**Fastest time on Record.**  
 The wildest excitement ensued on Aug. 1st, at Naragansett Park, when the announcement was made that Jay Eye See had beaten the fastest time on record, that of Maud Seacomming under the wire in 2 min., 10 sec. He was not long, however, entitled to the honor of "King of the Turf," as Maud S. the day following, at Cleveland, again beat this wonderful performance, and made her time 2 1/4 without a skip. Mr. Vanderbilt can yet be congratulated owing the "Queen" who still reigns supreme.

### Horse Race.

A trotting race came off on Tuesday evening between "Butcher Girl," of Richmond Hill and "Tannery Maid," of Elgin Mills. The Girl came under the wire first, but the Maid received the money, according to the English rules. For further particulars see *Sporting Times*.

### Champion-hip Lacrosse Match.

The "Excelsiors," of Brampton, evidently do not intend giving up the championship permanently without a struggle. They have challenged the "Young Canadians," and a return match will take place on the fair ground here, on Saturday, Aug. 16th, of which further notice will be given.

Great Bargains in Fancy Dress Goods, Shirtings, Cotton Hosiery, &c., at the Concrete House.

### New Paper.

We have been sent Vol. 1, No. 1 of the *Toronto Weekly News*. It is a four paged sheet, and contains a large amount of condensed matter, together with interesting stories, sketches and pictures. It is published in Toronto by Edmund E. Sheppard, who is a strong advocate of Canadian independence, and Democratic principles generally.

Thanks!  
 Mr. R. E. Law, Librarian of the Richmond Hill Mechanics' Institute, desires to respectfully tender, on behalf of the Board of Directors, their sincere thanks to N. C. Wallace, Esq., M. P., for Vols. 1 & 2 (nicely bound in library style) of Debates of Dominion House of Commons of session 1884, kindly delivered by Mr. John Ducean of this village.

Ladies, don't forget the Great Discount Sale of Fancy Dress Goods now going on at the Concrete. From 15 to 25 per cent. off all Fancy Dress Goods.

**Grip's Canadian Gallery.**  
 Grip has just started on a new era. Last week contained the first of a series of colored portraits of our Canadian Statesmen, that of the Right Hon. Sir John A. Macdonald, K. C. B. Every subscriber or purchaser of Grip is entitled to this sheet, which is separate from the book, without extra charge. The pictures are to be published monthly, and the accompanying Grip will contain a biographical sketch of the character represented. Now is a good time to subscribe, as the pictures themselves will be well worth the price paid, to those who take an interest in our representative men.

For 25cts. you can buy at the Concrete each of the following:—  
 4lbs. Good Prunes, 3 Packs. Corn Starch, 15 Packs. Washing Crystal, 6 lbs. Best Rice, 4 lbs. Pearl Tapioca, 7 Bars Victoria Laundry Soap, 4 lbs. Good Currants.

**Village Council.**  
 The Council met on Wednesday evening, 6th inst. Reeve in the chair. Members present, Messrs. Moodie, Hopper, Crosby and law. Minutes of last meeting read and approved. Accounts were read from Brown Bros., for nails, \$13.33; Wm. Bricknell, for work done, \$20.25; M. H. Keefer, printing and advertising Voters' List, \$9.00. Moved by Mr. Crosby, seconded by Mr. Moodie, that the foregoing accounts be paid as soon as funds will permit.—Carried. Councillor Hopper gave notice that at the next meeting of Council he would introduce a By-Law to amend statutory By-Law, in reference to slaughter houses, as follows: Instead of slaughter houses being 200 yards from any building they shall be 100, and instead of 70 yards from a street they shall be 50 vds. Council adjourned to meet on Wednesday, Sept. 3rd, at 8.30. M. TEEFY, Clerk.

**Firemen's Garden Party.**  
 The large crowd of people which assembled on Friday evening last at the Garden Party, on Mr. H. Sanderson's lawn, goes a long way to show the high esteem in which the Firemen are held in the village and surroundings. We doubt if ever a call was more cheerfully responded to than was that when the ladies of the village were asked to bake and make preparations for the holding of this party. The tables were erected, the torches prepared for lighting, and the grounds got in readiness during the afternoon, and by 6 p. m., the time for starting, quite a number had arrived to take part in the evening meal. Tea continued to be served from then until 10 p. m., during which time the seats around the tables were never unoccupied. The strength of several classes was well tested on the 'Tug of War', firemen against non-firemen, cricketers against lacrosse players, besides which several contests took place between teams chosen by the youthful aspirants. It is needless to say each side won the victory, or should have done so, if the "other side" had not received additional assistance. Many other races were entered into with much fervency, but that which called forth most applause and created the greatest excitement, was the "Sack Race." Several contestants would likewise have won this race, had not one fellow played "sharp" on the rest. As basket after basket of provisions was never touched, in consequence of the great supply, a 10ct. social was held on the following evening in the Temperance Hall, when a large number also took tea. After deducting expenses, the net proceeds amounted to \$48.45.

Mrs. Mary Campbell, Elm, writes:— "After taking four bottles of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, I feel as if I were a new person. I have been troubled with dyspepsia for a number of years, and tried many remedies, but of no avail, until I used this celebrated Dyspeptic Cure." For all impurities of the blood, sick headache, liver and kidney complaints, costiveness, etc., it is the best medicine known.
