Successful.

Mr. Robert Marsh, as usual, has been eminently successful this fall in carrying off prizes for his Southdown sheep at the fairs. At Newmarket he received \$53, which was the largest amount of premiums gained by any one exhibitor.

W. C. T. U.

The next meeting of the W. C. T. U. of this village will be held at the residence of Mrs. Campbell, on Wednesday, Nov. 5th, at 4 o'clock. A full attendance is requested, as matters of importance will be discussed. Ladies desirous of becoming members will be cordially welcomed.

Sudden Death.

On Friday last, Mr. Peter Rupert, jr., died very suddenly at his residence near Sherwood. He had been working in the field during the day, but not feeling well, had come to the house, and was looking over a newspaper when he expired. Heart disease, of which he has been troubled for years, is supposed to have been the cause of his death. He was buried in the Presbyterian cemetery here on Monday afternoon.

Victoria Square.

Last Sunday Rev. S. P. Rose preached two interesting and instructive sermons on behalf of Missions. The annual missionary meeting was held on Tuesday evening. A large congregation was present, and the meeting was one of great interest. Speeches were delivered by Rev. Messrs. Booth, Barker, Rose and Johnson. The collections were in advance of the former year. Choice music was furnished by the choir of the church.

Wood Sale.

The undersigned has received instructions from Mr. Thomas Page, to sell by public auction, on Thursday, Nov. 6th, 1884, on the West Part of Lot 5, 7th Con. King, 11 or 12 Acres of Maple, Beech, Elm and Hemlock. To be sold in lots to suit purchasers. Sale at one o'clock. The purchaser will be required to remove the timber by the 1st of June next. Purchasers to give approved joint notes, payable 1st of March. N. J. Armstrong, Auctioneer.

Missionary Meeting.

Excellent Missionary sermons were preached in the Methodist Church last Sunday, by Revs. S. P. Rose and C. O. Johnson. The collections were several dollars in advance of the previous year. On Monday evening the annual meeting was held, when appropriate and interesting addresses were delivered by Revs. Messrs. Rose and Johnson. The pastor, Rev. W. R. Barker, presided. The choir did much to enliven the meeting by rendering some choice anthems with their usual taste and ability. The meeting throughout was enthusiastic and the financial results about \$120, which will be largely increased when the collectors perform their work.

Big Potatoes.

Early in the season, large potatoes in Maple came into prominence. Since that time they have been beaten by Pine Grove, Vellore and Markham. A larger one than we have yet mentioned may be seen at the Palmer House, Maple. Whether Maple or Patterson can claim the credit for this growth it is not for us to say, as the potato, which weighs 3 lbs., 2 oz., was grown on the farm of Mr. Thos. Rumble. We have just learned from Mr. F. Burkholder, merchant, Orangeville, formerly of Maple, that he has one in his store weighing 3 lbs., 7 oz., which has been presented to him by Mr. A. Norris, of Garafraxa. O! Yes! But that is in another country.

Annual Tea and Concert.

The ladies in connection with the Presbyterian Church, Richmond Hill, purpose holding their Annual Tea and Concert, on the evening of Thanksgiving Day, Thursday, Nov. 6th, 1884. Tea will be served in the School Room of the Church, from 5 o'clock to 7:30 p.m. Tickets, 25 cents. The Concert will be held in the Masonic Hall, which has been kindly granted for the occasion, and special seating accommodation will be provided for those attending the concert, which will, without doubt, be one of the grandest ever held in Richmond Hill. The committee have secured Miss Maggie Barr, of Hamilton, who is universally acknowledged to be one of the finest sopranos in the country. There will also appear Miss Jessie Alexander, Elocutionist; Miss Flora Coulter, Contralto; Mr. Jno. Alexander, Tenor and Elocutionist; Mr. J. D. Wilkinson, Tenor; Mr. Lewis, Baritone, all of Toronto. The

programme will consist of solos, duets, trios and readings, from works specially selected for this occasion, and all persons attending may depend upon having a musical and literary treat. Tickets, 25cts., reserved seats, 50 cts. Doors open at 7:20, concert to commence at 8 sharp. N. B.—A reduction of ten cents will be made to persons purchasing tickets for both tea and concert.

Worms cause feverishness, moaning and restlessness during sleep. Mother Graves' Worm Exterminator is pleasant, sure, and effectual.

PERSONALS.

