Aurora "Old Guard"

The News says that about one hundred Reformers of Aurora and vicinity known as the "Aurora Old Guard" headed by an excellent band visited Bradford one evening last week, when a very pleasant, social evening was spent with a large number of their brethren there, in the Town Hall.

Given Away

We cannot help noticing the liberal offer made to all invalids and sufferers by Dr. King's New Discovery for Consumption. You are requested to call at R. E. Law's, Richmond Hill, and T. A. Hewitt & Co's, Thornhill, Drug Stores, and get a Trial Bottle free of cost, if you are suffering with Consumption, Sore Throat, Coughs, Colds, Asthma, Bronchitis, Hay Fever, Loss of Voice, Hoarseness, or any affection of the Throat or Lungs. It will positively cure you.

It made me feel like a "Band of Music," was the rather forcible expression of an individual who was praising "Pectoria" the great remedy for Coughs and Coughs, Hoarseness, Asthma, Bronchitis. It is safe, pleasant and effectual. If you suffer, try it. For sale by all Druggists and general dealers, at 25 cents a bottle.

Prize Carnival.

The Richmond Hill Band is inaugurating something new in the line of Carnivals, in this vicinity, which it is hoped will prove a success. They intend holding a Prize Carnival on Tuesday evening next, 16th inst., at which they will give \$10 in prizes to the best acted characters represented by costume—a \$5 Photo Album to the best lady character, and \$3 and \$2, in cash, to the best gentlemen characters.

With every bottle of Dr. Carson's Pulmonary Cough Drops, a sample bottle is given free of charge. If, after using the trial bottle, you are not satisfied with its effect, you can return the large bottle, to your dealer who will refund the money. Thousands can testify to its prompt action curing Coughs, Colds, Bronchitis, etc. If you suffer, try them. Price 50cts a bottle. Sold by all Druggists.

A Postal Mystery.

An inexplicable postal mystery occurred in Vaughan a short time since. The Secretary of the Vaughan T. P. Reform Association sent out notices for a meeting, prepaying them with a half cent stamp each, which, we believe, was the postage required. Some of them reached their destination, and the day before the meeting about forty of them returned from the Dead Letter office. It looks as if mischief was at the bottom of the affair, and it should be looked into.

Mr. B. E. Ruggins, Beamsville, writes: "A customer who tried a bottle of Northrop & Lyman's Vegetable Discovery says it is the best thing he ever used; to quote his own words, 'it just seemed to touch the spot affected.' About a year ago he had an attack of bilious fever and was in for another when I recommended this valuable medicine with such happy results."

Laut's Tea.

We have been favored with trial packages of Laut's famous Prizes Tea, by Mrs. Soules, who is agent for Richmond Hill and vicinity, and most pronounce them of unsurpassed flavor and quality, and can recommend them to any wishing good tea. One of the leading beauties of Laut's tea is that with every half pound and over there is a handsome prize given, your own choice of a very fine selection. Mrs. Soules will be most happy to give you full particulars if you call.

Biblical Prize Essays.

Mrs. Addison, teacher of the Bible Class in the Methodist Sunday School in this village, has offered four prizes for competition by any of the scholars in the school, for the best Essay on the life of our Saviour from the Institution of the Sacrament of the Lord's Supper until the Ascension. A first and second for the girls and a first and second for the boys. The Essays are to be placed in the hands of the Superintendent to be forwarded to the judges by the first day of April next.

*If Mrs. Lydia E. Pinkham has not really discovered the Elixir Vitæ, which the ancient Alchemists sought for so much patient research and persistent experiment, her medicine seems, at last, likely to command an immense sale and universal popularity in the future. If rapid progress and eminent success furnish basis for a correct judgment, Mrs. Pinkham is a most promising competitor for such honorable distinction as the alchemist failed to achieve.

Notice.

A meeting of the Reform Association of the Township of Vaughan is called, by the President, to be held at the Town Hall, on Saturday, Jan. 13th, '83, at 1:30 p. m., to choose delegates to attend a Convention to be held in Parkdale on the 16th inst., for the purpose of selecting a candidate to contest the riding at the coming elections of the Local Legislature. Time of notice was too short for the Secretary to issue posters, but he sent a large number of postal cards to various parts of the Township.

Carnival.

The Carnival held on the Skating Rink on Friday of last week was not very largely attended, though the weather was favorable and the ice in good condition. The costumes were good, though few in number. The characters were as follows: Miss J. Wiley—Goody Two Shoes; Miss Libbie Soules—Winter; Miss H. Wiley—Dame Trot; Miss Fanny Brown—A Nun; Miss G. Daniels—Gipsy; Miss S. J. Gaby—A Witch; Geo. Derry—Able; O. Storey—Brigand; C. Wilby—A Match Girl; John Ness—Red Headed Wood-pecker; B. Savage—Uncle Tom.

Worthy of Praise.

As a rule we do not recommend Patent Medicines, but when we know of one that really is a public benefactor, and does positively cure, then we consider it our duty to impart that information to all. Electric Bitters are truly a most valuable medicine and will surely cure Biliousness, Fever, and Ague, Stomach, Liver and Kidney Complaints, even when all other remedies fail. We know whereof we speak, and can recommend them to all.—*Each*.—Sold at 50 cts a bottle by R. E. Law, Richmond Hill, and T. A. Hewitt & Co., Thornhill.

