LOCALS.

Suspended.

The Teronto World and the Cookstown Advance have suspended publication.

Get to Work.

Now is the time to clean up all back yards and other enclosures, the accumulations of winter require removing beyond danger limits.

Arbor Day.

We hope our City Fathers will not forget Arbor Day this year and make arrangements for resuscitating failures in last year's growth.

New Wall Papers at the Cheap Cash House. SNEATH & GRENNAN.

Schools Re-opened.

The schools of the village re-opened on Monday, after Easter vscation, and now the streets present a more lively appearance about 9 a. m.

Choral Society.

The choral Society will meet for practice at the residence of Mrs. Wm. Proctor, on Monday evening next. All the members are requested to attend.

Quarterly Meeting.

The last Quarterly Meeting of this Conference year, will be held in the Methodist Church in this village on Sabbath. April 4th, being one week from next Sabbath.

Keeping with the Times.

Mr. P. G. Savage is adopting City style and improving the appearance of his neat residence by substituting a lawn in front, instead of the old-time picket tence.

Those Nobby Youths' Suits at the Concrete House take the eve every time. No trouble to sell! them.

Side-walks.

If the Corporation Committee on sidewalks were to take an investigating stroll they would discover several spots which might be marked dangerous, and may result in a demand for damages by some unlucky pedestrian.

Answer to Bible Question.

The answer to the last Bible Question in the C. M. Church S. S. was "Huldah the Prophetess lived in a College." The question for next Sabbath is "The Lord once showed a Prophet four Carpenters, what was the Prophet's name."

Avenue.

Messrs. Atkinson and Sanderson are bound to have an Avenue in front of the Methodist Church. Doubtful saplings have had to give place to those of more promising growth. If trustees of all churches were equally zealous in such a good work it would be commendable.

Boys Suits in Great Variety at The Cheap Cash House, Newest Styles at Close Prices.

Spring.

Spring has really come and our hearts are gladdened by the warm balmy air of the past few days. The birds have returned from their southern trip to cheer us by their songs, and we, like them, should raise our songs of thankfulness to the Almighty Ruler, who guides the planets in their course, and who has promised that, " while the earth remaineth. day and night, seed-time and har-West shall not cease."

Easter Meeting.

The usual Vestry meeting was held in St. Mary's Church in this willage on the evening of Easter Monday. After minutes of last meeting were read and financial affairs discussed the following gentlemen were appointed to hold office for the ensuing year :-Mr. Nelson Pleyter, as People's Churchwarden; Mr. John Brown, for Rector, and also Delegate to the Synod; and Messrs. Black and R. Hopper, Sidesmen.

THE CONCRETE HOUSE is the place to buy at lowest figures Spades Shovels, Garden Rakes, Hoes, and Seeds of all kinds.

Improvements.

The old landmarks in the Village are gradually being effaced. We notice that R. Siver is tearing down his old shop which is one of the oldest in the village, to make room for a more imposing structure..... Mr. John Palmer is making great improvements in his shed and stabling departments which when finished will correspond with his other buildings, and compare favorably with any north of Toronto.

Every House Keeper should see the 10 cent Grey Cotton at the Con-CRETE, the 17 cent Sheeting, the 8 cent Dress Goods, also the Choice Prunes at 6 cents.

Open Temple.

The Open Lodge held by the Good Templars on Wednesday evening of last week, was not very largely attended, owing, we presume, to the unpleasantness of the weather. A very pleasant time was spent by those present, although there had been no preparations for the evening beyond the usual programme for the good of the order. We hope our Good Templar friends will very shortly open their doors again to the public, and that better weather and consequently a better attendance will be the result.

Vitalized Air. Amora, April 10th, 1884.

A. Robinson, Dentist, DEAR SIR, -I have great pleasure in adding my testimony as to the efficiency of the Vitalized Air in your profession. I was greatly pleased with its effects at your office a few days since, and would strongly advise any person requiring any painful operation to use it. Atris prompt, reliable and safe. Yours sincerely.

R. W. HILLARY, M.D.

Recovered.

Mr. A. J. Rupert received a telegraph despatch on Sunday that a horse, harness and rig, answering to the description given in the Mail, was at a place called Millbank, which is about eighteen miles from Stratford. Upon the receipt of which Mr. Rupert started in pursuit, and found his horse and rig in the possession of a farmer, who was in the act of taking the horse out to plough, so as to rest one of his own. The farmer stated that the horse had been tied to his fence, and it appears that it remained there about thirty-six hours before it was taken in by him. The horse was in such a pitiable condition that it had to be led to the station, and at will be some time before it regains its natural robustness. From the condition of the buggy the thief had evidently driven as far as he could, as when found the wheels remained motionless with surprise. Mr. Rupert returned home on Tuesday. At is to be hoped that the thief will be arrested and punished as he deserves, as it has been a great expense to Mr. Rupert costing him over one hundred dollars, not to mention his loss of time and that sustained to his business by the absence of the animal.

PERSONALS.

John Cosgrove, of the Inland Revenue Department, was in town on Saturday.

Rev. Mr. McTavish occupied the pulpit in the Presbyterian Church Sunday last and delivered very eloquent and interesting discourses morning and evening.

We regret to learn that Rev. J. E. Betts was confined to his bed the early part of the week through illness, but are glad to state that he is recovering.

Mr. Charles Simms, brother of Mrs. E. Bernard, who has been for some time in Montreal, paid his friends in this village a flying visit on Saturday last. He looks as hearty and jovial as ever.

SPRINGHILL.

From Our Own Correspondent. A valuable milch cow belonging to Mr. John Hogan, died suddenly on Saturday

evening. It seems that potatoes had been thrown out to the pigs, which the cow got access to and partook of too many, resulting in her death.

Toronto to learn the shaving, hair-cutting and shampooning business. We expect to see him back in about six months fully fledged. It would be a good thing for Springhill if a striped pole was stuck out as many of the residents have to go to Richmond Hill or Toronto for this kind of thing.

Mr. Breckin, wife and family, have set out for the North-West. We understand that Mr. Breckin has a large number of acres under cultivation ready for and prosperity in their new home.

The baby harvest is still in progress.

Our shoe merchant is doing a rushing business. Orders are now promptly attended to. Sewed work a speciality. We believe he can turn out a Balmoral second to none. Shoemakers are generally noted for disappointing, but we are glad to know that our man is an exception to the general rule.
