New Store.
 Mr. Jos. Hall, formerly of Victoria Square, has opened out a large stock of groceries, provisions, flour & feed, etc., in Mr. John Brown's old stand. Mr. Hall has been long considered a first-class business man, and will be welcomed here as one of our citizens.

Just received at the Concrete House another lot of Nobby Felt Hats extra value.

City Folks.
 Several very large loads from Elm St. Church, Toronto, passed through the village about noon on Monday, and camped in one of Richmond Hill's pleasure-grounds in the North end. They attracted considerable attention, not only by beating their poor jaded out horses, but by bellowing through beastly horns, much to the annoyance of housewives who came to the doors to say that no fish was required that day.

Ladies, don't fail to call at The Cheap Cash House to inspect those very choice new Cretonnes.

Patterson's Self-Binders.
 We had the pleasure, on Tuesday afternoon, of witnessing one of Patterson's improved Self-Binders, reaping a heavy crop of oats on the farm of Mr. Thos. Palmer south of this village. Without exception, it did its work better than anything of the kind we have ever seen. The sheaves were tied with very inferior twine, but not a single band was broken during the afternoon. It left the stubble perfectly level, and not a straw could be seen untied. The team of horses walked quite leisurely along, the machine weighing less than 1300 lbs.

Another lot of Plain and Fancy Tea Sets, and China Tea Sets just opened out at the Concrete.

The Champion Sculler Defeated.
 News has reached us from the Antipodes, that Hanlan, the pride of Canada as an oarsman, has at last lost his laurels. His vanquisher is one Beech, an Australian, with a good record. Many speculations are already on the rounds, concerning the cause of the result. Some have an idea the race was sold. This accusation seems to us unjust without some foundation for the assertion. We feel inclined to think he was beaten on his merits, but think it quite probable he may yet return to Toronto with the proud title of Champion of the World. The change of climate may have had considerable to do with the losing of the race.

Music Lessons.

Miss Campbell will resume her classes in music after the vacation, on Monday, Sept. 1st. See ad.

Every housekeeper should see the Sugar which is now sold at the Concrete House, 17 lbs. for ONE DOLLAR.

Do not fail to see this match, which is expected to be one of the most interesting of the season, as both clubs have a first-class reputation. Ball to be faced at 2.30 p. m. Admission to the grounds, 15 cents. Grand stand five cents extra.

Rattling Bargains in Summer Dress Goods at The Cheap Cash House.

Magistrate's Court.

On Saturday afternoon last, Harry Leach and Ed. Keightley were tried before Mr. J. Brown, Reeve of Richmond Hill, and Mr. R. Marsh J. P., for committing an assault on W. Cook on the night of Saturday, Aug. 9th. Both defendants denied the charge preferred against them. Cook, being sworn, said that he, in company with W. Atkinson, S. Agar and W. Michael came out of Andrew's Shaving Parlor about 11 o'clock of the night in question, and while going home, was jostled off the side-walk by one of the defendants. After some words, the complainant was assaulted by Leach and Keightley, who struck him several times, and Keightley pursued him as far as Sanderson's Drug Store, some ten or twelve rods away. The principal points of evidence were corroborated by witnesses Atkinson, Agar and Michael. A similar charge was laid by Michael against Leach, who, he swore, struck him with a bottle. After hearing the evidence, Leach was fined \$3 and costs for each offence, and Keightley \$2.

You can buy for one dollar at the Concrete 8 lbs. of good Brown Japan Tea Dust.

Pic-Nic at Bond's Lake.

It seems strange, but nevertheless it is a fact, that many people residing in Richmond Hill either do not know, or do not benefit themselves by knowing, that a beautiful sheet of water and handsome picnic grounds, with every accommodation necessary, lie about four miles north of our village. What a relief it is for those living in a place even as small as our own little village to leave the cares of business, and spend an afternoon by the cool and refreshing waters. This can be attested by a small party of our citizens and a few of their friends, who took advantage of this beautiful summer resort on Monday afternoon last. Arriving at the hotel about 3 o'clock, and resting for a short time, the boats were manned, and rowed across to the south side of the lake, where several amusements were indulged in during the afternoon. At a suitable hour the cloth was spread, and all with keen appetites partook of a sumptuous meal prepared by the ladies. When the shades of evening drew near, they reluctantly left the grounds and returned, much delighted with the afternoon's enjoyment.

The Village Park.

The adjourned meeting to take into consideration the advisability of purchasing a park for the village was held in the Council Chamber on Tuesday evening, August 19th, Mr. J. Brown in the chair.
 The committee, appointed to select a location were asked to report.
 Mr. J. M. Lawrence, as chairman of the committee stated that they had inspected several lots, which could be purchased. Mr. J. Palmer would sell 5 acres on Church st. at \$300 an acre. Mr. McNair would sell 5 or 6 acres behind his residence, at \$260 an acre. Mr. Atkinson's 3 1/2 acres could be bought for \$600; Dr. Langstaff would sell a field of 8 or 9 acres back of the Methodist Parsonage at \$100 an acre. As far as he was concerned himself, he would be in favor of purchasing the last mentioned lot; he considered it cheap and would answer well for a park. He would also recommend that in paying for a park the Council issue debentures to extend over a period of 21 years.
 Mr. Savage said that some of the villagers were afraid that a good title could not be given for the Langstaff property, but that he had reason to think it was perfectly safe.
 Mr. Trench thought the offer a good one and thought the best thing to do would be to accept it.
 Mr. J. H. Sanderson, thought they could not do better than purchase this lot; it could be put into good shape without much expense.
 Mr. John Coulter wished to know if there would be room in the lot for High School buildings if such should ever be desirable.
 Mr. Trench thought there would be sufficient room.
 The following resolutions were carried unanimously.
 Moved by J. M. Lawrence, seconded by Wm. Trench, that in the opinion of this meeting, it would be desirable to purchase the property offered by Dr. Langstaff for a public park, and that a requisition be presented to the Council of this village, requesting that they submit a by-law to be voted upon as soon as the law in reference thereto will permit.
 Moved by Mr. Trench, seconded by Mr. Harrison that Messrs Lawrence, Sanderson, Switzer and the mover be a committee to draft the requisition in compliance with the above resolution.

Thomas Robinson, Farnham Centre, P. Q., writes: "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief. I got a bottle of Dr. Thomas' Electric Oil, and found it gave instant relief and since then have had no attack. I would recommend it to all."
