

PINE GROVE.

From Our Own Correspondent.

When your correspondent of this place wrote his first correspondence, he did not intend to follow it up, but when your Laskay correspondent gave him a cut, he could not resist. It is true that there is no steam power in this place, but for all that, there is steam, and, if Mr. Laskay has forgotten the time, there was steam enough in the baseball club of this place to take the puff out of the Cornhusks of Laskay. I wish to remind him of it. Perhaps he did not live there then. We know that Laskay is not incorporated, and why boast of a Mayor? I'm sure that Mr. G. would rather be called by his proper name. P. G. is not incorporated, but why should it not be when Woodbridge is, for there is a sufficient number of people in P. G. to make two Wood bridges?

As I said before, we are a civil, law-abiding people, but sometimes there are differences of opinion. If Bob and Jack differ in opinion, they do not want the whole world to know it; and so forego having recourse to the columns of the LIBERAL, like some people in a village we read of.

Since my first epistle, one of the unoccupied houses has received two occupants, a man and his wife.

Our farmer brothers are now painting. All take a guess what is going to happen and watch and wait to see if you have guessed correctly. I hope all may not guess the same.

The farmers are very busy with the harvest, the berry-pickers busy picking berries while in the patch, and mending their clothes when they get home; the store-keepers busy parcelling sugar, and some others busy putting down berries. There is every appearance of a bountiful harvest.

We are very sorry to relate that Mrs. J. Hardy of Streetsville is lying very ill at the residence of her father, Mr. John Brown. Although very poor hopes of her recovery are entertained, still we hope that her life may be spared to train up her little Charlie and to comfort her husband.

Mr. W. R. Lazier, Bailiff & Bellville, writes: "I find Dr. Thomas' Eclectric Oil the best medicine I have ever used in my stable. I have used it for bruises, scratches, wind puffs and cuts, and in every case it gave the best satisfaction. We use it as a household remedy for colds, burns, &c., and it is a perfect panacea. It will remove warts by paring them down and applying it occasionally."

LASKAY.

From Our Own Correspondent.

The people in this vicinity are looking very anxiously for the erection of a new bridge. We understand that the Council are only going to put stringers across the old rotten posts, which we deem absurd. We hope they will ponder the matter over and erect a new bridge.

We are all happy to learn that our Mayor has returned home safely from his tour through the Muskoka district. He unfortunately took ill a few days after his arrival, but we hope he will soon be able to attend to our village matters.

We understand that one of our village masons has started to harvest up the 6th. We have not yet learned how it agrees with him, but by all accounts he is just in town up there.

HALL'S
Vegetable Sicilian
HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements needful for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: the entire fulfilment of its promises.

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

AYER'S
Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. **AYER'S CHERRY PECTORAL** has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried **AYER'S CHERRY PECTORAL**, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the **PECTORAL** a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your **CHERRY PECTORAL** saved me."
—**HORACE FAIRBROTHER.**
Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of **AYER'S CHERRY PECTORAL**, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the **CHERRY PECTORAL** had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,
—**MRS. EMMA GEDNEY.**

"I have used **AYER'S CHERRY PECTORAL** in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried."
—**A. J. CRANE.**
Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of **AYER'S CHERRY PECTORAL.** **JOSEPH WALDEN.**
Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of **AYER'S CHERRY PECTORAL**, believing as I do that but for its use I should long since have died from lung troubles."
—**E. BRAGDON.**
Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of **AYER'S CHERRY PECTORAL**, and it will *always* cure when the disease is not already beyond the control of medicine.

MAY DEW

The Great French Lotion for Beautifying The Face.

It conceals the evidence of age. One application will make the most stubbornly red and rough hand beautifully soft and white. Remember that "MAY DEW" is not a paint or powder that fills up the pores of the skin, and that is injurious to the skin, but a new and great discovery, a vegetable liquid, that causes the cheek to glow with health, the neck arms and hands to rival the lily in whiteness. Impossible to detect in the beauty it confers any artificial character. It cures Greasy Skin, Freckles, Wrinkles, Pimples, Black Head, Crow's Feet, Blisters, Face Grubs, Sunburn, Tan, Ringworm, Chapped Hands, Sore or Chapped Lips, Barber's Itch, Tetter, &c. It frees the pores, oil glands and tubes from the injurious effects of powders and cosmetic washes. By its use all redness and roughness are prevented; it beautifies the skin and will make it smooth, soft and white, imparting a delicate softness; producing a perfectly healthy, natural and youthful appearance. The best Face Lotion the world ever produced. We will send a LARGE BOTTLE to any address on receipt of price—\$1.00. When ordering mention this paper.
