AULD OLIVER'S COMIN'

A Memento on Mr. Mowat's Return,
What news is this that stirs the toon,
An' country side for miles aroun',
Has some one travell'd to the moon
To set folk bummin' ?
Na, here's what's strung them 'a' in tune,
Auld Oliver's comin'.

But Tory hearts are far frae gay,
For Tories it's a dolefu' day
He gie's them sic a drubbin' aye,
Proves ae a run aye,
The verra thought o' mak's them wae,
Auld Oliver's comin'.

The stager'd fae may ca' 'tstumpin',
A move to catch the country bumkin',
E'en let them ca' it were 'tstumpin',
An' party drummin',
They'll sune enough we'll be jumpin',
Auld Oliver's comin'.

Awa' frae John A. an' his lot,
Here on this Liberal Mecca spot,
He'll gie it unch fast an' hot,
I fear, to some one,
An' Meredith may weel tak' note,
Auld Oliver's comin'.

Untrammell'd by obstruction mean,
Tho' Tory spite or other spleen,
His country's faes he'll set on clean,
'Their souls bummin',
Then smiles but tell their deep chagrin,
Auld Oliver's comin'.

But every independent chief,
Wha lo'es his land an' hates the deil,
An' values eloquence an' skill
In man or woman,
For auld lang syne will think it's weel
Auld Oliver's comin'.

Imagination can do much
To bring the being into touch,
Then, Liberals a', the han' out stretch,
Wi' welcome sunnion,
An' greet him weel, for there's few such
As Oliver comin'.

CRICKET MATCH.
Aurora vs. Victoria Square.
A lively game of cricket took place in Aurora, between the above named clubs, on Tuesday last, which resulted in favor of the Square. In the first innings only 6 runs, excluding byes and wides, were made by the visitors, but in the second innings they awakened up and did some fine playing, Jas. Forester alone making 30 runs in fine style. The best of feeling prevailed throughout the match. Mr. Mark Wilson, of Richmond Hill, acted as umpire for Victoria Square, and Mr. A. Tracy for the Aurora club. Below we give the score:—

WOODBRIDGE.
From an occasional Correspondent.
Every Saturday afternoon there may be seen in the park quite a number of cricketers. It is our intention to organize a club next spring, and will then be open to play matches.
The bakery has changed hands, Mr. Hardy having bought out Mr. Harper.
The funeral of the late James Totten, of Pine Grove, passed through our village on Sept. 12th. It was one of the largest funeral processions that ever passed through here.
Mr. John Abell left here last Thursday evening for a trip to England. We wish him a safe voyage there and return, and that his health, which is not so very bad for a gentleman of his age and mental work, may be greatly improved.
Mr. Abell deserves great praise for his large and excellent display at the Industrial Exhibition.
Woodbridge Exhibition will be held on Oct. 14th & 15th. None should miss our exhibition, as there are always a great many special inducements. It is a day during which a large number of young ladies have to be led around to see the sights. Your correspondent intends to notice the many different ways there are of leading young ladies.

LOCALS

Council Meeting.
The Richmond Hill Village Council met in their Chamber, on Wednesday evening, Oct. 1st. Reeve in the chair. Councilors present, Moodie, Law and Crosby. Minutes of last meeting read and approved. The Clerk read the correspondence with the Provincial Secretary and Provincial Treasurer relating to the purchase of land for a public park. The Secretary informed the Clerk that the By-Law would be approved by his Hon. the Lieutenant-Governor in Council, and the papers would be forwarded in a few days. Council adjourned to meet on Wednesday, Oct. 22nd.

Scott Act Meeting.
About fifty representatives from the different municipalities of the County attended the Scott Act business meeting held in Aurora on Monday. Great enthusiasm was expressed by delegates from all parts of the county, in favor of the Act. The petitions are being largely signed and a determination was expressed to have the act submitted to popular vote as early a date as possible. About 400 were present at the mass meeting held in the evening. A large number of gentlemen occupied the platform. S. H. Blake Esq., the speaker of the evening in an able address of an hour and a half repeatedly drew loud and prolonged cheers from the audience by the arguments he adduced in favor of the act.

Madame Rossiter.
The entertainment given by Madame Rossiter, in the Temperance Hall, on Friday evening last, under the auspices of the "Young Canadian" Lacrosse Club, was an exceptionally pleasing affair. It is not to be wondered at, that the press speak of her wherever she performs, in the most complimentary manner. Her piano performances were simply grand, and were such as are seldom heard by a Richmond Hill audience, the Irish and Scotch airs bringing forth merited applause, whilst the skill displayed on the concertina was equally remarkable. As a reciter she excels in comic selections rather than those of a grave style, requiring pathos or great warmth of feeling, which was shown in her rendition of "Curfew." Her songs were well received, but her voice, though musical, has not sufficient capacity for difficult pieces, which she apparently knows by her simple selections, such as "No Sir," "Bother the Men," &c. Professor Millar, assisted by a couple of our local amateur wizards, amused the audience at intervals with his illusions and dexterous tricks, the only requirements on the boys part seeming to be to hold their heads erect, and keep chewing gum all the time. Although the concert was exceedingly enjoyable, the pleasure was greatly marred by the conduct of some of the audience, who seemed to think the occasion afforded a fitting opportunity for a first-class chat with their companions, much to the annoyance of those who were sitting near and who wished to listen to the performances. The behavior of the boys outside the hall was, to say the least, disgraceful, which reflects discredit on our village, and whether the blame for tolerating such rests on the Lacrosse Club, or on our village authorities, it is certain that people who patronize their entertainments should not be disturbed by any such ruffianism.

