

OUR NEIGHBORS.

Diphtheria still lingers about Newmarket. Markham Village is assessed for \$400 for High School purposes.

The Municipal vote of Newmarket is increased this year by the addition of sixty of the fair sex.

The salary of Mr. McLean, assistant in High School, Markham, has been raised from \$650 to \$700.

Newmarket's Civic Holiday will be held on Wednesday, Aug. 13th. Many purpose going on an excursion to St. Catharines.

Over 1000 signatures above the required number appear on the petitions asking for the submission of the Scott Act in Simcoe County.

Gas mains have been laid in the west end of Parkdale. The citizens claim to have been groping in the dark long enough in that district.

The 24th Annual Convention of the Ontario Teachers' Association will be held in the Education Department, Toronto, on Aug. 12th, 13th & 14th.

The "Dufferins" of Orangeville have defeated the "Maple Leafs" of Parkdale in a game of lacrosse. The Parkdale club complain of very rough usage at the hands of former.

There has been considerable ill-feeling of late in Newmarket between the Salvation Army and outsiders. Fighting in the barracks on some occasions forms part of the programme for the evening.

The telephone communication between Toronto and Barrie will be completed by the 15th of the present month. Many of the intervening villages have branch offices. Aurora is to have about a dozen instruments.

The Ontario Government have caused very convenient note books to be printed for the use of Sanitary Inspectors of each municipality in the Province, copies of which have been forwarded to the clerks of the various corporations.

Miss Charlotte Granger, of Queensville, North York, fell down a well forty five feet deep, alighting in the water, which was about fifteen feet in depth. After about two hours she was rescued, and was fortunately not injured, except thoroughly chilled. Who will dare say anything against hoops after this?

PURPLEVILLE.

From our own Correspondent.

What might have been a sad accident occurred the other day as Mr. and Mrs. A. Morrow were returning home with a team of horses. It appears that while driving leisurely along, by some means or other, the tongue of the buggy came down and frightened the horses. Mr. Morrow being expert with the lines and well skilled in horsemanship, managed to keep them on the road till one of the draw clips gave away, when he lost all control and they ran away. They dashed along at such a terrible rate that the wheels went to pieces and Mr. and Mrs. M. were thrown out on the ground. Mr. M. came off without a scratch, but his companion was not so fortunate, having received several bruises. Am glad to hear that by latest news she is getting better.

One of our young men who lives not more than ten miles north of Purpleville, arrived here a few evenings ago and spent a short time with the boys, but thinking he might find more agreeable company, he took his departure to another quarter. We think, however, there must have been some mistake, as he is not a likely person to spend a whole evening with an old gentleman.

Your reporter thinks next winter is going to be a cold one, judging from the large amount of wood that is coming into the village.

No work is being done on the big hill now, greatly to the annoyance of some of our young men who have to go that way. Were they permitted to ride in the carriage along with the object of their affections it would not grieve them, but they are not allowed that privilege.

A respectable farmer a little west of this place complains of one or more persons traversing his fields, greatly to the annoyance of his dogs, who are of a watchful nature.

Two young men passed through this place on Saturday evening who, I think, were intoxicated, and used language that was unfit to listen to. It would be well for the town constable to be on the watch and arrest such miscreants.

CATARHUS—A new Treatment whereby this hitherto incurable disease is permanently cured in from one to three applications, no matter whether standing for one year or forty years. Descriptive pamphlet sent free on receipt of stamp. A. H. DIXON & SON, 305 King Street west, Toronto, Canada.

HEADFORD.

From Our Own Correspondent.

Our minister on this circuit, Rev. Mr. Booth, has lately moved to this village, and we feel assured that by his amiable manner, he will wipe away our regret of the loss of Rev. Mr. Scott, our late pastor.

The weather in this vicinity is anything but favorable to the farmers and unless there soon comes a change for the better, I fear a great portion of the wheat and barley will be ruined.

I think our ladies are anticipating an early return of Jack Frost, for occasionally a great number of them congregate together for the purpose of manufacturing quilts, in order that they may be able to repulse the aforesaid gentleman at the time of his visitation.

At a quilting bee, recently held at the residence of one of our villagers, a rather unfortunate accident occurred, the victim of which was so badly pierced with a pin, that he was unable to follow several duties where *sedens* was required, but now I believe the young gentleman has fully recovered.

We feel very grateful to Mr. D. Hislop for depriving those who are devoid of shame the privilege of swimming in his pond during the day.

AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspepsia, Headache, Dysentery, and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A Sufferer from Headache writes:
"AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look to for relief. One dose will quickly move my bowels and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers."

W. L. PAGE, of W. L. Page & Bro., Franklin St., Richmond, Va., June 3, 1882.

"I have used AYER'S PILLS in numerous instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. FOR DYSPEPSIA they are invaluable."

J. T. HAYES, Mexia, Texas, June 17, 1882.

The REV. FRANCIS B. HARLOWE, writing from Atlanta, Ga., says: "For some years past I have been subject to constipation, from which, in spite of the use of medicines of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the costly habit, and have vastly improved my general health."

AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical economy.

INVALUABLE TO EVERY LADY!

MAY DEW

The Great French Lotion for Beautifying The Face.

It conceals the evidence of age. One application will make the most stubbornly red and rough hand beautifully soft and white. Remember that "MAY DEW" is not a paint or powder that fills up the pores of the skin, and that is injurious to the skin, but a new and great discovery, a vegetable liquid, that causes the cheek to glow with health, the neck arms and hands to rival the lily in whiteness. Impossible to detect in the beauty it confers any artificial character. It cures Greasy Skin, Freckles, Wrinkles, Pimples, Black Head, Crow's Feet, Blotches, Face Grubs, Snuburn, Tan, Ringworm, Chapped Hands, Sore or Chapped Lips, Barber's Itch, Tetter, &c. It frees the pores, oil glands and tubes from the injurious effects of powders and cosmetic washes. By its use all redness and roughness are prevented; it beautifies the skin and will make it smooth, soft and white, imparting a delicate softness; producing a perfectly healthy, natural and youthful appearance. The best Face Lotion the world ever produced. We will send a LARGE BOTTLE to any address on receipt of price—\$1.00. When ordering mention this paper.
