

To lessen mortality and stop the inroads of disease, use Northrop and Lyman's Vegetable Discovery and Dyspeptic Cure. For all diseases arising from Impure Blood, such as Pimples, Blotches, Biliousness, Indigestion, etc., etc., it has no equal. Mrs. Thomas Smith, Elm, writes: "I am using this medicine for Dyspepsia: I have tried many remedies, but this is the only one that has done me any good."

BUREAU OF INDUSTRIES.

The Report of the Bureau of Industries for August gives a cheering account of the wheat crop of the Province. The fall wheat appears to have made steady improvement throughout the season, and in localities where it was regarded as hardly worth saving in May, good harvests have been reaped. The moderately cool weather and occasional rain-showers favored continuous growth and healthy maturity, and the grain is an excellent sample, being plump, hard and bright. In a few localities it was attacked by the midge and weevil, but the extent of injury by these pests is not appreciable on the aggregate crop. Reaping began in the south-western counties of the Province about the middle of July, and by the 1st of August the bulk of the crop was cut and much of it safely housed. The harvest weather being very favorable, the grain has been gathered in first-rate condition. Accounts of the spring wheat are equally good, excepting for the northern and north-eastern counties, where its growth was checked by the drought of June. But even in these districts it promises a fair yield, while in the Lake Ontario, West Midland, Georgian Bay and Lake Huron counties it is reported to be better than for many years. It will be fully ripe about the middle of the month, and with a continuance of the present weather the quality will at least equal that of the fall wheat. The following table gives the area and production of the crops this year and last year—the production of the present harvest being based on the estimates of 1,150 correspondents:—

	1881	1882	1883	1884
	Acres.	Bush.	Acres.	Bush.
Fall Wheat	664,961	17,408,356	1,091,467	11,597,839
Spring wheat	720,632	13,234,341	886,410	9,726,063
Totals	1,385,593	30,642,697	1,977,877	21,323,902

The bad harvest of fall wheat last year and the comparatively good harvest of spring wheat account for the decreased area of the one crop and the increased area of the other this year.

Those two foes to bodily comfort, Dyspepsia and Biliousness, yield when war is waged against them with Northrop and Lyman's Vegetable Discovery and Dyspeptic Cure. Its use also insures the removal of Kidney and Uterine maladies, and promotes unobstructed action of the bowels. The purity of its ingredients is another point in its favor. As a blood purifier it has no equal. It is also a great favorite with the ladies.

AYER'S Hair Vigor

restores, with the gloss and freshness of youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured.

It checks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and leads nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the VIGOR is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and sicken in appearance, and imparts a delicate, agreeable, and lasting perfume.

Mr. C. P. BRICHER writes from Kirby, O., July 3, 1882: "Last fall my hair commenced falling out, and in a short time I became nearly bald. I used part of a bottle of Ayer's Hair Vigor, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

J. W. BOWEN, proprietor of the McArthur Olive Engraving, says: "AYER'S HAIR VIGOR is the most excellent preparation for the hair I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The VIGOR is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

Mr. ANGUS FAIRBAIN, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1880: "Ever since my hair began to give very evident evidence of the change which besetting the procreant, I have used AYER'S HAIR VIGOR, and so have been able to maintain the appearance of youthfulness—a matter of considerable consequence to ministers, orators, actors, and in fact every one who lives in the eye of the public."

Mrs. O. A. PRESOTT, writing from 18 Elm St., Charleston, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the Vigor, but now use it occasionally as a dressing."

We have hundreds of similar testimonials to the efficacy of AYER'S HAIR VIGOR. It needs but a trial to convince the most skeptical of its value.

SCROFULA

and all scrofulous diseases, Sores, Erysipelas, Eczema, Blotches, Ringworm, Tumors, Carbuncles, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood.

To cure these diseases the blood must be purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has for over forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases.

A Recent Cure of Scrofulous Sores. "Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done me. Yours respectfully, Mrs. ANN O'BRIAN, 118 Sullivan St., New York, June 24, 1882."

All persons interested are invited to call on Mrs. O'Brian; also upon the Rev. Z. P. Wilds of 78 East 54th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many others within his knowledge.

The well-known writer on the Boston Herald, B. W. BALL, of Rochester, N.H., writes, June 7, 1882:

"Having suffered severely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of AYER'S SARSAPARILLA, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

Ayer's Sarsaparilla

stimulates and regulates the action of the digestive and assimilative organs, renews and strengthens the vital forces, and speedily cures Rheumatism, Neuralgia, Rheumatic Gout, Catarrh, General Debility, and all diseases arising from an impoverished or corrupted condition of the blood, and a weakened vitality.

It is incomparably the cheapest blood medicine, on account of its concentrated strength, and great power over disease.
