barks, roots and herbs, and so strongly concentrated that it will effectually eradicate from the system every taint of Scrofula, Scrofulous Humors, Tumors, Cancer, Cancerous Humor, Krysipelas, Sault Rheum, Syphilitic Diseases, Canker, Faintness at the Stomach, and all diseases that arise from impure blood. Scatica, Inflammatory and Chronic Rheumatism, Neuralgia, Gout and Spinal Complaints, can only be effectually cured through the blood.

For Ulcers and Eruptive Diseases of the Skin, Pustules, Pimples, Blisters, Boils, Etcetera, Scaldhead and Ringworm, VEGETINE has never failed to effect a permanent cure. For Pains in the Back, Kidney Complaints, Dropsy, Female Weakness, Leucorrhoea, arising from internal ulceration, and uterine diseases and General Debility, Vegetine acts directly upon the causes of these complaints. It invigorates and strengthens the whole system, acts upon the secretory organs, allays inflammation, cures ulceration and regulates the bowels.

For Catarrh, Dyspepsia, Haemorrhoidal Costiveness, Painful Menstruation, Headache, Piles, Nervousness, and General Prostration of the Nervous System, no medicine has ever given such perfect satisfaction as the Vegetine. It purifies the blood, cleanses all of the organs and possesses a controlling power over the nervous system.

The remarkable cures effected by Vegetine have induced many physicians and apothecaries whom we know, to prescribe and use it in their own families.

In fact, Vegetine is the best remedy yet discovered for these and other diseases, and is the only reliable Blood Purifier yet placed before the public.

WHAT IS CATARRH?

Catarrh is a mucous-purulent discharge caused by the presence and development of the vegetable parasite amoeba in the internal lining membrane of the nose. This parasite is only developed under favorable circumstances, and these are: morbid state of the blood, as the blighted corpuscle of tubercle, the germ poison of syphilis, mercury, toxæmia, from retention of the effeted matter of the skin, suppressed perspiration, badly ventilated sleeping apartments, and other poisons that are germinated in the blood. These poisons keep the internal lining membrane of the nose in a constant state of irritation, ever ready for the deposit of the seeds of these germs, which spread up the nostrils and down the fauces or back part of the mouth causing ulceration of the throat; up the eustachian tubes, causing deafness; burrowing in the vocal cords, causing hoarseness, usurping the proper structure of the bronchial tubes ending in pulmonary consumption and death.

To effect a cure the parasite must be removed or destroyed, hence inhalants and snuffs are worthless.

Some time since a well known physician of 40 years standing, after much experimenting, succeeded in discovering the necessary combination of ingredients, which never fails in absolutely and permanently eradicating this horrible disease, whether standing for one year or forty years. Sufferers should, without delay, communicate with the business manager, Mr. A. H. Dixon, 307 King St. West, Toronto, and get treatise free by enclosing stamp. Ask your druggist for it.
