A change of name.

The Bill to change the name of the Northern & Northwestern Railway to that of the Northern & Pacific Junction Railway, has passed. The road is to be extended from Gravenhurst to Sault Ste Marie.

Drs. K. & K.

Dr. McCrae, representative of the medical firm of Drs. K. & K., of Detroit, was at the Palmer House on Wednesday, when a number of the villagers called on him to see what was the matter with them, and we believe a few took a course of treatment.

Presiding Examinership.

J. A. Sturgeon Stewart has been asked if he will accept the appointment of the Government to the Presiding Examinership for the approaching Intermediate, Second and Third Class examinations. The appointment will shortly be made.

Careless Driving.

On Monday morning while Brown's Bread wagon was standing on Yonge St, opposite Mr. McConaghy's, a man, with a load of hay drove carelessly against it, and did considerable damage. He drove on and paid no attention, though he knew what he had done.

Spring Appearances.

Since the introduction of the warmer weather the foliage on the trees and shrubs is coming out at very rapid rate. Almost every day the advancement is noticeable. A few more days and trees and fields alike will have assumed a thoroughly summer aspect.

Lost in a Collision.

Mr. Bishop, of Aurora, and Messrs. Wilkinson & Co., of the same place, shipped a carload each of buggies and ploughs, respectively, to Manitoba, and word arrived last week that they had both been totally destroyed by a collision on the way. Of course the railway company is responsible for the loss and will have to make it good.

Fire.

On Saturday, 19th ult., Mr. D. O'Brien, Blacksmith, of lot 5, 6th Con. King, lost his house and a large portion of the contents by fire. It originated from sparks falling from a chimney on the kitchen. The neighbors rendered all possible assistance but to no avail, a strong wind blowing at the time. He was insured in the Old London Mutual for \$700.

Bicycle Collision.

On Tuesday evening, after dark, while T. G. Law was taking a run on his bicycle along Yonge St, he collided with a horse attached to a vehicle, belonging to Mrs. Pogue, opposite Brown's bakery. The fright started the horse kicking, and the bicyclist received a pretty severe kick in the stomach. Dr. Wilson was on the scene in a few minutes and pronounced nothing more serious than a few bruises.

Crystal Wedding.

On Friday evening, 25th May, Mr. & Mrs. P. G. Savage, of this village, celebrated the anniversary of an important event in their history which took place fifteen years ago. That event was their wedding, and on Friday evening they had their Crystal Wedding. A large number of friends were present, and a very festive time was enjoyed by all. The presents were both numerous and handsome, all being crystal.

Woodbridge vs. Richmond Hill.

A match at Lacrosse has been arranged between the "Echos," of Woodbridge, and the "Young Canadians," of Richmond Hill, to be played on the Fair Grounds, Richmond Hill, to-morrow (Saturday). The ball is to be faced at 2 p. m. An admission fee of ten cents will be charged. The ladies will be provided with seats. The contest will probably be hotter than the last match played by our boys.

Re-Assuring.

Young men who have hitherto kept out of the toils of matrimony for fear that they might not be able to support a wife properly will be re-assured on hearing, on the authority of a Parisian lady who

lady can dress on \$9,500 per annum if she will "scrimp" some. It is well that this should be widely known, and henceforth let any lady who spends more than \$9,500 per annum in dress be accused of a failure to "scrimp."

Decayed Vegetable Matter.

The "decayed vegetable matter" which is scraped off Yonge Street by order of the Overseer every Spring and Fall is capable of baking as hard almost as brick bats. This is the experience of those who have used it as a manure for their gardens in this village, as they are willing to testify. This is strong evidence in favor of our contention and in contradiction of the theory advanced by the County Engineer in the controversy as to the advisability of scraping Yonge Street.

All Delighted.

The large number of ladies who daily visit the stores of Petley & Petley are not only pleased and delighted with the handsome new premises and fine light, but they are more than surprised at the very low prices at which they are selling their large stock of rich and fashionable silks, dress goods, hosiery, gloves, laces, ribbons, corsets, embroideries, fancy goods, etc., and with the magnificent display of elegant and fashionable millinery now in stock at that well-known and popular establishment.

