Ears FOR THE Million

Foo Choo's Balsam of Sharks'
Oil.

Positively Restores the Hearing, and is
the only Absolute Cure for Deafness
Known.

The Oil is abstracted from peculiar species of
small White Shark, caught in the Yellow Sea,
known as **ARCHARON**. **BONDELLETH**. Every
Chinese fisherman knows it. Its virtues as a
restorative of hearing were discovered by a
Buddhist Priest about the year 1410. Its cures
were so numerous and many so seemingly
miraculous, that it was finally officially pre-
scribed over the entire Empire. Its use became
so universal that for over 300 years no deafness
has existed among the Chinese people. Sent,
charges prepaid, to any address at \$1 per bottle.

HEAR WHAT THE DEAF SAY

It has performed a miracle in my case.
I have no unwholesome noises in my head and
hear much better.

I have been greatly benefited.

My deafness helped a great deal—think another
world will cure me.

My hearing is much benefited.

It is giving good satisfaction.

Have been greatly benefited, and am rejoiced
that I saw the notices of it.

Its virtues are unquestionable and its curative
character absolute, as the writer can person-
ally testify, both by experience and observation.
Write at once to **HAYLOCK & JENNEY**, 7 Day
Street, New York, enclosing \$1, and you will re-
ceive by return a remedy that will enable you to
hear like anybody else and whose curative ef-
fects will be permanent. You will never regret
doing so.—**EDITOR OF MEDICABLE REVIEW.**
