YELLOW AS A GUINEA—The complexion, in a case of uncorrected liver complaint, culminating in jaundice, is literally "as yellow as a guinea." It has this appearance because the bile, which enables the bowels to act, is directed from its proper course into the blood. In connection with this symptom there is nausea, coating of the tongue, sick headache, impurity of the breath, pains through the right side and shoulder blade, dyspepsia and constipation. These and other concomitants of liver complaint are completely removed by the use of **NORTHROP & LYMAN'S VEGETABLE DISCOVERY AND DYSPEPTIC CURE** which is also an eradicant of scrofula, erysipelas, salt rheum, ulcers, cancers, humors, female weakness, jaundice, and lumbago. It tones the stomach, rouses the liver, and after relieving them, causes the bowels thereafter to become regular. High professional sanction has been accorded to it; and its claims to public confidence are justified by ample evidence. Price, \$1.00. Sample Bottle, 10 cents. Ask for **NORTHROP & LYMAN'S Vegetable Discovery and Dyspeptic Cure.** The wrapper bears a facsimile of their signature. Sold by all medicine dealers.

Do not take Pills or Powders containing Calomel, for at this time of the year, the results may be serious. If you require a dose of physic take Dr. Carson's Stomach and Constipation Bitters; it acts gently on the bowels, purifies the blood, improves the circulation, stimulates the Liver and Kidneys, and speedily cures Biliousness, Headache, Dyspepsia, Indigestion. Search the Drug Stores from one end of Canada to the other, and you cannot find a remedy equal to it. Try it and use it in your families. Sold everywhere in large bottles at 50 cents.

PATENTS.

We continue to act as solicitors for patents, caveats, trade-marks, copyrights, etc., for the United States, and to obtain patents in Canada, England, France, Germany, and all other countries. **Thirty-six years' practice.**

No charge for examination of models or drawings. Advice by mail free.

Patents obtained through us are noticed in the **Scientific American**, which has the largest circulation, and is the most influential newspaper of its kind published in the world. The advantages of such a notice every patentee understands.

This large and splendidly illustrated newspaper is published **weekly** at \$3.20 a year, and is admitted to be the best paper devoted to science, mechanics, inventions, engineering works, and other departments of industrial progress, published in any country. Single copies by mail, 10 cents. Sold by all newsdealers.

Address, Munn & Co., publishers of **Scientific American**, 261 Broadway, New York. Handbook about patents mailed free.

West York.

The annual meeting of the West York Reform Association was held at the Town Hall, Parkdale, Thursday December 21st. The different municipalities in the riding were well represented and judging from the reports of the delegates, the prospects for the approaching campaign are even more than usually bright. In the absence of the President, Dr. McConnell, Vice-President, occupied the chair. In his opening remarks he referred to the wonderful success with which the efforts of Ontario Reformers was crowned, and felt satisfied that the Mowat Administration would be returned with a larger majority than before. After credentials to delegates appointed to attend the General Convention to be held on the 3rd and 4th Jan. had been distributed, the following were elected officers of the Association for the ensuing year:—President, Mr. J. Ferrer, Etobicoke; 1st Vice President, Mr. J. Joseph Watson, York; 2nd Vice President, Mr. John Lahnner, Vaughan; Secretary, Dr. Lynd, Parkdale; Treasurer, Mr. Fred. Wallace, Etobicoke. It was decided that the West York delegates should attend the General Convention in a body, after which the meeting adjourned.

Mount Lebanon.

(From our own Correspondent.) The Anniversary of the Mount Lebanon Sabbath School was held on Dec. 19. The entertainment consisting of dialogues, recitations and singing by the school was creditable, not only to the children, but to those who trained them. During the evening, books (some of them very valuable) were given as prizes, to members of the Sabbath School. The collection and subscription taken at the close, in aid of the S. S. Funds, amounted to \$28.

Mr. Spence, who has been the teacher here for the last five years, but who is now leaving the profession, was made the recipient of a very complimentary address and a handsome present, by the parents and children of the school. The present consists of a very fine diamond breast-pin and gold sleeve buttons, which though intrinsically valuable, are no doubt much enhanced in value to Mr. Spence, as being the expression of the good will of those among whom he spent the last five years.

Nobleton.

(From our own Correspondent.) Christmas day passed off very quietly in this place. The sleighing being tolerably good, many of the young folks adopted sleigh-riding as a means of enjoyment. We are pleased to see, among those who came home to spend their Christmas, Mr. H. Snider, who went to Manitoba last March. He thinks that country too cold to winter in.

As we noticed in our last there was a boom in weddings in this neighborhood. Mr. A. D. Snider and Miss Annie L. Starrett, "Dr." William Pringle and Miss Susie Starrett were married on Dec. 22nd, by the Rev. Mr. Blanchard. Mr. F. Smelser and Miss M. G. McMurry were married on the same date, and on Christmas Day Mr. R. J. Wellar was married to some young lady of the Township of Osprey. So mote it be.

Nominations have come and gone, and some are disappointed that we are not to have an Election. As will be seen, Mr. C. Hambly, who for years occupied the position of 1st Deputy Reeve, refused to be nominated. This is a matter of regret as Mr. Hambly made a good Councilor. It is probable his place will be well filled.

The Missionary Meetings in the C. M. Church were well attended. Rev. M. B. Conroy, from Weston, was present, and gave a splendid Missionary address. Mr. Conroy is a speaker of more than usual ability. His appearance, address, and splendid command of language give him great power on the platform.

Etobicoke Reformers.

(From Our Own Correspondent.) The annual meeting of the Township of Etobicoke Reform Association, was held at Mono Inn on Saturday, Dec. 23.

Taking the state of the roads and the somewhat unpleasant weather into consideration, the attendance was good and very representative. Amongst those present were John C. Irwin, W. A. Wallis, Robert Hillock, Geo. Garbutt, James Young, Jas. Dixon, John Dixon, D. F. Horner, Andrew Barker, and many others.

The first business attended to after the reading of the Treasurer's report and the minutes of the last meeting was the election of officers for the ensuing year, which are as follows:—President, W. A. Wallis; Vice-Pres., Robert Wilcock; Sec. and Treas., John C. Ferrer.

The meeting then proceeded to appoint delegates to attend the Liberal Convention.

ion, to be held in Toronto on the 3rd and 4th of January, 1883, the number appointed being over 60; also delegates to attend the Convention to select a candidate to contest the riding in the coming Local Elections, after which Sub-Division Committees were formed for the ensuing year.

The meeting then came to a close, every one of those present determined to do his utmost to bring the coming contest to a successful issue. Etobicoke is a Reform Township, as will soon be proved.

Vaughan Council.

The Municipal Council of the Township of Vaughan met at the Town Hall on Tuesday, the 19th day of December, A. D. 1832, at 10 a. m.
