New Band.

Aurora has long been noted for its musical talent. Besides the York Rangers' a new band has been organized, which pur- poses playing sacred music only. We believe the main obj. of it is to assist the religious de- nominations.

Phenomenon.

A beautiful bow, extending across the zenith from east to west, was distinctly seen about 10 o'clock on Friday evening, it being particularly bright. Some of our believers in signs, and who cannot see the cause to be immediately obvious, point us to similar indications before the great Russian war.

LADIES—The Cheap Cash House wishes to call your special attention to their Prints and Dress Goods. Sneath & Grennan.

Foot Ball Club.

The Richmond Hill Foot-ball Club in connection with the High School has been organized for the year 1884, and will be much stronger than last year's Club. The following are the officers: President, Jno. McPride; Sec.-Treas., J. Gray; Capt., J. A. Watson; Vice-Capt., Wm. Burns; Committee—Forester, Sisley, Matthews, McCaughey, McCague & F. Grant.

S. S. Quarterly Review.

Last Sabbath, a review of the previous quarter's lessons was held by the teachers of the C. M. Sabbath school, each teacher taking a part in the work, and by the way the scholars acquitted themselves, they must have been carefully taught. The efficient manner in which this school is conducted is a credit to the Superintendent, Mr. Harrison, and all concerned.

Painful Accident.

As Mr. John Duncan was assisting in unloading some furniture belonging to Mr. Leaman who is taking up his residence in Yorkville, a box fell on his arm, breaking it in two places below the elbow, besides spraining his wrist. After getting the bone bandaged and set, Mr. D. had to ride all the way from the city, which must have been very painful. We hope it will not be long before he is around again.

A Good Story.

Everyone likes to read and hear a good story, one that is bright, cheerful and entertaining; one that will get the lads and lasses to "bide at home o' nights to read." A good story will make the housewife smile and the gude man clap his hands with delight. THE FAMILY WELCOME contains exactly what will please and instruct. We direct our readers attention to its advertisement in our columns and say,—READ IT and TAKE IT.

Lacrosse Concert.

The Concert to be given on Good Friday promises to be the treat of the season. Every preparation is being made to insure its success. The following talent has been secured:—Mr. Sheppard, of Barrie; Messrs. Cameron, Derry and Miss Coulter, of Toronto; Miss Willmot, of Buttonville, and Mr. Bailey and daughter, of Richmond Hill. The Lacrosse boys are preparing some fine choruses, which, no doubt, will be well executed. Secure your tickets in good time.

A Valuable Gift.

The Travelers Insurance Company of Hartford, Conn., whose graceful tribute to the American press, the engraving of the "Representative Journals and Journalists of America," was last year given such wide distribution, are now giving further proof of their artistic enterprise. This time they have brought out a special edition for the press, of the official engraving of the colossal French statue of Liberty as it will appear on the gigantic pedestal now being erected for its reception in New York harbor, above whose waters it will next year raise its flaming torch to more than double the height of Niagara Falls. This office has received a copy of this interesting work with the compliment of the "Travelers," to whom acknowledgments are hereby tendered.

Sabbath School Notice.

The teachers in connection with the Presbyterian sabbath school, have received a requisition consisting of about one hundred signatures, to change the hour of opening of the school from 9.30 a. m. to 2.30 p. m., all those signing the requisition having promised to attend the school if the request were granted. The teachers would also take this opportunity of extending a cordial invitation to all friends of the Sabbath school to assist in their labors. They need every assistance in the great work for the master. The library which has lately been purchased consisting of one hundred and fifty volumes of selected literature will also be opened up on the same day, and in order to procure a book it is necessary to become a member of the school. The regular weekly meeting of the teachers, for the study of lessons, and special prayer for God's blessing to rest upon teachers and taught, is held every Thursday evening at 7.30.
