MISCELLANY.

There are a number of varieties of corns. Holloway's Corn Cure will remove any of them.

Do not delay in getting relief for the little folks. Mother Graves' Worm Exterminator is a pleasant and sure cure.

Erysipelas, Scrofnla, Salt Rheum, Eruption, and all diseases of the Skin and Blood are prompt] cured by Burd-ock Blood Bitters. It purges all foul humors from the system, imparting strength and vigor at the same time.

The surprising success of Mrs. Lvdia E | Pinkham's Compound for the several diseases peculiar to women forcibly illustrates the importance of her beneficent discovery and the fact that she knows how to make the most of it.-Dr. Haskel.

Would you avoid the Biliary conplaints incidental to spring and summer? Cleanse the system with Burdock Blood Bitters. It regulates the Liver, Bowles, Kidneys and Blood. and is the purest tonic in the world. Trial bottles 10 cents.

WELL AS EVER -Lottle Howard writes from Buffalo, N. Y. :- "My system became greatly debilitated though ardnous duties ; suffered from nausea, sick headache and biliousness. Tried Burdock Blood Bitters with the most beneficial effect. Am well as ever.

Jacob Lockman, Buffalo, N. Y., says he has been using Dr. Thomas' Eclectric Oil for rheumatism; he had such a lame back he could not do anything, but one bottle has, to use his own expression. "cured him up." He thinks it is the best thing in the market.

Henry Clement, Almonte, writes : For a long time 1 was troubled with chronic rheumatism, at times wholly disabled; I tried anything and everything recommended, but failed to get any bencfit, until a gentleman who was cured of rheumatism by Dr. Thomas' Eclectric Oil, told me about it. I began using it both internally and externally, and before two bottles were used I was radically cured. We find it a household medicine and for croup, burns, cuts and bruises, it has no equal "

MOST EXCRUCIATING are the twinges that rack the muscles and joints of tho rheumatic. Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, hy promoting increased action of the Kidnevs, by which the blood is more effectually depurated, removes through the natural channels certain acrid elements in the circulation which produce rheumatism and gout. The medicine is also a fine laxative antibilions medicine and

THE CZAR CROWNED.

An Imposing Ceremony.—Cost of Coro-nation —The Czar's Prayer.

Alexander III was crowned Emperor of all the Russia on Saturday, with great splendor and magnificent pageant. The expected trouble from Nihilists was amply guarded against, but every thing pass-ed off peaceably. The estimated cost of the coronation is over \$10,000,000. The thought is expressed that it is the introduction of a new era of peace and prosperity into Russia. The Czar offered up and the righteousness of Thy command-ments. May my heart be in Thy hand that I may direct all things to the benefit of the people. confident unto my charge and unto Thy glory, so that I may auout shame, by the grace and bounty of Thine only Son, to be blessed by Him,

HER MAJESTY'S HEALTH.

Alarming Reports.—The Character of Her Illness not Defined.

LONDON, May 28 .--- The Queen's condition is alarming even to her physicians and personal attendants. The character of her illness is not well defined, but is of a nervous nature. At times her majesty is beyond control and borders on delirium.

the following prayer after the coronation ceremony was concluded: "O Lord God of our fathers, King of kings, who created all things by Thy word, and by Thy wisdom madest man, Thou hast chosen me to be judge over Thy people. I confess Thine unspeakable watchfulness over me, and bow down with thanksgiving before Thy majesty. Do Thou, O Lord and Ruler, support me in my appointed task; inspire me with wisdom and guide me in this great service. Let the wisdom that is before Thy throne be with me; let it descend upon me from Thy holy dwelling place, that I may know what is agreeable in Thine eyes, swer Thee in the day of judgment with-

and by Thy hely, sanctified, and creative Spirit, ever and ever, Amen."
