John N. Harvey, Lot 34, 6th Con. Vaughan, has for sale an excellent span of Bay mares—age seven and nine years, sired by England's Glory, weight 1,068 and 1,075 lbs.

### Church Desecration.

Some villainous characters entered the Seaton Methodist Church a short time ago, and after regaling themselves by imbibing the sacramental wine, carried off the pulpit Bible, hymn book and other articles belonging to the church.

### Credit Sale.

Friday, March 7th, 1884. Credit sale of Farm Stock, Implements, etc., on Lot No. 22, 1st Con. West York, the property of Mr. Geo. Routhiffe. Sale to commence at 12 o'clock noon. Salem Eckardt, Auctioneer. For particulars see bills.

### High Schools.

The new Minister of Education was waited upon a few days ago by a deputation from York County, requesting him to consider the advisability of dividing the various counties into High School districts, and taxing each part for its own individual school. The Honorable G. W. promised to give the subject his earnest consideration.

### Another Up-set.

As a sleigh load of the sisters and brethren from Patterson were returning home last Thursday night from the revival services now being held in the Methodist Church here, they were rather unceremoniously thrown out of the sleigh, owing to the drifted condition of the road, but fortunately no one was injured, and soon getting re-seated went on their way rejoicing.

### Narrow Escape.

As Mr. R. H. Wiles, and Mr. Mellish of Carrville, were engaged in drawing ice for Mr. N. S. Reaman on Wednesday of last week, the former not thinking of a hole in the ice, backed up and soon found himself immersed in the water. Mr. Mellish who was some five rods distant, hearing his voice for assistance, ran to the rescue, and was just in time to save Mr. Wiles from a watery grave.

### Sad Death.

Mr. Jas. Johnston, who resided on Lot 31, in the 3rd Con. of Vaughan, met with his death on Thursday morning, 27th ult., under sad circumstances. It appears the unfortunate young man left his home early in the morning with a load of grain which he was taking to Toronto, when it upset, a good part of the contents of the load falling upon him. The next morning he was found in this position by a boy on his way to school, dead and frozen. His poor horses were almost perished, not being able to extricate themselves during about 30 hours of inclement weather.

### House Burnt.

Quite an excitement was caused on Monday evening in the village about 6.30, by the rapid ringing of the town fire-bell, when it was seen that a rough east dwelling on Mill St., the next house west of the R. C. Church and occupied by Mr. Walter Hislop, was already in a blaze. Our noble firemen, and citizens generally were soon on their way to the scene of the fire, with the engine, and other apparatus connected, and on arriving, had every hope of still saving the building. The suction hose being put down into a cistern close at hand, two streams were soon playing upon the flames, when, unfortunately, in a few minutes the last drop was drained, and the fire again shot forth. Afterwards, about 400 feet of hose was laid to a tank, but, as before the water held out only for a short time, and all hope of saving the house was at an end. We do not feel inclined to cast any blame on the Inspector or Council, but think too much care can not be exercised in seeing that tanks are always supplied with water. A new tank is very much needed near the Church as it would be in reach of several buildings close at hand. The greater part of the furniture and contents were saved. The building belonged to Mr. Andrew Newton, and was insured in the Fire Assurance Association. This is the second time Mr. Hislop has been burned during the last few years.

### The Methodist Sabbath School.

We observe that Mr. Switzer's Bible Class now meets in the gallery of the Church. We think the change will be a great improvement on the cramped little loft where he was trying to teach all summer. Mr. Switzer is an able and efficient Sabbath School Teacher, and his Bible Class has been gradually increasing for some months past and has become so large as to demand more room. In its new location there will be ample room for all who shall desire to attend. We would urge all young men who have a little time at their disposal on Sunday afternoon, at half past two o'clock, to avail themselves of so excellent an opportunity of acquiring Bible knowledge. Mr. Sneath also has a large Bible Class of young ladies which also meets in the Church, where there is plenty of room and a hearty welcome to all who may go. The idea of a Sunday School being only for little folks is fast dying out, they are now Bible Schools and all ages attend. Young men and young ladies send in your names and join the Bible Classes.

### Happy Event.

On Tuesday afternoon Miss Nellie Hillary, so well known here, and who has often delighted Aurora audiences with her melodious voice, was married, at her father's residence, to M. Fawcett De. Chadenet, of France. The ceremony was performed by Rev. Father Harris, of Newmarket. After the ceremony a sumptuous repast was served to the numerous guests who had assembled. The happy couple left by evening train for Montreal, a large number of friends accompanying them to the station. We wish them a long, happy and prosperous married life.—Aurora Banner.

### Village Council.

Pursuant to notice the Council met in the Council Chamber, at 8.30 p. m. on Monday evening, the 3rd of March.

Members present—the Reeve and Messrs. Moodie and Hopper.

Minutes of last meeting read and approved.

Keefer, printing notices of public meeting, \$0.75; T. F. McMahon, printing village accounts, \$6.00. Adjourned till Monday, 7th April.

M. TEEFY, Clerk.

### Storming "Fort," Aurora.

Late despatches announce the bombardment of Aurora by the Salvation Army. A regiment more or less flushed with recent victories in the town of Newmarket and elsewhere, have arrived at the seat of war and Aurora is in a state of siege. We had thought that the larger portion of the inhabitants of that village had already surrendered to the gallant efforts of its own volunteers, and that all available recruits had been bungled in, but we suppose there are yet some steel-clad invincibles upon whom the regular army can operate. Such, we have no doubt, if the invaders are properly reinforced by the requisite assistance from Headquarters above, will be compelled to capitulate and will soon be marching as prisoners of war.

### During Burglary.

The inmates of the "Grand Central Hotel" were somewhat surprised as well as alarmed on Friday morning last, when on rising from their beds, found that a bold thief had been committed on the premises, while they were quietly enjoying a night's repose. The party appears to have first made an entrance into the lower flat of the hotel, through a window, and afterwards proceeded to the stable, where, after cutting bells off harness, and adjusting things in general to suit themselves, they hitched up "Maud S." to Rupert's most fancy cutter and started southward on Yonge Street. Mr. Powell and Mr. Rupert at once started in pursuit, and before proceeding far, traces could be seen where "Maud" upset the cutter and had dragged the villains along in the snow for a long distance. The horse and rig were afterwards found at the "Dover Park" Hotel, the mare badly cut, and the cutter terribly smashed, but as to what has become of those who were engaged in the dastardly trick, nothing has yet transpired.

### DEATHS

DOAN—At Aurora, on the 28th February, of congestion of the brain, Clara, third daughter of David Wilson Doan.

MILLER—At his residence, Thornhill, on Feb 29th, Henry Miller, aged 86 years. The deceased was father of Mr. Henry Miller, of this village, where he was buried on Tuesday last. His remains were followed to the grave by a large concourse of relatives and friends.

A. D. Noyes, Newark, Michigan, writes: 'I have enquired at the drug stores for Dr. Thomas' Electric Oil, but have failed to find it. We brought a bottle with us from Quebec, but it is nearly gone and we do not want to be without it, as my wife is troubled with a pain in the shoulder, and nothing else gives relief. Can you send us some?'

Restlessness, Morbid Anxiety, and a fretful disposition are usually met with in the dyspeptic. These mental indicia show how close is the connection between brain and stomach. Their most prolific cause, dyspepsia, is a complaint from which Northrop & Lyman's Vegetable Discovery and Blood Purifier is used with unvarying success. It also remedies Biliousness, Constipation, and Impurity of the Blood.
