AYER'S Cherry

No other complaint so common as that of a cold, which is often followed by a cough, and sometimes by a croupy attack as those affecting the lungs are so troubled with by the ordinary cough. The ordinary cough perhaps from a trifling cold, is often but the forerunner of a serious illness. AYER'S CHERRY PECTORAL, which is well proven its efficacy in a forty years' experience with throat and lung diseases, and is taken in all cases without delay.

A Terrible Cough Cured.
"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed a night after night without sleep. The doctors gave me up. I then used AYER'S CHERRY PECTORAL, which brought my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me."
HOBART FAIRBROTHER,
Rockingham, Vt., July 15, 1882.

Croup - A Mother's Tribute.
"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,
MRS. EMMA GIBNEY."
180 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried."
A. J. CRANE,
Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL."
JOSEPH WALDEN,
Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles."
E. BRADON,
Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.
