RICHMOND HILL, Thursday, May 1, '84

LOCALS.

Personal. Rev. J. E. Sanderson, Superintendent of the Aurora circuit, preached in the C. M. Church here on Sunday evening last.

A. F. & A. M. Richmond Lodge, No. 23 G. R. C., meets in the Masonic Hall, on Monday evening next at 8 p. m., for general business.

Fire in Aurora. About 9.30 a. m. on Sunday morning, a dwelling house occupied by Mr. Sheath was burned, but as to the cause of the fire or other particulars we have not learned.

Change of Ad. Our Citizens in Richmond Hill and vicinity will do well to note Mr. P. G. Savage's new ad. in another column. Great bargains are offered, 25 per cent. below City prices. Call and see for yourselves.

Fire Brigade Meeting. The first regular monthly practice of the Richmond Hill Fire-brigade will take place tomorrow evening, (Friday) followed by their business meeting in the Lorne Hall. Let every fireman be at his post in good time and make the Captain's heart rejoice.

HATS! HATS! HATS! We are showing this week a large variety of Nobby Felt Hats, newest styles and best value at the CHEAP CASH HOUSE.

Where is it? Can any one inform us, what has become of our Water-tank? It is reported that part of it is reared up in the Fair ground, and another part in some other quarter. Our village Fathers should see to the protection of such property and have the same kept in a suitable place free from injury.

The National Game. Our Lacrosse boys are out practicing regularly, and may be said to be settling right down to business. Judging from the way they handle their sticks, we expect soon to hear of them giving a good account of themselves, and, as last year, retaining for Richmond Hill the laurels of victory.

Crosby has Fifteen pounds of Sugar for One Dollar, Six pounds of Tea Dust for One Dollar, and the best Ten Cent Cotton in the Village.

Dinner, Tea, & Concert. The Methodist Church will hold their Annual Dinner, Tea and Concert on May 24th, 1884. Nothing will be spared to make everyone comfortable, and give them a rich musical treat. Thirty-two voices have been engaged from the Queen St. M. Church Choir, Toronto. Further particulars next week.

New Express Waggon. New and spiky rigs still continue to be turned out at Trench's Carriage Works, the latest we have noticed, being a heavy express waggon gotten up in first-class style, to be run in connection with A. J. Rupert's livery. This will add materially to Mr. Rupert's already large collection of stylish conveyances.

The Best Dundas A Shirting and the Ontario Mills A Shirting is sold at the CONCRETE HOUSE for 17 cts. per yard and 5 per cent. Discount allowed for Cash.

Entrance Examination. Intending Candidates for the next Entrance Examination, will notice by ad. in another column, that the time has been changed from 25th & 27th of June to July 3rd and 4th. Those who intend writing at Richmond Hill can obtain blank forms by applying to the Head Master of High School, Mr. John McBride.

Sabbath School.

In the Methodist Sabbath School, on Sunday last the lesson for the day was taken up by both teachers and scholars. A number of written questions handed in were answered by the Superintendent. The answer to the last question, will be found in Zechariah, 1st Chap, 20th verse. The question for next Sabbath is "Whose daughter was Noah." Search and find.

HARPER'S BAZAR PATTERNS—Sneath & Grennan are agents for these celebrated patterns, also Harper's Magazine, Weekly, Bazar and other publications.

Choral Society.

A large number of the young ladies and gentlemen of the village, belonging to the Richmond Hill Choral Society, assembled at the residence of Mrs. Wm. Proctor on Monday evening last for practice, where a very pleasant and profitable time was spent. The next practice will be held at the residence of Mrs. Nicholls on the evening of the 2nd Monday in May.

Vitalized Air.

Aurora, April 10th, 1884. A. ROBINSON, Dentist, DEAR SIR,—I have great pleasure in adding my testimony as to the efficiency of the Vitalized Air in your profession. I was greatly pleased with its effects at your office a few days since, and would strongly advise any person requiring any painful operation to use it. It is prompt, reliable and safe. Yours sincerely, R. W. HILLARY, M.D.

