**KENDALL'S SPAVIN CURE**  
 The most successful remedy ever discovered as it is certain in its effects, and does not blister. Read Proof below.  
**Kendall's Spavin Cure.**  
 HAMILTON, MO., June 14th, 1881.  
 B. J. Kendall & Co., Gents.—This is to certify that I have used Kendall's Spavin Cure and have found it to be all it is recommended to be and in fact more so; I have removed by using the above, Callous, Bone Spavins, Ring-bones, Splints and can cheerfully testify and recommend it to be the best thing for any bony substance I have ever used and I have tried many as I have made that my study for years.  
 Respectfully yours, P. V. CRIT.

FROM THE ONEONTA PRESS, N. Y.  
 Oneonta, New York, Jan. 6th, 1881.  
 Early last summer Messrs. B. J. Kendall & Co., of Oneonta Falls, N. Y., made a contact with the publishers of the Press for a column advertisement for one year setting forth the merits of Kendall's Spavin Cure. At the same time we secured from the firm a quantity of boxes, entitled Dr. Kendall's Spavin Cure, and its efficacy, which were given to advance paying subscribers to the Press, as a premium.  
 About the time the advertisement first appeared in this paper, Mr. P. G. Schermerhorn, who resides near Collier, had a spavined horse. He read the advertisement, and concluded to test the efficacy of the remedy, although his friends laughed at his credulity. He bought a bottle of Kendall's spavin cure and commenced using it on the horse according with the directions and he informed us this week that it effected such a complete cure that an expert horseman, who examined the animal recently could find no trace of the spavin or the place where it had been located. Mr. Schermerhorn has since secured a copy of Kendall's Treatise on the Horse and its Diseases which he prizes very highly and would be loath to part with at any price provided he could not obtain another copy. So much for advertising reliable articles.

**Kendall's Spavin Cure.**  
 ON HUMAN FLESH.  
 Patent's Mills, N. Y., Feb. 21st, 1878.  
 B. J. Kendall & Co., Gents.—The particular case on which I used your Kendall's Spavin Cure was a malignant ankle sprain of six or eight months standing. I had tried many things but in vain. Your spavin cure put the foot to the ground, and for the first time since hurt in a natural position. For a family liniment it excels anything we ever used.  
 Yours truly,  
 Rev. M. P. BELL,  
 Pastor of M. E. Church, Patent's Mills, N. Y.  
**Kendall's Spavin Cure.**  
 Is cure in its effects, mild in action as it does not blister, yet it is penetrating and powerful to reach every deep seated pain or to remove any bony growth or other enlargements, such as sprains, splints, curbs, ringbones, callous, swellings and any humors in all bony parts of the joints or limbs, or for rheumatism in man or for any purpose for which a liniment for men is prescribed, acting mild and yet certain in its effects.  
 Send address for full treated circular which we think gives positive proof of its virtue. No remedy has ever met with such unqualified success to our knowledge, for beast and man.