School Opening

The High and Public Schools in this place opened on Monday. Two new Teachers are on the Staff, viz: Mr. A. H. Watson B. A., Assistant Master in the High School and Miss Hamilton, First Assistant in the Public School. Miss Hamilton, however has found a substitute in the person of Miss Owens, for four weeks, while she prepares for a higher grade certificate than she now holds. The attendance is large. In the High School, through the untiring efforts of the head Master, the attendance is greatly increased, there being eighteen new pupils this term. In the Public Schools the attendance is also larger than before holidays.

Question and Answer

The following question has been repeatedly asked us during the past few days, and a Subscriber asks us to answer through our columns:—Are the figures \$10 and \$4.75, reported in the minutes of a late meeting of the School Board as the respective amounts asked by the Herald and LIBERAL offices for printing High School Prospectus correct?—if so, how so vast a difference? In answer to the former part of the question we have only to say that the figures are correct. The latter part is more of a puzzler to which we must say with the darkey, "we gub im up". After doing the job, and in a style fully satisfactory to the committee and the board, otherwise we are willing to forfeit the job, we are satisfied with the price asked. We can point to other instances quite as glaring as to prices charged.

Dr. Corlis, St. Thomas, writes: During ten years, active practice I have had occasion to prescribe Cod Liver Oil and Hypophosphites. Since Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda came under my notice, I have tried it and take great pleasure in saying that it has given great satisfaction and is to be preferred to any I have ever used or recommended. I have used it in my own family almost as a beverage during heavy colds and in every instance a happy result has followed. I cheerfully recommend its use in all cases of debility arising from weakness of the muscular or nervous system."

York Pioneers.

The regular monthly meeting of the York Pioneers was held on Tuesday, at the Canadian Institute, Dr. Scadding, the President, in the chair. Messrs. E. Armstrong, of Yorkville, and G. W. White, of Mimico, who were proposed at a previous meeting, were elected members of the Society, and Mr. James Coulter, of Weston, was proposed for election. Mr. Watson was expected to read an historical paper, but being unwell was unable to attend. After arrangement of some minor matter the meeting adjourned.

Beware of Imitations.

Since Dr. Thomas' Electric Oil has become celebrated, a number of unprincipled persons have been endeavoring to palm off Electroton and Electric Oil for the genuine DR. THOMAS' ELECTRIC OIL. Beware of these similar named articles. If their originator had any faith in the healing properties of their own, and not try to sell them on the reputation of another; but as they know their preparation have no merit, they resort to the most unprincipled means of selling them by getting a name as near as possible to *Electric*. We therefore ask the public when purchasing to see that the name Dr. Thomas' Electric Oil is on the wrapper and the signature of NORTHROP & LYMAN, the proprietors for Canada, on the back.

A New Harness Shop.

The Poetic Unionville Correspondent of the *Markham Economist* thus writes concerning the removal of Mr. Jos. Devlin, who has opened a harness shop in Palmer's Block in this village.

"We are very sorry to have to say that Mr. Joseph Devlin has removed to Richmond Hill, where he will carry on the harness making business. He will be much missed by the village, as he was one of our most respected young citizens. We wish him success, however.

No more the merry talking crowd Meets in the harness shop; But now upon that far a cloud Of pitch-dark seems to drop."

We wish Mr. Devlin success, as we believe "there's room enough for all."

York Winter Civil Assizes.

The York Winter Civil Assizes opened at the Court House at one o'clock on Wednesday, 3rd inst. Mr. Justice Cameron presiding. There is a large number of cases to come up for hearing. The first case called was that of Ellis v. White. This was a case brought by Wm. Ellis, of the Township of Vaughan, against Joel White, who resides near that place to recover \$5,000 damages for the seduction of his daughter, Nancy Jane Ellis. The defendant did not appear, and Miss Ellis was the only witness called. She is about seventeen years of age. She testified that she had known the defendant Joel White since she was a little girl, and he had been keeping company with her for years. A short time before the seduction took place the defendant gave her a promise of marriage, and succeeded in ruining her. He afterwards kept company with her for about four months, when he left the neighborhood and has not since returned. A child was born last April, and after futile efforts to get the defendant to fulfil his promise of marriage an action was commenced. White, the defendant, is a farmer about 25 years of age, and works with his father on the farm. After the evidence was completed Mr. Fullerton addressed the jury and claimed substantial damages for his client: Mr. Justice Cameron then briefly summed up, and warned the jury to make no allowance for the alleged breach of promise of marriage, as the girl could bring such an action on her own account, and although the defendant was a wrongdoer it would not be right to wrong him. The jury then retired, and after a brief absence returned with a verdict of \$2,500.

Mrs. Barnhart Plattsville, says "I have been a sufferer for twelve years through rheumatism and have tried every remedy she could hear of, but received no benefit, until she tried Dr. Thomas' Electric Oil: she says she cannot express the satisfaction she feels at having her pain entirely removed and her rheumatism cured."
