Oyster Supper.

Last Friday evening the members of the Bickmond Hill Fire Brigade were treated to an Oyster supper by the officers of the Company. Mine host, Benj. Brillinger, of the Dominion Hotel, prepared a very appetizing and sumptuous repast. After the members were satisfied with the luscious bivalves prepared. "The Queen" was proposed by Foreman P. G. Savage, accompanied by a few appropriate remarks. The toast was received by the company singing heartily the National Anthem. The second toast "The Captain and Lieutenant," was proposed by Sec. Nicholls. In response to the toasts, speeches were made reviewing the great success of the Brigade during the past year. The third toast proposed was the remaining officers of the Brigade, which was responded to by Foremen Redditt, and Savage, the Sec., and Steward McMahon. The proceedings at this juncture were great-Toronto Office-No. 14 Building & Loan ly enlivened by Fireman Derry singing in his usual good style "Down among the Coals." The Sec. then proposed thereoast, "The Visitor and Monorary Fireman." In response Mr. J. El. Bull, of Brampton, thanked the Company for the very enthusiastic manner they had received the toast and among his remarks stated that he thought the medal secured by our Lacrosse team this season would undoubtedly return to its green pastures at Brampton. Fireman McConaghy followed and remarked that the visitor from Brampton should pot be so certain about the return of the medal. He thought it liked its quarters here and would remain for some time. Songs were then given by Firemen Moodie, A. B. Wilson, McMabon, Storey and Trench. They were greeted with hearty encores. The officers rose and the Captain proposed " The Firemen of the Brigade." In response Firemen Storey, McConnell, Trench, Switzer, Duncan and A. B. Wilson, made appropriate remarks. The last toast was "Mine Host and Hostess," which was proposed by the Captain and responded to by Benj. Brillinger. The company then sang "Rule Britannia," and dispersed all feeling that they had spent a very enjoyable evening

BIRTHS.

BAILEY-At Richmond Hill, on Thursday, 25th ult., a son to Mr. and Mrs. J.G. Bailey.

MARRIAGES

KIRBY-WATSON-At the Manse, Maple, on the 3rd inst., by the Rev. D. Camelon, Nathaniel, second son of Mr. Wm. Kirby, to Susie, eldest daughter of Mr. Cames Watson, all of the 4th Con., of Vaughan.

Missionary to India, writes: "During and umpires retired to Mr. G. Lemon's our stay in Canada, we have used Dr. Thomas' Eclectric Oil with very great satisfaction. We are now returning to India, and would like to take some with us, for our own use and to give to the deseased heathen."

AURORA.

From our own Correspondent.

Wednesday of this week in Wesley church. The Rev. Mr. Wilkinson, formerly of Aurora circuit, to Miss Arvilla, eldest daughter of the late George Richardson, of Whitchurch. It is amusing, about the bride being dressed in white, the invited guests and their attire, the McCabe Wm. wedding march &c. They left by train on their bridal tour with the best wishes Henry, Curts Jos., McCabe Thos.,

of all with whom they were acquainted. An accident occurred on the stairway of the Town Hall on Sunday night, which might have resulted in the loss of life. As the Army was dismissing, some miscreants held the door, when a surge from the crowd within forced it open, and precipitated some 15 or 20 headlong down the steps. Constable Lloyd, in trying to arrest the guilty one, was either knocked or fell down, but not hurt. No one was

seriously injured. The Aurora race course, consisting of 58 acres, was sold last week. It is not yet known as to what the purchaser intends doing with it.

Mrs. A. Nelson, Brantford, writes: "I was a sufferer from Chronic Dyspepsia for eleven years. Always after eating, an intense burning sensation in the stomach, at times very distressing, caused a drooping and languid feeling, which would last for several hours after eating. I was recommended by Mr. Popplewell, Chemist, of our city, to try Northrop & Lyman's Vegetable Discovery and Dyspeptic cure, and I am thankful to say that I have not been better for years; that burning sensation and languid feeling has all gone, and food does not lie heavy on my stomach. Others of my family have used it with best results."

ITEMS TEMPERANCE

Supplied by the I.D. G. T. Lodge, Richmond Hill.

THE MAINE LIQUOR LAW. Mayor Blake, of Bangor, said:- "Certainly the absence of the open sale of liquor diminishes drinking, and, as a result, crime." Alderman Crosby, of Bangor, said:-" The enforcement of the liquor law diminishes drinking, and, as a natural consequence, crime." Mayor Wakefield, Mayor Manson, Mayor Hon. E. L. Hamlin, all testified similarly to the commissioners sent by our Dominion Government. The best men in Maine believe in Prohibition, and on the 8th Sept. last they rolled up a majority of 43,060 in its favor.

The difference between the Crook's Act and the Scott Act is not that one permits and the other prohibits the sale of intexicating liquors. Both permit the sale, the difference being that the latter is more restrictive in its operations. If liquor-selling, in the ordinary use of the word, is a legitimate business, it is as unjust to prohibit A and B and C from going into it, as it is to give D the privilege of selling for one year, ond then to transfer the privilege to E.

Indiscretions in diet bring on dyspepsia and irregularity of the bowels. Eat only wholesome foot, and if the trouble has become permanent—as it is very prone to do-try a course of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. The combined effects astonish and delight the sufferer, who soon begins to digest well, regain functional regularity and improve in appetite; the blood becomes pure and good health is restored.

SPRINGHILL.

Frem Our Own Correspondent.

The Tug or War contest for the Championship of the North, between ten men of the Fire Brigade, Aurora, and ten of the Township of King, (not the County of York, as the bills stated) was contested on Saturday, at the hour of three. in the Drill Shed, Aurors. The King team won the first and third draws with apparent ease. In fact the third draw was done so quickly that Aurora needed a little explanation to know whether they were really drawn over the scratch or not. The second draw was of considerable length, during which time the crowd became quite enthusiastic. It resulted in favor of Aurora, by the men of King becoming misplaced. The King team outweighed Aurora by 127 pounds. It must be remembered that the Aurora team has been in constant practice for some time, whereas the men of King had no practice. The King team intend to make it much more interesting for Aurora when the return match is drawn at Rev. J. McLaurin, Canadian Baptist | Springhill. After the contest the tuggers hotel, to regale on oyster soup. Good feeling and order prevailed during the

entire evening. The C. M. Sabbath School intend having an entertainment, or Christmas Tree, on Friday evening before Xmas. Foreign talent has been secured. Entrance fee, 25cts.

From our own Correspondent. The social given by the bachelors of Willowdale on Tuesday evening, Nov.
