### Entertainment.

Madame Rossiter, the renowned authoress, orator and musician, will give her entertainment in the Temperance Hall here, tomorrow (Friday) evening. This lady, who comes from London, England, is highly spoken of wherever she performs. Her performance on the Concertina is said to be marvellous. As this entertainment is given under the auspices of the "Young Canadians," and as the proceeds are in aid of Mr. Gregg, of Patterson, who unfortunately had his leg broken on the Lacrosse field, it is to be hoped the house will be crowded. Doors will open at 7.30, commence at 8. Admission 25cts., children 15cts.

The Millinery Department at the Concrete is now stocked with all the novelties of the season. This department this season will more than sustain its reputation for style, neatness, &c.

### Selling Whiskey Wrongfully.

A magistrate's Court was held in the Town Hall, St. Paul's Ward on Monday last, T. Carr and J. Dobson, J. P's, presiding. John Palmer, hotel-keeper, Richmond Hill, was tried for infraction of the license law, the specific charge being that he had disposed of liquor on Sunday, August 31st. After several adjournments, and after the examination of several very reluctant witnesses, Palmer was convicted. As it was the second offence, a fine of \$40 and costs was imposed, amounting in all to \$51.65. Another offence will cause the forfeiture of his license. Jas. McConnell, License Inspector for West York, was the prosecutor, and to his energy the conviction is due.—News.

### Our Fire Brigade.

For a long time past we have been frequently called upon to offer our congratulations to our worthy Lacrosse team who have so often brought victory to our village, but we are glad to know, we have as well, a Fire Brigade second to none in the Dominion which was proved at the recent contests at the Industrial Exhibition held in Toronto. They had to compete with several other first-class brigades, and won first prize (\$75) in the open to all Hook and Ladder race, running 300 yards, and placing a 30 foot ladder against a wall. Snider, who mounted the ladder, stood at the top in the remarkably short time of 1 min. and 4 sec. On the following day they took part in the International Hose Reel race, but were defeated, under protest, by an American Company. It was justly claimed that the winning Company had not coupled the hose according to the rules which governed the races. On the same day they carried off first money (\$150) in the Canadian Hose Reel Race, and were loudly cheered by their many admirers. On the Wednesday evening following the tournament a torchlight procession was formed and marched through the village, after which the Brigade were banquetted in the Temperance Hall. After tea, Mr. I. Crosby proposed the toast, "Our Noble Queen," after which all joined in singing the National Anthem. Mr. T. H. Redditt proposed our Firemen, and Messrs. J. H. Sanderson, B. Redditt and P. G. Savage responded. Mr. E. F. Langstaff proposed the ladies, after which the company dispersed feeling proud they had been brought together for such a worthy cause.

### Newspaper Blowing.

How happy we feel we are not given to boasting like some of our contemporaries in speaking of our lacrosse players. We always refrain from anything of the kind, as it certainly shows a weakness somewhere. With regard to our boys no boasting is necessary. All we have to do is to modestly give a plain account of their victories over their opponents after each match, wherever they play, and leave the public to draw their own conclusions. We give below a couple of clippings as specimens among a number of others which we have not space to publish. The Fergus correspondent of the Guelph Mercury writes before the recent match:—"The Thistles, of Fergus, play Richmond Hill on Saturday first and at the latter place. After that date we will look for the medal—emblematic of the championship of Western Ontario—in Mr. Marshall's jewellery window, Fergus, where it will doubtless remain for the year '84, and possibly several years longer." The following we clip from the Brampton Conservator, of Sept. 12th:—"We would like to witness another match on good lacrosse grounds, such as Brampton possesses, between our Excelsiors and the Young Canadians of Richmond Hill. While we do not disparage the skill and cleverness of the Young Canadians, and cheerfully accord them the praise to which they are justly entitled as lacrosse players, we still believe that the Excelsiors can vanquish them on such a field as the Shamrocks and Torontos play their championship matches. A team that can put the Ontarios, of Toronto, to the test can most certainly get away with the Young Canadians of Richmond Hill." We fail to know what would satisfy Brampton. The Young Canadians have beaten them fairly on their own grounds; they afterwards defeated them in Richmond Hill by taking three straights, and with a team which they acknowledged was the strongest they could put on the field, and still they would wish the public to believe they can "vanquish" our boys on such a field as the Shamrocks and Torontos play their matches. If Brampton ever contemplates retrieving her lost laurels, she will have to secure a new list of players.

M. Shenan, of Oscola, Mich., writes:—"I have used Dr. Thomas' Electric Oil on horses for different diseases, and found it to be just as you recommended. It has done justice to me every time, and is the best Oil for horses I ever used." Observe that the name "Dr. Thomas' Electric Oil" is on front of the wrapper, as there are imitations of it.
