

SCROFULA

and all scrofulous diseases, Sores, Erysipelas, Eczema, Blotches, Ringworm, Tumors, Carbuncles, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood.

To cure these diseases the blood must be purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has for over forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases.

A Recent Cure of Scrofulous Sores.
"Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done me.

Yours respectfully, MRS. ANN O'BRIAN,
118 Sullivan St., New York, June 24, 1882.

All persons interested are invited to call on Mrs. O'Brian, also upon the Rev. Z. P. Wilds of 78 East 34th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many others within his knowledge.

The well-known writer on the Boston Herald, B. W. BALL, of Rochester, N.H., writes, June 7, 1882:

"Having suffered severely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of AYER'S SARSAPARILLA, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

Ayer's Sarsaparilla

stimulates and regulates the action of the digestive and assimilative organs, renews and strengthens the vital forces, and speedily cures Rheumatism, Neuralgia, Rheumatic Gout, Catarrh, General Debility, and all diseases arising from an impoverished or corrupted condition of the blood, and a weakened vitality.

It is incomparably the cheapest blood medicine, on account of its concentrated strength, and great power over disease.

A. L. SKEELE,

The "constantly tired-out" feeling so
often experienced is the result of im-
poverished blood, and consequent enfeebled
vitality. Ayer's Sarsaparilla feeds and
enriches the blood, increase the appetite,
and promotes digestion of the food, and
the assimilation of its strengthening qual-
ities. The system being thus invigorated
the feeling rapidly changes to a grateful
sense of strength and energy.

A PRIZE. Send six cents in post-
