Telephone Company.
 Parties connected with the Ontario Telephone Company were in the village during the week endeavoring to establish a branch here, in opposition to the Bell Telephone Co. VANHORN—CONLEY—At the Methodist Church, Picton, Aug. 20th, 1884, by the Rev. J. S. Clarke, C. F. Vanhorn, Thornhill, to Maggie J., eldest daughter of Mr. Edwin Conley, Picton.

WOODBIDGE.

(From our own Correspondent.)
 By proclamation of the Mayor we enjoyed our civic holiday last Saturday. The bookbinders' Association had an excursion here in the afternoon and held their picnic, sports and dances in the park. In the same park and at the same time there was a base-ball match between our team and the Atlantics of Toronto which was won by the visitors. This was the second match that our club played last week. On Wednesday they went to Bolton and there played the Bolton team which ended in a draw, but according to reports, our team did not get fair play, and should have been called victors as the score was the same on both sides with one man on Woodbridge side to be put out. A return match on neutral grounds is being agitated.

The news of the results of the last two matches played at Richmond Hill was very pleasing to the citizens here. We are inclined to believe that the championship of Western Ontario will be held by the Young Canadians. The Dufferins arrived here on Saturday evening, and one would have thought by their cheerfulness they never expected to win the championship. They paraded the streets singing various pieces of music sung by the Salvation Army.

Our schools opened Monday, Aug. 18th. There has been a change in the teachership. Miss Woolley, first assistant, resigned to attend the Normal, and Miss Smithers, second assistant, was promoted to Miss Woolley's position. Miss Fraser has been appointed second assistant.

Our streets are not so thronged with children now as during vacation. Some of the farmers have finished harvesting.
