EARS FOR THE MILLION

Foo Choo's Balsam of Sharks' Oil.
Positively Restores the Hearing, and is the only Absolute Cure for Deafness Known.

The Oil is abstracted from peculiar species of small White Shark, caught in the Yellow Sea, known as ARCHONCHON KONDORETT. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1110. Its cures were so numerous, and many so seemingly miraculous, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for over 300 years no deafness has existed among the Chinese people. Sent, charges prepaid, to any address at \$1 per bottle.

HEAR WHAT THE DEAF SAY!

It has performed a miracle in my case. I have no unwhispering noises in my head and hear much better. I have been greatly benefited. My deafness helped a great deal—think another bottle will cure me. My hearing is much benefited. My hearing is improving. It is giving good satisfaction. Have been greatly benefited, and am rejoiced that I saw the notice of it.

"Its virtues are unquestionable and its curative character absolute, as the writer can personally testify, both by experience and observation. Write at once to HAYLOCK & JENNEY, 7 Day Street, New York, enclosing \$1, and you will receive by return a remedy that will enable you to hear like anybody else, and whose curative effects will be permanent. You will never regret doing so." EDITOR OF MERCANTILE REVIEW.