PERSONALS.
Rev. Mr. Grant of Simcoe, occupied the pulpit and preached to large audiences in the Presbyterian church on the last two Sabbaths.
Mr. A. Turnbull, Canfield, county of Haldimand started for home yesterday, after a few days' visit with his daughter, Mrs. Jas McConnell.
The Rev. J. E. Starr, of Berkeley Street Church, Toronto, will deliver one of his popular lectures in the Methodist church on Monday evening.
M. Teeff Esq., Village Clerk and Treasurer, having been granted a month's leave of absence, started for Chicago this morning, on a visit to his son Armand, who is pursuing the study of law in that city.

The Rev. W. G. Howson, of Pickering, will preach morning and evening on Sunday next in the Methodist Church. As Mr. Howson is well known in this community, a large audience will doubtless greet him, and listen to one of the most earnest and eloquent speakers who have ever preached in Richmond Hill.

MARRIAGES
Pettit-Morrison.—At the residence of the bride's father, on Tuesday, Sept. 23rd, by the Rev. J. D. Leek, William Varney Pettit, of West Lake, Prince Edward Co., 22 Minnie Florence, only daughter of G. W. Morrison, Esq., Aurora.

Mrs. W. J. Lang, Bethny, Ont., writes: I was one of the greatest sufferers for about fifteen months with a disease of my ear similar to ulcers, causing entire deafness. I tried everything that could be done through medical skill, but without relief. As a last resort, I tried Dr. Thomas' Electric Oil, and in ten minutes found relief. I continued using it, and in a short time my ear was cured and hearing completely restored. I have used this wonderful healer successfully in cases of inflammation of the lungs, sore throat, coughs and colds, cuts and bruises, &c., in fact it is our family medicine.

LASKAY.

From Our Own Correspondent.
Mr. A. B. Lehman has his mill in good working order again. He has now a mill to do gristing equal to the new process. He has spent a large sum of money on the mill and we hope he will soon be repaid for his improvements.
Mr. H. Baldwin has his dam repaired again, so our citizens can listen to the usual roar of the waters. He has made a strong looking job of it this time. I expect the wool will get a good teasing now for a few weeks while the rains last.
Everything seems quiet here at present, the only thing we can hear is, who is corresponding with the several local papers.

The Pine Grove Correspondent said, when duty called he must obey. I felt quite amused with the Pine Grove Correspondent, and also glad to think he has been moved in his conscience to speak a word for his village through the columns of your valuable paper. He said he did not intend to continue his correspondence. I am glad he broke his wish as we like to hear from Pine Grove once a week. The correspondent asked me for a very nice favor when he asked me to give my name and appear in another column of your paper. Now, I think more of myself than to start writing in that kind of a manner, for I cannot see what reason he had for getting gingered up for nothing. I can truly say we used them well when we played baseball, and took a defeat without a murmur. I take leave to repeat my words: we did challenge Pine Grove Baseball Club to meet our club at Teston on the 24th of May, and play a match in Mr. Isaac Murray's field, but they did not feel so disposed. I think Mr. Pine Grove you ought to know better than to think they hatch so far north as Laskay; as far as hatching goes you did your duty to your last piece, as the sense was hatched clean out before it left your noddle. Now, if the Pine Grove correspondent wishes to keep up this kind of thing, let him give his name and I will let it be merchant or whatever profession he wishes and I will do the same.

Mr. T. C. Wells, Chemist and Druggist, Port Colborne, Ont., writes:—"Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure sells well, and gives the best of satisfaction for all diseases of the blood." It never fails to root out all diseases from the system, cures dyspepsia, liver complaint, etc., purifies the blood and will make you look the picture of health and happiness.

SCROFULA

and all scrofulous diseases, Sores, Erysipelas, Eczema, Eruptions, Ringworm, Tumors, Carbuncles, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood.
To cure these diseases the blood must be purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has for over forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases.

A Recent Cure of Scrofulous Sores.
"Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done me."
Yours respectfully, MRS. ANN O'BRIAN,
148 Sullivan St., New York, June 24, 1882.

All persons interested are invited to call on Mrs. O'Brian; also upon the Rev. Z. P. Wilds of 78 East 54th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many others within his knowledge.

The well-known writer on the Boston Herald, B. W. BALL, of Rochester, N.H., writes, June 7, 1882:

"Having suffered severely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of AYER'S SARSAPARILLA, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

Ayer's Sarsaparilla

stimulates and regulates the action of the digestive and assimilative organs, renews and strengthens the vital forces, and speedily cures Eczematous, Neuralgia, Rheumatic Gout, Catarrh, General Debility, and all diseases arising from an impoverished or corrupted condition of the blood, and a weakened vitality.
It is incomparably the cheapest blood medicine, on account of its concentrated strength, and great power over disease.