WHY MRS. — this Tea of yours is delicious, where did you buy it? I bought it at the CONCRETE HOUSE, Richmond Hill, and got 4 lbs. for one dollar. Well I must have some of that Tea!

Temperance Meeting.

Quite a large number of delegates from different parts of the County of York assembled in the Temperance Hall on Wednesday last for the purpose of taking into consideration the advisability of submitting the Scott Act to the electors. Mr. F. S. Spence of Toronto, and others, addressed the meeting at considerable length, giving an account of the Act, and its workings in other parts, after which those present formed themselves into a committee, and resolved to take immediate steps to have the Act submitted. The meeting was a very enthusiastic one, and, by accounts given from other places, victory is sure to follow.

Nuisances.

Our attention has been called several times of late, to the fact of certain nuisances in the village, much to the annoyance of private persons, which should be sharply looked after by our Village Council. We have a Nuisance Inspector, whose duty it is to see, particularly at this season of the year, that all back yards and out houses, are well cleaned out, and that such buildings as hog-pens, &c., are removed at sufficient distances from their neighbors, so as not to cause them any inconvenience, or endanger the health of those living near. Some people dislike to be interfered with, but the sanitary laws of the village should be strictly enforced, no matter how unpleasant it may be for the officer whose duty it is to enforce the same.

The CONCRETE HOUSE is noted for the Best Goods at the Cheapest Rates, as far instance:—18 lb Good Sugar for one dollar, 27 Bars Victoria Laundry Soap for one dollar, 35 lb Best Oatmeal and each of the following for the same amount—16 lb Best Sago, 16 lb Pearl Tapioca, 17 lb Good French Prunes, 24 lb Best Rice, 1/2 doz. Cans Best Star Salmon.

Our New Bank.

The Richmond Hill branch of the Central Bank of Canada may now be said to be in good working order. The Manager, Mr. J. M. Lawrence, has spared no pains nor expense in fitting up his office in first-class style, which answers admirably all the purposes for a bank. A large vault has been built, and everything in connection appears to be as commodious as possible. Quite a large amount of business is already being done, and the prospects for the future are very encouraging. Several of our merchants have opened accounts, and many of the farmers in the surrounding neighborhood are gladly availing themselves of its privileges. Mr. Lyon, the assistant, understands thoroughly the banking business, and, by his genial disposition, and obliging manners with his patrons, it is sure to succeed.

BIRTHS.

TYNDALL—In Richmond Hill, on Friday, April 18th, the wife of Mr. George Tyndall, of a daughter.

DEATHS.

DURHAM—Early on the morning of the 28th ult., at 109 Argyl Street, Toronto, after a lingering illness, W. J. Durham, aged 25 years, 2 months and 13 days.

LASKAY.

From our own Correspondent. On Sunday last the tainery belonging to Mr. E. J. Davis, Kinghorn, was reduced to ashes. The loss is estimated at about fifty thousand dollars, and is partly covered by insurance. It is insured to the extent of twenty thousand three hundred dollars. It is to be hoped that Mr. Davis will re-build, if not it will be a death-blow to Kinghorn, as Mr. Davis employed 23 working hands and the most of these are residents of the village and depended chiefly on him for labor.

Our merchant, Mr. W. Bowes, has just purchased a large stock of summer goods, and is selling them off at greatly reduced rates. His winning ways and honorable dealing will add greatly to his custom.

Mr. Cluhine, of this place has sold seven head of beef cattle to Mr. Pugsley, of Yonge Street. They were the best cattle that have been sold around here for some time.

Miss Bogart, of Newmarket, had been visiting some of her lady friends here last winter, and during her stay entertained herself with others, sleigh-riding down Laskay hill. While amusing herself in this manner she lost a valuable gold bracelet. Some of the fascinating young men of the village kindly offered their services in searching for it, but were unable to find it. Last Sunday it was found by one of our village ladies. This will be a good chance for Benny, the blacksmith, to take a trip up to Newmarket with the lost treasure, on some nice balmy Sunday. No doubt he will be greeted with many smiles.
