

**THE COURT HOUSE SITE.**

At the meeting of the City Council on Monday it was decided, on the casting vote of Mayor Boswell, that the new Court House should be erected on Queen-street West, at the head of Bay-street. The decision is objectionable, and so is the manner in which it was reached. The location of the Court House is an important matter, and as such it should not be decided by the casting vote of the chairman. There is ample precedent for the presiding officer refusing to give the vote which is to decide such a large question as this. In Mayor Boswell's case it happens that he is justly or unjustly suspected of desiring to manufacture political capital for himself in the districts which is to benefit by his vote, and, in view of this, his presuming to vote is an act of utter indecency.

The objections to the site chosen are many and important. It is almost certain that the county will not adopt it, but will stand by its own choice. This means that we are to have two court houses, two sets of courts, and both and bewilderment among suitors, witnesses, and the general public as to which is the Court House. Further, a Court house on the site chosen will be less accessible to the majority of the people than it would be on one of the sites east of Yonge. There is lack of hotel and eating-house accommodation near the new site for those who have business at the court. But the chief objection is one affecting the financial interests, almost the rights of a large class of people. There are a number of businesses that have grown up about the Court House, the success of which is dependent on the patronage which the presence of the Court House brings them. For instance, there are many hotels within a few hundred yards of the present site, the proprietors of which depend to a large extent upon the custom of these having business in the Court. These hotels have, it may be said been brought into being by the necessity that has existed for the accommodation of jurors and witnesses whose slender allowances have not permitted them to go to more expensive places. What these jurors and witnesses wanted was plain, decent accommodation for \$1.00 a day and that has been supplied to them. Now, by the casting vote of Mayor Boswell, the Council decrees that the livelihood of these hotel-keepers shall be taken away and their property destroyed. It will be most unfair to those interested if the success of their trade is interfered with by a vote of the City Council. The whole question of the Court House should be re-considered.—Globe.

**AYER'S PILLS.**

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspepsia, Headache, Dysentery, and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

**A Sufferer from Headache writes:**  
"AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look to for relief. One dose will quickly move my bowels and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers."  
W. L. PAGE, of W. L. Page & Bro., Franklin St., Richmond, Va., June 3, 1882.

"I have used AYER'S PILLS in numberless instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. FOR DYSPEPSIA they are invaluable."  
J. T. HAVES.  
Mexico, Texas, June 17, 1882.

The REV. FRANCIS B. HARLOWE, writing from Atlanta, Ga., says: "For some years past I have been subject to constipation, from which, in spite of the use of medicines of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the costive habit, and have vastly improved my general health."

AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical economy.