Mr. H. Hurst, formerly of Patterson, is paying a visit to Mr. P. G. Savage of this village.

Mr. W. T. A. Cook returned home on Saturday evening, after spending six weeks in Toronto as jurymen at the civil assizes.

Quick transit from a state of feebleness, bodily languor, and nervous irritability—induced by dyspepsia—to a condition of vigor and physical comfort, follows the use of the standard regulating tonic and stomachic, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which speedily conquers Indigestion, Constipation, Bilious Complaints, and Female Complaints, purifies the Blood, and reinforces the vital energy.

Mr. Geo. Tolen, Druggist, Gravenhurst, Ont., writes: "My customers who have used Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, say that it has done them more good than anything they have ever used." It has indeed a wonderful influence in purifying the blood and curing diseases of the Digestive Organs, the Liver, Kidneys, and all disorders of the system.

VILLAGE COUNCIL.

The village Council met in the Council chamber on Wednesday evening, at 8:30. The reeve in the chair.

Councillors present, Messrs. Moodie, Hopper, and Law.

The minutes of last meeting were read, and on motion confirmed.

The Clerk drew the attention of the Council to an error which appeared in Mr. Burkholder's bill of lumber, mentioned in minutes of last meeting. The error was corrected and approved.

M. TEEFY, Clerk.

Pope & Bitlean, druggists, Cedar Rapids, Iowa, writes: "We have never sold any medicine that gives such satisfaction to the consumer and pleasure to the seller as Dr. Thomas' Eclectic Oil. We can refer you to numbers that have used it for diphtheria with entire satisfaction and success."

NORTH ETOBICOKE.

From our own Correspondent.

Dr. Savage has removed from St. Andrews to Weston, having purchased the practice of Dr. Eakin, who, we understand, has gone to California.

We hear that the Clairville foot ball club came off only second best in the match the other day at Churchville. But from what we know of Clairville boys we should say, that though defeated they are not subdued. Try again boys.

What the people of North Etobicoke would like to know:—

If Billy Orton will return to the poor house this winter?

Or if not, will Mrs. Orton receive funds from the Council for keeping him? When we are going to have a Post Office at Smithfield?

Who will succeed Dr. Savage?

If the Dr. does not ask too much for his practice.

Is there anything more annoying than having your corn stepped upon? Is there anything more delightful than to get rid of it? Holloway's Corn Cure will do it.

BUTTONVILLE.

From our own Correspondent.

Mr. Wm. Willmot has again moved from our midst. This time he takes up his residence in the city. The store he has occupied has been taken by Mr. Elliott. 17 lbs. of sugar for one dollar. The P. M. had better rent his store.

Mrs. and Miss Phillips have moved to Stouffville, a few weeks ago.

Mr. Chris. Hunter has gone north again for the winter.

Mr. R. O. Harvey occupied the pulpit in the Methodist Church on Sunday night and gave an address on Sunday School work. Would like to have him here again, and in the Sunday School a while for its benefit.

Our grist mill has been running for some time, and gives the best of satisfaction.

The wife of our good-natured Post Master is much improved in health.

Fall ploughing is well advanced, and the farmers will soon be ready for Jack Frost, that they may have better roads for teaming their grain to Toronto.

The trustees are quite anxious to retain Miss Newton as teacher for another year, if she will only consent to remain. She will decide in a few weeks.

A MARVELOUS STORY

TOLD IN TWO LETTERS.

FROM THE SON: "23 Cedar St., New York, Oct. 28, 1882.

"Gentlemen: My father resides at Glover, Vt. He has been a great sufferer from Scrofula, and the inclosed letter will tell you what a marvelous effect

Ayer's Sarsaparilla

has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case.
Yours truly, W. M. PHILLIPS."

FROM THE FATHER: "It is both a pleasure and a duty for me to state to you the benefit I have derived from the use of

Ayer's Sarsaparilla.

Six months ago I was completely covered with a terrible humor and scrofulous sores. The humor caused an incessant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the Sarsaparilla in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you, AYER'S SARSAPARILLA. Glover, Vt., Oct. 21, 1882.
Yours gratefully,
W. M. PHILLIPS."

AYER'S SARSAPARILLA cures Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Itchings, Sores, Bolls, Tumors, and Eruptions of the Skin. It clears the blood of all impurities, aids digestion, stimulates the action of the bowels, and thus restores vitality and strengthens the whole system.
