# HAIR RENEWER

was the first preparation perfectly adapted to  
cure diseases of the scalp, and the first suc-  
cessful restorer of faded or gray hair to its  
natural color, growth, and youthful beauty.  
It has had many imitators, but none have  
fully met all the requirements needful for  
the proper treatment of the hair and scalp.  
HALL'S HAIR RENEWER has steadily grown  
in favor, and spread its fame and usefulness  
to every quarter of the globe. Its unparal-  
leled success can be attributed to but one  
cause: the entire fulfillment of its promises.

The proprietors have often been surprised  
at the receipt of orders from remote coun-  
tries, where they had never made an effort for  
its introduction.

The use for a short time of HALL'S HAIR  
RENEWER wonderfully improves the per-  
sonal appearance. It cleanses the scalp from  
all impurities, cures all humors, fever, and  
dryness, and thus prevents baldness. It  
stimulates the weakened glands, and enables  
them to push forward a new and vigorous  
growth. The effects of this article are not  
transient, like those of alcoholic prepara-  
tions, but remain a long time, which makes  
its use a matter of economy.

# BUCKINGHAM'S DYE
