The Liberal.

RICHMOND HILL, Thursday, Jan. 31. '84

Salutatory.

To the citizens of Richmond Hill and surrounding County of York:— Having purchased THE LIBERAL Printing and Publishing Establishment from Mr. J. A. S. Stewart, we come before you this week in the capacity of editor, and without any unnecessary formalities, present you with a copy of our first issue, hoping to receive from your hands a liberal patronage in the future. We rejoice to know that we come before you, not altogether as a stranger, but as one who has lived in your midst for a number of years, and has, during that time, learned to respect and esteem many of you as warm personal friends, trusting that friendship may continue to exist, and extend to many to whom we are yet strangers, and it will be our most fervent effort and desire to make our acquaintance a source of profit as well as pleasure to all who may favor us with their support.

Politically, although we are in sympathy with the Hon. Oliver Mowat in protecting, as far as possible, Ontario's rights, and will be happy to extend to his administration our hearty support, as long as it continues to legislate for the welfare of our Province; yet we do not imagine that all good is centred in the Reform party, and for this reason we will gladly recognize and willingly support any good measure, let it emanate from what source it may.

We shall always manifest the greatest respect for the cause of Temperance and Morality, and will do everything in our power to assist in all good works, and will advocate principles not because they are popular and come from some particular party, but because they are right and proper.

Our columns will be open at all times for the proper discussion of public questions and in this respect we invite correspondence, so long as conducted in a becoming manner and calculated for the good of the people.

We purpose having correspondents in different parts of the County, who will furnish our readers with the latest matters of general interest and we sincerely hope our friends will come forward and cheerfully assist us in this way, so that our paper may at all times be well supplied with the latest news, concisely and impartially presented and as accurately compiled as possible.

We commence THE LIBERAL with a fair subscription list and as we have every confidence that its circulation will be doubled in a short time, we can recommend it as a good medium through which to advertise, and in this, as well as in the other departments, we will pay particular attention to our patrons, and attend to their wants on the shortest notice.

As our office contains all the facilities for job printing, and as we purpose keeping first-class hands, we can ensure good work in this line, and fully as cheap as in other offices. Regarding our book store we

would beg to intimate to the public that we will keep on hand a varied stock of books, stationery, fancy articles, etc., which we will be prepared to dispose of at small profits and popular prices.

In conclusion, we would only say, it will be our constant endeavor to exert all our energies in the path of right and truth in the advancement of THE LIBERAL, so that it may receive a kindly welcome and wield a healthy influence in every family circle throughout the County.

Trusting to receive your hearty co-operation,

I am
Yours very truly,
T. F. McMAHON.

To the Press.

We shall be happy to exchange THE LIBERAL with other newspaper conductors in different parts of the Province, and consequently send our first number. Do not criticise too severely, as many a boy is discouraged by the lash being too cruelly administered in his youthful days.

"The Liberal."

With our first issue we send a copy of THE LIBERAL to many of our friends, who are not yet subscribers. We hope they will appreciate it, and show they entertain a kindly feeling toward us by becoming enrolled as subscribers before next week's issue.

LOCALS

Tennesseans.

The Tennessee Jubilee Singers gave their concert last Wednesday night, in the Temperance Hall, Richmond Hill, under the auspices of the I. O. G. T., and although poorly attended, was by far the best concert of the kind held here for a long time. The choruses consisted of seven voices, all performing their parts with ability, although the soprano was laboring under difficulties from a severe cold. They perform in Maple on Friday evening, in connection with the C. M. Church, and are worthy of a good house.

Canada's Great Carnival.

The great Winter Carnival in Montreal 4th to 9th February, is attracting thousands upon thousands of sight-seers from all parts of the continent. The attack, defence and capture of the Ice Palace, the great skating carnival on a scale of unprecedented grandeur, the snow-shoe torchlight procession by thousands of snow-shoers, the tobogganing fete on Mount Royal, the great sleigh-drive, with-out, embracing five thousand superb sleighing equipages, the living arch manned by the snow-shoers in club uniform, cheering their Excellencies the Governor-General and Lady Lansdowne, as they are drawn through the triumphal arch, all these striking and startling features of the great fete and many others, are to be splendidly illustrated in the Carnival number of the Montreal Star, printed on superior paper, with full and double page colored illustrations. This special Carnival number of the Montreal Star will be of wonderful interest to all people in all lands. It is gotten up by the best artist in this country, and will take the place of the Canadian Illustrated News, suspended. Ten cents, in stamps, sent to the publishers, Graham & Co., will get a copy. Newsdealers will have them for sale.

Rev. Father Wilds' EXPERIENCE.

The Rev. Z. P. Wilds, well-known city missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes as follows:

"78 E. 54th St., New York, May 16, 1882. MESSRS. J. C. AYER & Co., Gentlemen: Last winter I was troubled with a most uncomfortable itching humor affecting more especially my limbs, which itched so intolerably at night, and burned so intensely, that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh and catarrhal cough; my appetite was poor, and my system a good deal run down. Knowing the value of AYER'S SARSAPARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorders. My appetite improved almost from the first dose. After a short time the fever and itching were allayed, and all signs of irritation of the skin disappeared. My catarrh and cough were also cured by the same means, and my general health greatly improved, until it is now excellent. I feel a hundred per cent stronger, and I attribute these results to the use of the SARSAPARILLA, which I recommend with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and used, in all, less than two bottles. I place these facts at your service, hoping their publication may do good.

Yours respectfully,
Z. P. WILDS."

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SARSAPARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla

cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all Scrofulous Diseases, Eruptions of the Skin, Rheumatism, Catarrh, General Debility, and all disorders resulting from poor or corrupted blood and a low state of the system.
