

Rev. Father Wilds' EXPERIENCE.

The Rev. Z. P. Wilds, well-known city missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes as follows:

"78 E. 54th St., New York, May 16, 1882.
MESSRS. J. C. AYER & Co., Gentlemen:
Last winter I was troubled with a most uncomfortable itching humor affecting more especially my limbs, which itched so intolerably at night, and burned so intensely, that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh and catarrhal cough; my appetite was poor, and my system a good deal run down. Knowing the value of AYER'S SARSAPARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorders. My appetite improved almost from the first dose. After a short time the fever and itching were allayed, and all signs of irritation of the skin disappeared. My catarrh and cough were also cured by the same means, and my general health greatly improved, until it is now excellent. I feel a hundred per cent stronger, and I attribute these results to the use of the SARSAPARILLA, which I recommend with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and used, in all, less than two bottles. I place these facts at your service, hoping their publication may do good.
Yours respectfully, Z. P. WILDS."

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SARSAPARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all Scrofulous Diseases, Eruptions of the Skin, Rheumatism, Catarrh, General Debility, and all disorders resulting from poor or corrupted blood and a low state of the system.

THE BAD BOY AND HIS PA.

The Old Man Gets a New Suit of Clothes At Petleys'.

"Did you see Pa's new suit of clothes?" asked the bad boy as he came into the store and held a fruit biscuit under the molasses tap.

"Yes," said the grocery man as he charged the boy's father with a quart of molasses. "You folks are getting mighty tony. Your father looks like a church warden at a vestry meeting. Where did he get them clothes—was there a fire?"

"No there wasn't any fire nuther! Betcher life Pa don't hev to go to fires looken for clothes. He got um at Petleys', an' it don't require a great big fortune to git a suit of clothes there. My Ma gev him \$15 and sent him down to Petleys', an' look at the consequence. He's too respectable for nothin'. When Ma saw him come in she felt as if there was company in the house an' she made me go and wash my neck and sent the girl out fur more mutton chops. You'd a hard'y believed it was Pa. Them new clothes he got down to Petleys' made him look so different. When bed time cum you'd a dide to see Ma leadin' him off to the spare bed-room, and hopin' he would sleep well and telling him not to blow out the gas. Ar' Pa sed he was feared he was putin' Ma to a lot of trouble and Ma sed "Oh, no not in the least, we are only too glad to have you here. An' when I snickered Ma slapped me and told me to be a good boy while the gentleman was in the house. Betcher life we've hed a regular picnic up to the house since Pa got the clothes." And the bad boy went out and hung up a sign in front of the store.

Brockton on Monday voted for annexation to the city by a majority of 69. For 86, against 17.

The extraordinary popularity of Ayer's Cherry Pectoral is the natural result of its use by intelligent people for over forty years. It has indisputably proven itself the very best known specific for all colds, coughs, and pulmonary complaints.

The debt of the City of Montreal reaches to within a fraction of the enormous amount of twelve million dollars.

O. E. Comstock, Caledonia, Minn., writes: "I was suffering the most excruciating pains from inflammatory rheumatism. One application of Dr. Thomas' Electric Oil afforded almost instant relief, and two bottles affected a permanent cure."

Sixteen coloured men and women were baptised in the river at Pittsburg on Sunday, notwithstanding that it was full of running ice.

M. Sheehan, of Oscoda, Mich., writes: "I have used Dr. Thomas' Electric Oil on horses for different diseases, and found it to be just as you recommended. It has done justice to me every time, and it is the best Oil for horses I ever used." Observe that the name "Dr. Thomas' Electric Oil" is on front of the wrapper, as there are imitations of it.

The Sheriff of Peel yesterday presented Mr. Justice Cameron with the customary pair of white gloves on the opening of the assizes, there being no criminal cases on the docket.

AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspepsia, Headache, Dysentery, and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A Sufferer from Headache writes:
"AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look to for relief. One dose will quickly move my bowels and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers."
W. J. PAGE, of W. L. Page & Bro.,
Franklin St., Richmond, Va., June 3, 1882.

"I have used AYER'S PILLS in numberless instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. FOR DYSPEPSIA they are invaluable."
J. T. HAYES,
Mexico, Texas, June 17, 1882.

The Rev. FRANCIS B. HARLOWE, writing from Atlanta, Ga., says: "For some years past I have been subject to constipation, from which, in spite of the use of medicines of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the costive habit, and have vastly improved my general health."

AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical energy.