Small Pox.

This terrible disease has broken out at Claremont, a village lying about fifteen miles almost directly east of Richmond Hill, or in a due easterly line with Elgin Mills. The village is a principal point on the Ontario and Quebec Railway, and as it is the head quarters for many of the navies, it is probable that it is owing to the fact that the disease has broken out. A large number of foreigners are quartered there. Nurses and other necessaries have been despatched from Toronto by the Secretary of the Provincial Board of Health.

A True Scene.

Some forty years ago, in the Township of Markham, Jake went one Sunday night to see Susie. They were sitting one on each side of the old fashioned fire place, fully six or eight feet apart. Jake's heart went pitty-pat. He couldn't muster courage to get an inch nearer Susie. At last Susie startled Jake by saying: "Quit pinching me!" Jake alarmed, replied: "I ain't pinching you!" "Well, don't you intend to?" "No, I don't." "Then, Jake, you had better take your hat and start for home,"—and he started. But the affair got out somehow and Jake never heard the end of that Sunday night's courtship.

A Scene in Church.

It is not often in these days of enlightenment and religious liberty, and in this land of civilization, such scenes as the following occur in the place of worship. The Bradford papers relate the following incident: "At Christ's Church, Middleton, on Sunday morning, 13th ult., during the service, the Rev. Mr. Bell said that one of the Church-wardens had requested him to forbid the singing of the responses to the Commandments in the Ante-Communion service; but that as they had been sung ever since he had become Incumbent of the Parish, and as he knew that many of the congregation desired it, they would sing them that day, and before the next Holy Communion Day, he (Mr. Bell) would ascertain the mind of each member and act according to the wish of the majority. Mr. Bell then proceeded with the service, but as soon as the first response was being sung, Mr. Davis Stoddart jumped out of his seat, rushed at the organist, Miss Carter, pushed her off her seat and shut down the organ. Miss Carter opened the organ again, when Mr. Stoddart again pushed her aside and closed the organ with violence, took his seat on the closed organ. The Rev. Mr. Bell asked if there was a magistrate present, but finding there was not, dismissed the congregation. The uproar and confusion during all this affair may be better imagined than described. Mr. Stoddart has undoubtedly laid himself open to the law, first for disturbing and breaking up a congregation at worship, and likewise for an assault on a young lady."

School Board Meeting.

May 22nd, '83.

The School Board met on above date, Mr. Marsh in the chair. Members present, Messrs. Switzer, Boyle, Brown, Savage, Teefy, Crosby and Rev. I. Campbell.

Minutes of previous meeting read and adopted.

The Chairman stated that the object of the meeting was to consider the course taken by Mr. Watson, 1st Ass't Teacher. There being nothing definite before the Board, no resignation having been tendered, the matter was informally discussed. From the discussion it appears that Mr. Watson called on several members of the Board and informed each that he had the consent of all others, and stated that the school could very well spare him, as the

Master stated that he had told Mr. Watson that it was a most inopportune time to leave, and it simply meant the plucking of three or four candidates.

Rev. I. Campbell, seconded by Mr. Duncan, moved that Mrs. McBride be engaged for the remainder of the term as First Assistant Teacher, and that the sum of \$75 be paid her for her services. —Carried.

Mr. Crosby, seconded by Mr. Teefy, moved that Mr. Watson's engagement be cancelled and the Secretary be instructed to inform him to that effect and ask him by what authority he left. This motion was withdrawn by the mover with the consent of the seconder.

Mr. Duncan, seconded by Mr. _____ moved that the verbal resignation given to several members of the Board be accepted. As no member acknowledged having received a verbal resignation no action was taken in the matter, and it was thought better to give Mr. Watson a severe letting alone.

Mr. McBride made a statement of the expenses connected with the Local Examination for Women, in Richmond Hill High School, which would amount to \$30.00, and having raised a portion of the amount by subscription, asked the Board for an appropriation of \$18.00.

On motion of Messrs. Brown and Crosby the appropriation was made. The Board adjourned to meet at the call of the chairman.
