The proper channel for the escape from the system of impurities which would, if they remained, poison the blood, is through the bowels. When this outlet is obstructed it may be disengorged with Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, a remedy which regulates the system, invigorates digestion, and is pure and safe as well as effective. It cures all diseases arising from impure blood.

PROVINCIAL ELECTION CASES.
Judgments by the Court of Appeal.

The Court of Appeal sat Saturday for the purpose of delivering judgments in four provincial election appeals recently argued. The first was the Prescott case, in which the appeal was from the decision of the rota judges dismissing the petition against Mr. Hagar, the Reform member-elect. The court dismissed the appeal with costs, so that Mr. Hagar retains his seat.

The second was the South Victoria case, in which the petitioner appealed from the judgment of the rota judges dismissing the petition against D. J. McIntyre, the Reform member-elect. The court dismissed this appeal also, holding that the giving of railway passes to voters was not a corrupt practice. Mr. McIntyre retains his seat therefore.

In the East Northumberland case, the petitioner appealed to avoid the election of Mr. Ferris on the ground of the giving of railway passes. The court held that the practice was not illegal, and referred the case back to the rota judges to finally adjudicate upon the whole case, the court holding that that was the only question in issue before them.

In the Lennox case the court dismissed the appeal against A. H. Roe, the Conservative member-elect.

SCOTT ACT IN HALTON.

MILTON, Ont., Jan. 11.—Robt. Agnew, of Acton, hotel keeper, was fined yesterday on two counts for selling liquor, the fine being \$50 for each offence. The cost of selling liquor will be to him very great, as Elbas Clark and Joseph Allan were fined \$100 and \$50 respectively last week for selling liquor for him. It is supposed that costs and fines will cost him over 300.

MYSTERIOUS!

The Terrible Undertow that is Sweeping away so Many—What Well-known Canadians have to say.

It is an unquestionable fact that thousands of people to-day enduring the most intense torture or are afflicted by the most unaccountable symptoms for which they can assign no reason whatever. They have frequent headaches; are strangely languid; have a ravenous appetite one day and none whatever the next, and feel dull pains in various parts of the body, but they imagine it is only a cold or some passing disorder. Indeed, few people realize the presence of grave and serious dangers until they are upon them. The following experiences of well-known people in the Province are timely and valuable:

Rev. William J. Henderson, pastor of the Methodist Episcopal church of Prescott, Ontario, says: "For a number of years and until recently, I had been gradually, but steadily, declining in health. I was subject to severe pains in various parts of my body, shortness of breath, palpitation of the heart, and a distressing, hacking cough. I consulted physicians, one of whom informed me that I had been 'carrying too many pounds of steam.' Another stated that I was on the eve of a general constitutional 'break up,' another pronounced me as being far gone in liver complaint, and feeling that the last one had hit it, I commenced a course of his treatment, without, however, any benefit. Feeling that I was going down hill very fast, I grew somewhat despondent, and finally resigned myself to an early death. At this juncture I resolved to try Warner's Safe Cure, and I may say that I felt almost immediate relief, and now I am nearly as well as I ever was in my whole life. My cough has disappeared entirely and I seldom feel any of my old symptoms. I have always been somewhat disposed to prejudice against proprietary medicines, but I feel it to be an act of justice to make this statement for the good of others."

John Evans, residing at 139 King St., London, says: "For two years I have been troubled with gravel in my kidneys and have suffered untold agony. The passage of the gravel from the kidneys into the bladder threw me into paroxysms of pain and completely broke me down. Upon the recommendation of a friend I began the use of Warner's Safe Cure, which seemed to dissolve the gravel, and it passed from me in the form of dust. I recommend Warner's Safe Cure to everybody who is suffering at all as I have suffered."

Mrs. M. Lemon, residing at 5 1/2 Victoria Avenue, Hamilton, says: "For ten or fifteen years I have suffered from female complaints and liver disease. I have consulted all the prominent doctors in Hamilton, but none were able to cure me. Six months out of every year I was laid up in bed from nervous prostration and debility, and frequently while working about the house I would faint and remain unconscious for more than half an hour. Hearing of Warner's Safe Cure I began its use and am now in good health. All previous troubles have left me. It has worked wonders in my case and I can recommend it to all the ladies in the country."

Mr. Charles M. Syme, foreman in W. H. Smith's saw factory, St. Catharines, says: "Five years ago I began to be afflicted with most distressing troubles which increased in violence until I was compelled to remain in bed. My symptoms were terrible and I kept getting worse and worse all the while. The doctors could not agree as to the nature of my disease and I finally lost all hopes of ever getting well. Learning of some cases similar to my own that had been helped by Warner's Safe Cure, I began its use and commenced to improve from the first day, and I am happy to say that I am now as sound as a dollar and can do a day's work without its hurting me."

Doctor Samuel T. Rodley, of Chatham, says: "I have seen Warner's Safe Cure used very extensively and have heard of the most gratifying results. I am convinced that it is an unequalled medicine for disorders of the kidneys and urinary organs, and I can freely recommend it."

Mr. A. J. McBlair, clerk of Crawford House, Windsor, says: "For several years I was afflicted with kidney difficulty and did not know what it was to be free from excruciating pains, which at times were so bad that I could neither stand

nor remove my clothes. At that time I was conductor on the Denver and Rio Grande railroad, and no doubt the constant jolting aggravated the disease. Noticing an advertisement of Warner's Safe Cure, I procured the medicine and from the first it acted like magic, and it has completely and permanently cured me. I cannot too highly recommend it, as I know what it has done for me."

The above statements are from men of unquestionable veracity, and such as merit the greatest consideration. No one who is suffering from any form of physical disorder can afford to neglect even the slightest symptoms, which can be so readily controlled if taken in time, and which are so dangerous if permitted to continue.

THORNHILL

(From Our Own Correspondent.)
Mr. Arthur Morgan and his sister, Mrs. Wm. Welsh, leave shortly for California, where Mr. Wm. Welsh is now living. Their many friends wish them a pleasant journey.

Hurrah for the N. P. ! An old grist mill is to be removed from its present site to the side of the new factory, and we are promised that it will be fitted up with all the latest improvements, such as rollers, etc., that will manufacture the patent process flour.

Mrs. Harris and Mr. Ramsden will have to follow in mill improvements if they wish to retain the business at the Pomona Mills. This is an age of progress and why should Thornhill be an exception. A gentleman who was here the other day, after an absence of nearly five years, observed that the most conspicuous improvement was the new blacksmith shop on the west side of Yonge Street.

Since the heavy fall of snow sleighing parties have been the order of the day, or rather night, with the young folks of our village, sometimes receiving parties from a distance, at other times being the invited guests. Parties from Maple, Richmond Hill, Markham and other places have enlivened our village on various evenings. Your correspondent, now so well known, has been invited to join in some of these joyous gatherings, upon condition that everything that may occur at these gatherings is not put in print. Certainly such a reasonable request should be complied with. It would never do to tell that at the last party Mr. M. was out of sorts all evening because Mr. P. had induced Miss J. to be his companion for the evening; or how Miss S. looked daggers because she had only a sister for her escort, or how pleased Miss R. looked with her first beau. I would not break faith and give the names in full, the initials are only known to a few.
