

LASKAY.

To the Editor of THE LIBERAL:

Sir,—Having read the correspondence of the Laskay Correspondents to the different local papers during the last six months, and seeing that they have got things a little mixed, I write to simplify matters. By inserting the following lines in your valuable paper you will confer a great favor:

When the battle first began,
The first and foremost in the van
Was Waxy Jack and Woolly Dick
The people with their pen to stick.

The next in line to start the fun
Was Joseph W. and the Nunn,
To make the people laugh with joy
Between them wrote the Baker boy.

At the Precentors they fired their gun,
To get the office for the son,
Jealousy was what brought out the thing,
As someone asked the son to sing.

The Precentors then came next in line,
And filled the air with dust and lime,
And threw the dust from off their quill,
Fresh from both the kiln and mill.

The next in line was Peter Pad,
Who thought to make the people glad,
When they his writing did espy,
Had made them jump about six feet high.

Then next went Slimy to get the Nunn
To help him on ward with the fun,
But he would not then assist the din,
So Slimy alone had to dip in.

Come later J., so innocent,
But always on some mischief bent,
Keeps in the background round about
Some news for Slimy to spy out.

Here Waxy Jack again struck in,
And Fluker furnished the news for him,
To make this all the better rhyme,
Between them signed it "Just in time."

To mix things up far worse again,
Then Waxy Jack and Jesse N.
Gets Waxy Jack to prime the gun,
And Jesse helps to fire just for fun.

This is the way they have things fixed
To get the people a little mixed,
Who at last the day will glean
Is very hard to judge I ween.

So now I'll sink into repose,
And bring my rhyming to a close;
'Tis very easy to see that I
Have just been writing to simplify.

What Toronto's well-known Good Samaritan says: "I have been troubled with Dyspepsia and Liver Complaint for over 20 years, and have tried many remedies, but never found an article that has done me so much good as Northrop & Lyman's Vegetable Discovery and Dyspeptic cure." CLARA E. PORTER.

A MARVELOUS STORY

TOLD IN TWO LETTERS.
FROM THE SON: "28 Cedar St., New York, Oct. 28, 1882.
Gentlemen: My father resides at Glover, Vt. He has been a great sufferer from Scrofula, and the enclosed letter will tell you what a marvelous effect

Ayer's Sarsaparilla

has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case. Yours truly, W. M. PHILLIPS."

FROM THE FATHER: "It is both a pleasure and a duty for me to state to you the benefit I have derived from the use of

Ayer's Sarsaparilla.

Six months ago I was completely covered with a terrible humor and scrofulous sores. The humor caused an incessant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the Sarsaparilla in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you, AYER'S SARSAPARILLA. Glover, Vt., Oct. 21, 1882. Yours gratefully, HIRAM PHILLIPS."

AYER'S SARSAPARILLA cures Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Blotches, Sores, Bolls, Tumors, and Eruptions of the Skin. It clears the blood of all impurities, aids digestion, stimulates the action of the bowels, and thus restores vitality and strengthens the whole system.

MAY DEW

The Great French Lotion for Beautifying The Face.

It conceals the evidence of age. One application will make the most stubbornly red and rough hand beautifully soft and white. Remember that "MAY DEW" is not a paint or powder that fills up the pores of the skin, and that is injurious to the skin, but a new and great discovery, a vegetable liquid, that causes the cheek to glow with health, the neck arms and hands to rival the lily in whiteness. Impossible to detect in the beauty it confers any artificial character. It cures Greasy Skin, Freckles, Wrinkles, Pimples, Black Head, Crow's Feet, Blotches, Face Grubs, Sunburn, Tan, Ringworm, Chapped Hands, Sore or Chapped Lips, Barber's Itch, Tetter, &c. It frees the pores, oil glands and tubes from the injurious effects of powders and cosmetic washes. By its use all redness and roughness are prevented; it beautifies the skin and will make it smooth, soft and white, imparting a delicate softness; producing a perfectly healthy, natural and youthful appearance. The best Face Lotion the world ever produced. We will send a LARGE BOTTLE to any address on receipt of price—\$1.00. When ordering mention this paper.
