### Adjourned.

The case of J. Powell, commenced on Wednesday last, for infraction of the Croft's Act, has been adjourned till Saturday.

### A. F. & A. M.

The next regular meeting of Richmond Lodge, No. 23, G. R. C., will be held in the Masonic Hall, on Monday evening, Aug. 4th, at 8 p. m.

Good Seamless Cotton Grain Bags, \$2.25 per doz., at the Concrete.

### Call and See.

Those who are in want of a first-class sewing machine will do well to consult Mr. Lush before purchasing elsewhere. Mr. Lush is also agent for Pianos and Organs. Read his ad. in another column.

### Died Of Inflammation.

Mr. A. J. Rupert lost one of his driving horses on Tuesday last. The animal and its mate had only just returned from Newmarket, when it was suddenly seized with an attack of inflammation and died in less than half an hour.

Fresh Stock of Fruit Jars of all sizes, at lowest rates, at the Concrete.

### Civic Holiday.

Aurora has decided to have its Civic Holiday on Friday, August 1st. The main attraction of the day is to be an excursion to Collingwood, under the auspices of the K. O. O. F. of that place. Is it not about time our Civic Holiday is being spoken of?

### Remodelled.

Mr. J. Thompson's covered bus is being handsomely painted and thoroughly repaired at Mr. Trench's Works, giving it the appearance of a conveyance perfectly new. The scrolling is very tastily executed, and reflects great credit on the workman.

Look at change of advertisement for Concrete House this week.

### Dog Show.

One of the attractions at the Industrial Exhibition, to be held in Toronto in Sept. next, will be a Dog Show. Over \$200 is to be given in prizes in the different classes. A prize of \$25 will be given to the Colley which can most satisfactorily take its sheep between two posts and back to a pen.

### A Great Invention.

Mr. Black, of Unionville, has, during the week, been canvassing the village for an electric lamp, which surpasses anything of the kind we have ever witnessed. It burns coal oil, and will produce light equal to five or six ordinary lamps. It is the nearest approach to the real electric light ever invented. In hotels, churches or large buildings where a large volume of light is required, it would answer admirably, and by its construction is perfectly safe under all circumstances.

### Beware of T.amps.

For some time past Mr. Wm. Graham, on the 3rd Con. Vaughan, has had employed as a laborer a person who claims to be an immigrant. A few days ago Mr. migrant suddenly decamped, securing, before his farewell, a watch, chain, some money and other articles to the value of about fifty dollars. Search has since been made for the light-fingered gentleman, but nothing has yet been reported to lead to his capture, although it has been reported he has been seen in the neighborhood.

## Visiting.

A number of the members of the Good Templars Lodge of this place visited the Sons of Temperance at Eversley on Saturday evening last, and were cordially entertained. They report the lodge to be in a flourishing condition.

### I. O. G. T.

The following were elected last evening as office bearers for the ensuing quarter at the Temperance Lodge in Richmond Hill.—W. C. T., Bro. C. Rutherford; W. V. T., Sis. J. A. E. Switzer; W. S. Bro. Geo. McDonald; W. F. S., Bro. S. Agar; W. T., Sis. J. H. Sanderson; W. L. G., Sis. H. Wiley; W. O. G., Bro. J. H. Sanderson; P. W. C. T., Bro. W. Storey; T. D., Bro. W. Harrison.

### New House.

Messrs. W. Storey and A. Linklater have the contract and are erecting a new dwelling house for Mr. Bricknell, on Centre St. west. The building is to be brick-clad, and when finished will add greatly to the appearance of that locality. Should Mr. B. get hold of a few more houses on that street, it will be quite in order to change its present name to that of Bricknell.

### Theft.

Some party entered the granary of Mr. Robt. McNair, near Elgin Mills, one night last week, and carried off several pork hams which had been put away for harvest use. Evidently it was some person well acquainted with Mr. McNair's out-buildings. Ham is a very desirable food at this season of the year, but it is very mean to steal it from a hard working man, who toils both early and late.

SPECIAL value in Grey Cottons and Heavy Check Shirtings at the Concrete, now selling the heaviest and best Grey Cotton that has ever been offered on Richmond Hill, for 10 cts. per yd.

### Championship Medal.

The gold medal recently won by the "Young Canadians" from the "Excelsiors," of Brampton, has been received and may be seen in Mr. A. L. Skeele's show window. The upper part of the medal consists of two lacrosse sticks; below this is a beautiful golden beaver, and below the beaver is a large plate of silver, surmounted like an old Masonic apron, all enclosed in a handsome case. The workmanship was executed by Messrs. Welch & Towson, Toronto, and is an elegant piece of workmanship.

7 Bars Victoria Laundry Soap for 25cts., 7 Bars Best Common Soap for 25cts., 3 lb. Bar Eclipse Soap for 25cts., 3 lb. Bar N. P. Soap for 25cts., 17 lbs. Pearl Tapioca for \$1.00, 17 lbs. Best Sago for \$1.00, 24 lbs. Best Rice for \$1.00 at the Concrete House, Richmond Hill.

### Firemen's Garden Party.

All friends of our noble fire brigade, and all interested in the safety of their property in time of fire, are requested to turn out and lend a helping hand at the Garden Party, to be given in Mr. H. Sanderson's beautiful grounds, to-morrow, (Friday) evening. The Richmond Hill Cornet Band have kindly consented to be present and furnish music. A tug of war, between members and non-members of the brigade, together with other sports will constitute a part of the programme. Tea will be served from 6 till 10 p. m. Ice-cream, Lemonade, and the delicacies of the season will be provided. As the Company require funds to meet the expense in taking part in the Tournament to take place in Toronto in Sept. next, it is hoped they will receive the hearty patronage of all who can possibly attend.

### PERSONALS.

Mr. and Mrs. Ralph A. Ber, of Port Perry, are spending a few days in the village visiting relatives and friends.

Mr. Roberts, of Brampton, a prominent member of the "Excelsior" Lacrosse Club, was in town on Tuesday for the purpose of arranging a return match with the "Young Canadians."

Mr. and Mrs. Wm. Powell and Percy left on Wednesday for a trip to Blenheim, St. Thomas and other places, where they intend spending a few weeks with their relatives and friends.

Among the successful candidates at Richmond Hill for entrance to the High School, was Walter Klinek, who hails from S.S. No. 4 Markham. He headed the list out of a large number who passed. The undaunted perseverance and marked ability of Walter tend to a special success in the future.—Com.

Most excruciating are the twinges which rack the muscles and joints of the rheumatic. Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, by promoting increased action of the kidneys, by which the blood is more effectually depurated, removes through the natural channels certain acrid elements in the circulation which produce rheumatism and gout. The medicine is also a laxative, antibilious medicine and general corrective.
